

Download the Alexa app Manually

Go to the Alexa app page, [here](https://www.microsoft.com/en-us/p/alexa/9n12z3cctcnz?activetab=pivot%3Aoverviewtab). <https://www.microsoft.com/en-us/p/alexa/9n12z3cctcnz?activetab=pivot%3Aoverviewtab>

Now go to Adguard Store's official website, [here](https://store.rg-adguard.net/). <https://store.rg-adguard.net/>

Paste in the link the address bar. Click the drop-down button next to the URL field and select **Retail**.

Online link generator for Microsoft Store.
Enter the link from the Microsoft Store and click on the checkbox - to get all available links.

URL (link) Retail

The links were successfully received from the Microsoft Store server.

Click on the **Checkmark** button.

Now download both **.appxbundle** as well the **.eappxbundle** of the app by clicking on the link. (Refer the image for more).

This should help you install Alexa on your Windows 10 computer. If required, try to change the region on your computer to the US or UK to get it to work.
