

## **Significant changes in Oriya Shaadi you need to gaze upon**

Oriya marriage ceremony has undergone a profound change in terms of rituals and traditions. Earlier only two significant ceremonies used to take place from Nirbhandha- the engagement and the grand wedding ceremony. However, the traditions and rituals after keen advancement by a young couple and relative, many pre and post-wedding ceremonies are taking the hearts of every person. Marriages have become more about glamour and showcasing instead of following rituals.

### **The idea of Arrange marriage:**

Yes, arrange marriages used to be an essential part of our culture. But its no more considered a significant step towards a new life. Now there are many matrimony sites where [Oriya brides](#) and grooms look for their perfect life partner. The hectic process of matchmaking that used to take years and years of time has witnessed a drastic change. Brides and grooms to be, look for their likewise profiles online.

### **The entry of wedding planners:**

People love to customize each and everything that happens to take place at their wedding starting from the wedding venue, look, attire and even ceremonies. Life has become too busy to follow time-consuming customs today. People accept the notion that marriages give a chance to laze a bit and make merry with friends, near and dear ones.

### **Pre and post-wedding ceremonies:**

This is a newly added concept by youngsters at the Oriya matrimonial where people love to enjoy the fullest without irking the elders who usually do not like any extra disturbances during hardcore [Oriya wedding](#) ceremonies. Even the post-wedding traditions bring happiness and cosiness to the Oriya brides who enter into a new family.

### **Some lavish wedding ceremony venues:**

A drastic change in wedding venues proves the significant transformation in typical Oriya weddings. Shifting from simple residence weddings to lavish party halls, mandaps, resorts and hotels proves the tremendous change in the way wedding ceremonies used to take place earlier. Many Oriya couples have even conveyed their feelings about these lavish celebrations. They say that hosting a [marriage](#) ceremony at someone's home might mean compromising on privacy with guests and decorations. This transformation in Oriya marriage has taken place to make marriage memories larger than life.

### **Themed wedding plans:**

People love to experiment with all aspects of wedding these days. Even the flower used for decoration has undergone a seachange. Nowadays lilies, orchids, tulips, carnations and other varieties have replaced the traditionally favourite marigold and roses. The reason is the themed wedding that demands exotic décor. Some of the famous thematic decorations loved by wedding couples are Bollywood genre, fairytale, rustic, royal palaces, beach theme and others. A destination wedding is part of a themed wedding where families of both bride and grooms celebrate the ceremonies together.
