Recycling Effort Thanks Volunteers

by Leslie Jacobs
Charlestown
Recycling Volunteers

The Charlestown Recycling Volunteers would like to thank the Charlestown Preservation Society for citing the success of the drop-off site, and would like to publicly thank all those who have volunteered their time at the drop-off site; it is due to their effort that the site is so successful.

They are: Anna Barry, Jocelyn Bisset, Karen Boriotto, Susie Boyle, Phil Boyle, Milton Brasher-Cunningham, Janet Bray, Kathy Callahan, Patti Clark, Kathy Corey, Marilyn Darling, Sarah Dillard, Alison Dinsmore, Heidi Dix, David Donovan, Bill Driscoll, Claudia Ellerman, Chris Eskilson, Alice Erickson, Jane Ferris, Katie Fratianni, Bill Galvin, Ann Garmey, Jim Gascoigne, Alex Gillis, Tobey Gillis, Nick Godfrey, Jed Gorlin, Allison Granger, Jeannette Griften, Alice Hart, Bob Hart, Martha Hester, Bob Hickey and Linda Horan.

Also, Leslie Jacobs, Dennis Jenkins, Ginny Jenkins, Jim Johnson, Edith Jones, Francis Kirk, Penny Lane, Carol Lewis, Mary Lynch, Andrea Lordon, Greta Ma-

guire, Moira Maguire, Barbara Maheigan, Melissa Mahome, Tani Marinovich, Doug Marshall, David McLaren, Dan Minor, Anet Mosely, Justin Mosely, Alice O'Brien, Laurie Olander, Meg O'Leary, Hugh O'Reilly, Louise Osborne, Pell Osborne, Greg Perkins, Marie Rose, Amy Saunders, Holly Schweitzer, Janet Shea, Susan Siegal, Dan Simpson, Pat Simpson, Anne Smart, Lisa Susser, Laura Tuach, Laura Vennard, Susanne Walless and Susie Withol.

From its opening in December through May, the site has recycled 4.9 tons of glass bottles and jars, and .8 tons of metal cans. The site began accepting numbers 1 and 2 plastic bottles in May.

Since recycling of plastics tends to be confusing, here are some guidelines:

- The bottle **MUST** have a recycling triangle on the bottom with either the number 1 or the number 2 inside it. It may be helpful to check the number with a magnifying glass.

- 'Bottles' means that the opening must be narrower than the body of the bottle. Good examples of plastic bottles are shampoo, water,

milk, juice and detergent bottles.

- Bottle caps tend to be a different grade of plastic from the bottle itself, and should be removed before recycling.

- All item to be recycled must be clean.

For more information, please call the Charlestown Recycling Volunteers at 241-9784.

Recycling Drop-Off Closed For July

THE REAL ESTATE WEEKLY

By Carolyn Sideman and Joseph Gannon III, CRS, GRI
Monument Properties

WHAT DOES THE REALTOR REPRESENT?

In most residential real estate transactions, the Realtor represents the seller. Does this mean that you should not work with an agent when you look for your next home? Not at all!

Realtors help people sell their homes and help other people find new homes. In this matchmaking process, Realtors have a fiduciary obligation to their sellers, but are also obligated by their code of ethics to treat buyers fairly. They must give you accurate information about the properties they show you, and they're held accountable to buyers by their own Board of Realtors as well as State licensing agencies and the courts.

Perhaps the strongest accountability is in the marketplace. In this business, reputation is crucial, and referrals from past customers are essential for a Realtor to remain in the business! This provides the strongest incentive for Realtors to get you and your family moved into a home that you love at a price you can afford and under conditions that will make you and the seller feel terrific about the transaction.

If there's a move in your future, call the professionals at **Monument Properties**. Come by our offices at **85 Warren St., Charlestown** or call us at **241-5900**.

Bunker Hill Post 26, American Legion Hosts Annual 'Nite Before' Banquet

photos by John Dillon

The annual "Nite Before" Banquet which took place on June 12 as part of the Bunker Hill Day activities, was held at the new post quarters on Adams Street. The event was sponsored by Bunker Hill Post 26, The American Legion along with the Bunker Hill Day Commemorative Committee. The traditions of some 70 years were continued with the honoring of this year's Bunker Hill Day Parade Chief Marshal, Rev. Patrick Healy, OMI, Major, U.S. Army Chaplain Corps (Ret.).

Rev. William McConnell of St. Francis de Sales Church delivered the invocation which was followed by a delicious chicken pie dinner served by Dora Ferguson Caterers.

James W. Conway, commander of Bunker Hill Post and chairman of the Commemorative Committee, served as master of ceremonies. Among those bringing greetings to the gathering were House Majority Leader Rep. Richard A. Voke, Sen. Thomas Birmingham, Mass. Legion National Ex-

ecutive Committeeman John Mulkern, Acting Superintendent of the Boston National Historical Park John Benjamin, Boston Veteran Services Commissioner Tom Materazzo and Boston City Councillor John A. Nucci.

Also, State Legion Commander Joseph Cremens; Cmdr. Richard Lee, USN, commanding officer of the **USS Oliver Hazard Perry**; Cmdr. Robert Gillen, USN (Ret.); Charlestown Mayor Pat Harty; Charlestown Rose Shannon Kiely; and Judy Evers, community liaison from the Mayor's Office of Neighborhood Services. Other head table guests included Hon. Mary M. Brennan, retired presiding justice of the Charlestown District Court, and John Wrenn, chairman of the Legion's New England Caucus.

Father Healy was honored with several awards, including a Paul Revere Bowl from Mayor Raymond L. Flynn, presented by Evers and Materazzo. He also received citations from Nucci and Birmingham.

Among the those attending the banquet were 101-year-old John Daly, charter member of the Post; Kathleen Brennan McMenimen, candidate for state representative and niece of the Chief Marshal; Jerry Esposito,

candidate for state senator; and representatives from the crews of the **USS Oliver Hazard Perry** and the **USS Constitution**.

Dancing followed the program to the music of The McMurphy's.

• **Charlestown Pride Basketball Tournament** . . . On June 11, the Charlestown Pride Week Basketball Tournament finals were held at the Eden Street Park. The week-long tournament was sponsored by the Charlestown Teen Connection to give some teams a chance to get together before the start of the B.N.B.L. season.

Over 60 teen-agers participated in two age divisions during an exciting week of hoop. The 15-and-under division title was captured by Collins and the Alleycats who overcame a second-half surge by Club Phill to hold on for a 44-34 win. Mark Collins and Brendan Brennan powered the Alleycats' offense with 18 and 13 points respectively.

The 19-and-under championship ended in similar fashion as the Eldordos defeated the Fab-Five by the identical score as the first game. Jamie Smith's 17 points and Jason Gall-

agher's 13 points thwarted the Fab-Five's chances at a victory. The Fab-Five were led by the trio of Pat Owens, Chris Brennan and Derek O'Brien.

Congratulations to all the winners and to all who participated in making this a successful event. Special thanks to our officials, Greg Jackson, Dave Martell, Joe Fitz and Bobby D., for their help.

Aqua String Band Concert Held At Monument

THE AQUA STRING BAND, a Mummers band from Philadelphia, delighted children of all ages at a concert at the Bunker Hill Monument on June 13. The members of the band provided non-stop entertainment, allowing attendees to don the band's headpieces and to lead the band.

They even outfitted two young ladies in the complete Mummer's finery, including the feathered backpieces, and gave some instruction in the famous Mummer's strut. At the left is Elizabeth Awbrey, dressed for the Mummer's New

Year's Day Parade . . . In the center Francis "Captain" Kirk leads the Aqua String Band to the Monument . . . On the right Gayle Sweeney, gives a go at the Mummer's strut.

The Matthew J. "Matty" O'Neil Scholarship Committee is pleased to announce that Jodi Neff is the 1992 recipient of the \$1,000 scholarship award.

The daughter of Thomas and Patricia Neff of 20 Polk St., Neff will be attending St. Joseph's College in Maine this fall. Her younger sister Jacquelyn is a student at St. Francis Grammar School.

continually achieved honor roll recognition and ultimately ranked in the top 15 percent of her graduating class. Neff plans to study nursing with the intention of becoming a Registered Nurse.

Voke Says Plan Adds \$100K For New Police In Charlestown

The Massachusetts House has introduced a plan to bring new reforms to the state's auto insurance industry. In addition to premium savings for motorists, Rep. Richard Voke says Boston stands to get a \$100,000 grant for the hiring of new police officers in Charlestown.

"Our reform plan recognizes local police must have the resources to help limit auto insurance fraud and car theft. With this in mind, Charlestown will get additional officers whose primary responsibilities will be dedicated to our reform goal," stated Voke, who, as Majority Leader, has had a major role in crafting the particulars of the municipal police support plan.

Voke stresses the fraud package is as tough as any law in the land. "In addition to funding more police officers in cities with high auto theft and fraud rates, we will grant the Attorney General and every district attorney more money to prosecute fraud and theft cases on a full-time basis, change the statute to make it a felony for anyone convicted in attempting to de-

fraud an insurance company, suspend for five years the license of anyone convicted of auto theft and get tough on any doctors or lawyers who involve themselves in fraudulent claims," revealed Voke.

The reform plan aims at making a basic insurance policy less expensive by bringing Massachusetts in line with other states and by halting the costly abuse of the insurance system. In addition to being tough on illegal activities, the bill seeks to curb lawsuits and makes private health insurance the source of first recourse for those injured in an accident.

"There is sure to be a great deal of debate on this bill, as professional lobbies and insurance companies will try to limit the benefits we seek to deliver to motorists. While the debate goes on, though, I will be sure to maintain my advocacy for the 'average guy' and for our town by continuing to press for relief for the insured as well as more criminal justice professionals on the streets," concluded Voke.

★ **Bunker Hill Street . . .** A Charlestown man was shot and murdered on Bunker Hill Street on Sunday, June 28. George Sargent, 43, of 184 Bunker Hill St., was shot twice in the back outside Jopa's Pizza at the corner of Concord and Bunker Hill streets. According to police reports, the incident happened at 10:05 p.m. He was pronounced dead at Mass. General Hospital at 11:51 p.m.

Detective units from the Boston Police Department and the Suffolk County District Attorney's Office are continuing to investigate information obtained after the shooting. Residents with any information are asked to contact the Area A Detectives at 343-4248.

★ **New President At BHCC . . .** The Board of Trustees of Bunker Hill Community College announced on June 30 that Charles Stikes has been unanimously chosen as the new President of the college. He was selected from five finalists for the position.

Stikes, a native of Kentucky, now resides in Wisconsin. He currently serves as Dean of Liberal Arts and Sciences at the Milwaukee Area Technical College. He was previously employed as Assistant Chancellor of Student Affairs at the University of Wisconsin at Milwaukee; Vice President of Student Development at the State University of New York College at Old Westbury; Special Assistant to the President of Southern Illinois University; and he served in various administrative and faculty capacities at Rutgers University and Kent State.

Stikes has master's degrees in sociology/anthropology and rehabilitation counseling and a doctorate in organizational development and counseling from Kent State in Ohio.

No date has been announced as to when Stikes will take over the duties as President of BHCC.

★ **Post Office Closed For Holiday . . .** The U.S. Postal Service announces that post offices will be closed on Saturday, July 4 in observance of Independence Day.

Because most businesses will be closed on Friday, July 3, the Boston Post Office will operate as follows:

- There will be regular residential mail delivery.
- Mail deliver to businesses will also be made unless the business is closed.
- Mail collections will be made until 5 p.m., and customers can deposit mail at any post office.
- The General Mail Facility will also accept mail from businesses until 5 p.m.
- All window services, including those at the Charlestown Branch Post Office at One Thompson Square, will be open until noon.

★ **Charlestown Neighborhood Council Meetings . . .**

— The **Development Committee**, chaired by Tom Cunha, will conclude its series of public meetings to discuss the proposal by Whydah Pirate Complex Development and Management Inc. to construct a museum on Parcel 5 in the Yard's End section of the Charlestown Navy Yard with a meeting on Monday, July 6 at 7 p.m. at the K. of C.

Hall, 75 West School St.

According to Cunha, the agenda for this meeting will include community benefits, mitigation and the discussion of a proposed Memorandum of Understanding between the Whydah Pirate Complex, the Boston Redevelopment Authority and the CNC.

The monthly meeting of the CNC will be held on Tuesday, July 7 at 7 p.m. at the K. of C. Hall.

Among the items on the agenda will be the report on the findings of the Development Committee concerning the proposed Whydah Pirate Museum in the Charlestown Navy Yard and a vote by the full council on that report.

Residents and business persons are welcome to attend these open, public meetings.

★ **City Square . . .** The Boston Landmarks Commission voted on June 23 to designate the City Square Historical and Archaeological Site in City Square (Petition No. 129.87) a Boston Landmark under the provisions of Chapter 772 of the Acts of 1975 as amended.

The designation must now be approved by the Mayor, after which the City Council has 30 days during which it can override an approved designation by a two-thirds vote.

★ **Trapped In The Tower . . .** Tourists visiting the Bunker Hill Monument found themselves locked in the tower last Friday, June 26.

When the National Park Service Ranger locked the Monument door at 5 p.m., he thought the 221-foot obelisk was empty. What he didn't know was that a couple from Huntsville, Ala. were still at the top taking pictures and enjoying the panoramic views.

The couple descended the 294 granite steps in almost total darkness with only the occasional light from the Monument's few slit windows. When they reached the bottom, they found themselves in darkness behind an unyielding heavy metal door.

Visitors from Calif. and Texas, arriving at the Monument at 5:10 p.m., heard shouts coming from behind the metal door. They rang the fire alarm and found a telephone to alert the Park Service.

The whole ordeal took only 15 minutes before help came and released the captives from their "tourist trap!"

★ **City Square Billboard . . .** The CNC Billboard Committee met last week to listen to a proposal by Ackerley Communications to extend the lease on its billboard located on top of Roughan's Hall in City Square. Ken Stone chaired the meeting, and members present included Bob Wallace, Bill Galvin and Mel Stillman. Lou Nickinello, president of Ackerley, spoke on behalf of the company.

Nickinello asked the committee to approve an extension of the lease for the billboard for two more years, while construction continues in the City Square area. In exchange for this extension, he offered the community an increase in the summer job grant money for local youths from \$5,000 to \$7,000, providing seven jobs during the summer of 1993, and

removing the billboard on Chestnut Street by December 1992. He also stated that he would not return to the community again for another extension on the lease.

The general consensus of the residents and business people at the meeting was that the billboard should be removed when its present lease expires. Some expressed the opinion that money should go to community benefits rather than summer jobs, while others said that the billboard should be worth more in benefits, and others simply want the billboard removed.

The committee subsequently voted that the billboard should be taken down in December when the company's lease expires.

Since that meeting, Nickinello has made a modified proposal to Stone that the renewal of the billboard lease be for one year and the summer job grant be increased to \$10,000, providing 10 summer jobs.

The committee report will be considered by the full council at its July 7 meeting.

★ **Charlestown Street Reconstruction Update . . .** According to Ralph Cunningham, resident engineer with Bryant Associates, work on Chestnut Street last week included the adjustment of door steps, the installation of the concrete sidewalks and the replacement of existing signs.

The contractor, the John Mahoney Con-

struction Company, started the water main installation on Concord Street by tying into the main on Bunker Hill Street and laying new main up the hill toward Monument Square.

The contractor also finished off the sidewalks on Adams Street. New light bases were put in on Ellwood Street while the contractor was finishing the new drainage on Russell Street and excavating the road down to the sub-base for the street rebuilding.

A major effort last week was concentrated in the Old Rutherford Avenue-Washington Street area where curb and grading work was done and new utility castings installed. Pavement and cobblestones were stripped on Washington Street from Union Street to Rutherford Avenue. The gas company installed its new main on Devens Street and is currently working on Old Rutherford Avenue and Russell Street.

Residents who wish to discuss concerns or have complaints about the street contracts, can call Megan Mahoney at 696-8446. All calls will be recorded and forwarded to Community Liaison Peter Looney who meets with the resident engineer on a daily basis to handle community questions and concerns.

Residents with questions on the Mead Street Stairs contract, can call Cunningham at 242-3498.

PRAYER TO ST. JUDE

Most holy apostle, St. Jude, faithful servant and friend of Jesus, the Church honors and invokes you universally, as the patron of hopeless cases, of things most despaired of. Pray for me, I am so helpless and alone. Make use I implore you, of that particular privilege given to you to bring visible and speedy help where help is almost despaired of. Come to my assistance in this great need that I may receive the consolation and help of heaven in all my necessities, tribulations, and sufferings, particularly — (Here make your request) and that I may praise God with you and all the elect forever. I promise, O blessed St. Jude, to be ever mindful of this great favor, to always honor you as my special and powerful patron, and to gratefully encourage devotion to you. Amen. Thank you for prayers answered. K.C.

A Report On Sail Boston '92

by Kathy Giordano

Sail Boston '92 is expected to bring 3.5 million visitors to Boston between July 11 and July 16. Crowds are anticipated to be the heaviest during the weekend of July 11 and 12. The neighborhoods that will be mostly heavily impacted by the event include Charlestown, South Boston, East Boston and the North End/Waterfront.

While the excitement of the arrival of this vast fleet of Tall Ships tugs at the heart of the sea-lover and conjures up images of the adventurous and romantic life on the high seas, there are various aspects of this spectacular event that residents of this community need to be aware of as the city prepares for the enormous influx of visitors.

Passenger Automobile Restrictions

In order to maintain public safety and eliminate vehicular grid-lock on neighborhood streets, the Boston Transportation Department (BTD) has announced a contingency transportation plan that will close Boston's waterfront neighborhoods to private passenger automobiles. In Charlestown, these restrictions will be in place on Saturday, July 11 from 5:30 a.m. until approximately 7 p.m. and on Sunday, July 12 from 5:30

a.m. to approximately midnight. These restrictions will be lifted at midnight on July 12. Access into and out of Charlestown will not be limited on July 13 through July 16.

The transportation plan will stop all vehicles from entering Charlestown during these hours with only the following exceptions: tour buses, high occupancy vehicles (10 or more passengers), MBTA shuttle buses, public safety vehicles, credentialed Sail Boston and/or media vehicles and some delivery and commercial vehicles. Commercial vehicles, bearing proper commercial identification, will be allowed into Charlestown for time-sensitive deliveries only.

The BTD has offered no guarantee that residents, employers or employees outside Charlestown when the 5:30 a.m. blockade takes effect on July 11 and 12 will be allowed to enter the community. Although proper identification such as a driver's license or car registration showing a Charlestown address might gain the vehicle's entry, motorists must be advised that they will most likely be sitting in bumper-to-bumper traffic for over an hour on streets leading into Charlestown before they reach a police officer to re-

quest entry.

Public Transportation

The use of public transportation is strongly advised to anyone wishing to take advantage of the splendor of the visit by the Tall Ships, but this is especially important for residents, their guests, employers and employees trying to enter the community on July 11 and 12.

Increased bus service on Main and Bunker Hill streets will depart and return to Sullivan Square throughout the weekend. These bus routes, 92 and 93, will not take passengers downtown, but will transport them to Sullivan Square to make connections on the Orange Line. The 92 and 93 buses will make a "loop" through Charlestown that will include a bus stop at the Charlestown Navy Yard, one of the Boston Harbor viewing points for Sail Boston.

Vehicles Within The Community

Residential vehicles already within the boundaries of the neighborhood at 5:30 a.m. on July 11 and 12 will have complete access within the community with the exception of the Charlestown Navy Yard. Residents with vehicles wishing to leave the neighborhood will have to exit through a designated "checkpoint"

and receive a pass authorizing them to gain re-entry. The pass will have to be produced as the resident re-enters the community.

Parking Regulations

Parking regulations within Charlestown will be strictly enforced. Cars parked in violation of the city's public safety regulations, such as double parked, parked too close to a hydrant, on crosswalks, etc., will be towed. Owners of these vehicles will be charged for the price of the parking violation plus a towing fee.

Street Cleaning

Street cleaning regulations during the July 11 to 16 period will be suspended to permit residents the maximum number of available parking spaces.

Public Safety

All of Boston's public safety departments will be fully staffed throughout the festivities. Outside emergency units will be brought in to cover Sail Boston events so that the public safety capacity in the neighborhoods will not be diminished.

The Health and Hospitals Department ambulance stationed at Sullivan Square will be available during its already established hours of operation. In addition, medical units, including

ambulances, will be stationed at the Charlestown Navy Yard and will respond within the community in the event of an emergency.

Charlestown fire stations at Sullivan Square and Winthrop Street will be fully equipped and staffed during the July 11-12 weekend. Police coverage will be on a routine weekend schedule with addition police visibility in the community, especially noticeable at the Charlestown Navy Yard.

Exiting And Entering The Community

The Charlestown "checkpoints" where vehicles will be allowed to exit or enter the community will be located at: City Square, Sullivan Square (at The Schrafft Center) and on Rutherford Avenue at Austin Street (the Gilmore Bridge). No traffic will be allowed to enter or exit the Tobin Bridge in Charlestown during the blockade.

Navy Yard Residents

A separate pass will be distributed to residents of the Charlestown Navy Yard who wish to drive out of that area. The pass would have to be produced to gain re-entry into the Yard. All other private vehicles, including those belonging to Charlestown residents, will not be allowed to drive into the Navy Yard.

Streets Closed To Traffic

Streets that will be closed to traffic to prevent outside vehicles from entering the community are all located off New Rutherford Avenue. They are: Mishawum Street (across from the Sullivan Square fire station), Baldwin, Essex and West School streets, Old Rutherford Avenue and City Square.

Traffic outside the Charlestown boundaries will be allowed to use New Rutherford Avenue, the North Washington Street Bridge and the streets round the rotary in Sullivan Square.

Survival Suggestions

- Residents who expect company on July 11 and 12 should inform them of the vehicle blockade and urge them to use public transportation.
- Elderly/shut-ins who usually have a family member or friend come from outside the community to do their errands on the weekend should make other arrangements, such as having them come on Thursday or Friday evening to do the needed shopping.
- Residents returning from vacation on that weekend should plan to leave their vacation spot later in the day or stop for something to eat on their way home

Birmingham Secures Senate Funding For Korean War Memorial

Sen. Thomas F. Birmingham successfully added an amendment to the FY93 Senate Budget which mandates the Commonwealth of Massachusetts to provide matching funds, not to exceed \$175,000, for the construction of a Korean War Memorial to be located in Shipyard Park at the Charlestown Navy Yard. The state matching funds will supplement the fund-raising efforts of the Korean War Memorial Committee of Massachusetts Inc.

Birmingham stated: "As we approach the 45th anniversary of the Korean conflict, it is only fitting that a suitable memorial be

erected and dedicated to the brave individuals from Massachusetts who served our state and country so proudly in a then little-known country called Korea. Occurring between World War II and the Vietnam War, the Korean conflict is often referred to as 'The Forgotten War.' It is important that we as citizens always remember and appreciate the sacrifices of those U.S. servicemen and servicewomen who struggled to preserve democracy in Korea. I am pleased to assist the Korean War Memorial Committee in making their long-standing dream a reality.

"This monument is something that the Charlestown community can take great pride in. It is an excellent addition to the fitting tribute given our Korean War veterans during this year's Bunker Hill Day Parade, and I would like to congratulate Jim Conway and the other members of the Korean War Veterans Committee for all their efforts in bringing this project to fruition," concluded Birmingham.

It is expected that the memorial will be dedicated on June 25, 1993.

A Job Well Done!

To The Editor:

At a time when it seems that the only acknowledgement this town receives is when it is for negative reports, I wish to acknowledge the "Townies" who participated as the Disney characters, celebrating the Bunker Hill Day festivities.

The first showing was a job well done at the Doherty Playground when several hundred youngsters gathered and were entertained by the characters.

The second time, which is probably unknown to many people, is when they went to the Shriner's Burns Institute and made numerous children who are fighting a tough battle smile and forget about their problems for a while.

The last, and certainly not least, was the march through the streets of Charlestown on Bunker Hill Day, which we all remember to be a very hot and muggy day, especially to those wearing costumes as heavy as these great people wore!

The following should be commended for a job well done, and a fine example of good people in Charlestown doing good things: Bill Griffin, Steve Owens, Gary and Paul Justice, Tim and Eric Gould, Kevin McMaster, Bob Sullivan Jr., Shawn Gordon, Tom Flynn, Joe Freeman, Wally Southern, Steve Buckley and Eddie Coleman.

Thanks to all of you for "A Job Well Done!!!"

Whydah Museum Developers Outline Landscaping Plans

(continued from page one)

With the aid of a slide show, Schwarz described a landscaping scheme for the three acres of open space that would surround the facility. He stated that his firm, David M. Schwarz Architectural Services, P.C., had as its first goal to respond to the guidelines set down in the Navy Yard Master Plan. To achieve this goal, the firm examined existing landscaping schemes elsewhere in the Navy Yard and along the Boston Harborwalk.

According to Schwarz, plantings would be accompanied by nautical flags, brick and stone walkways and a wooden boardwalk. The boardwalk would house pushcarts, benches, and tables and chairs, bordered by a double row of street trees. Shrubs and varying grasses would compliment the groundcover. Ballards with connecting chains would line the boardwalk at the water's edge.

Schwarz outlined the types of plantings that are being considered for use at the waterfront site. They include:

Street trees - Norway Maple, Honeylocust, London Planetree "Liberty," Japanese Scholar tree and Silver Linden.

Evergreen trees - American Holly, Chinese Juniper, Austrian Pine, Japanese Black Pine and Arborvitae.

Small flowering trees - Lavalie Hawthorn, Russian Olive and Crab Apple.

Shrubs - Bearberry, Rockspray Cotoneaster, Heath, Inkberry, Bar Har-

bor Juniper, Honeysuckle, Bayberry, Sumac, Lilac and Arrowwood.

Grasses - Blue Wild Rye, Deer Tongue, Ribbon and Spodiopogon.

Perennials - Yarrow, Spikenard, Thrift, Astilbe, Bugbane, Daylily, Purple Loosestrife, Beebalm, Catmint, Poppy and Sedum.

Schwarz explained that the site is open to the harbor, making it necessary for the plantings to be salt-tolerant. Plantings would be subject to easterly winter winds and realize predominantly afternoon shade. He also stated that plants will be placed on a structured pier with approximately 3- to 3½-feet of soil.

In response to questions from committee members and community residents, Schwarz made the following statements:

- The garden created by WPC and surrounding Harborwalk would be open to the public 24 hours a day, 365 days a year.

- Adequate lighting would compliment existing lighting in the Navy Yard. It would include overhead and ground light fixtures.

- Oak trees would be considered for planting because of the historical connection to the construction of the Whydah ship.

- The WPC restaurant would be accessible to the public not visiting the museum.

- Benches, chairs and tables would be permanent fixtures on the pier/Harborwalk, usable by pedestrians when the museum is not open.

- Plantings would include

"four season" blooming plants and trees so that it would display a pleasing atmosphere 12 months of the year.

- The landscaping scheme would be finalized at the tentative designation presentation before the BRA Board, possibly in mid-July.

Cunha asked Schwarz to consider utilizing the expertise of the members of the Charlestown Community Gardens in maintaining the landscaping at the WPC. Betts replied that it could be discussed as part of the community benefits package.

The remaining portion of the meeting was set aside to address questions raised at the previous WPC meeting on traffic and parking schemes.

Natale presented a packet that contained answers to concerns raised at that meeting, including graphics and maps backing up the consultant's findings. He explained that the document did not "rehash" the numbers used in studies for the New England Aquarium originally proposed for that site, but said that they "re-searched to come up with our own numbers specific to the WPC."

Natale said that 85 percent of the traffic generated by WPC visitors would travel through City Square with 15 percent going on neighborhood streets to reach the facility. Gate 5 and the new Gate 6 at the end of the Yard would be used to access the museum.

Parking in Building 199 and the use of a BRA parking lot at the Little Mystic

Channel would accommodate all of the parking needs for the facility, he stated.

The establishment of the Haul Road, the Medford Street bypass road, was agreed to be a crucial component to the success of a viable traffic plan for the build-out of the Navy Yard. WPC addressed the Haul Road in the traffic packet, stating: "The Whydah principals will work with the Charlestown community and the BRA to secure a commitment from the state for the funding of the project."

Barrett, in a letter dated June 26, 1992 to Richard Taylor, secretary of the Executive Office of Transportation and Construction, requested the state to assume the cost of constructing the roadway. The letter stated:

"The requested funding is not only an investment in the regional transportation network serving Eastern Massachusetts, Metropolitan Boston and Charlestown, but also an investment in a Commonwealth of Massachusetts Designated Port Area (DPA) and a Boston Maritime Economy Reserve (MER) Zone."

Barrett outlined the economic benefits derived from the Whydah Complex as being sufficient to reimburse the state's initial cost to construct the road.

Other concerns raised included a structured fee system for WPC visitors in Building 199 that would make the cost of parking less expensive, thus eliminating vehicles from parking on residential streets. Betts stated that this item

would be addressed in the community benefits package.

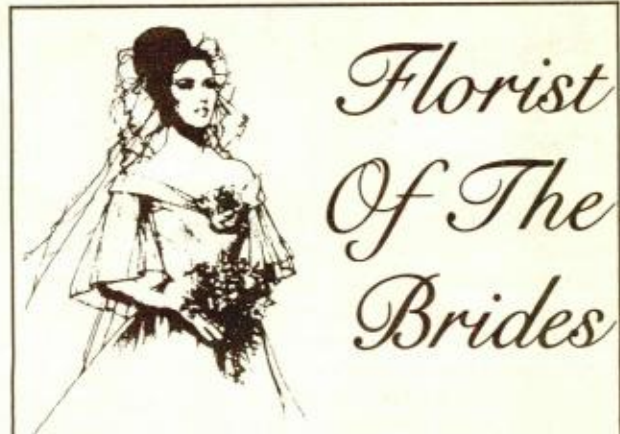

The WPC principals agreed to bring a comparison of fees charged at other museums and attractions similar to the proposed pirate museum to the next meeting after National Park Service (NPS) Curator Peter Steele asked for such a comparison. Steele stated: "Fees may be relevant to the future success of it (WPC)."

Roche called Steele "very starchy," adding, "you need a good kick in the pants!" Roche asked: "Why are you (NPS) not working together with the Whydah people?" Bernstein replied: "We met today with (NPS) representatives from Philadelphia who had

a different tone" from Steele.

The next committee meeting will be held at 7 p.m. on Monday, July 6 at the K. of C. Hall, 75 West School St. Community benefits, mitigation and a Memorandum of Understanding (MOU) between the WPC, the BRA and the Neighborhood Council will be discussed.

Cunha stated that the Development Committee will vote on the WPC proposal at this meeting and report the vote to the council at its monthly meeting on July 7. He stated that it was the desire of the committee to have the results of the council vote forwarded to the BRA Board in time for its July hearing on the WPC proposal.

Farmers' Market Opens For Season On Thursday, July 9

For the second year, the Kennedy Center will be sponsoring the City Farmstand, from July through October in the schoolyard of the Old Kent School at

Hayes Square.

The market will open on Thursday, July 9 from 8 a.m. to noon, and will continue every Thursday morning through October — rain

or shine.

The Farmers' Market is a cooperative effort with neighborhood-based organizations and local farmers to provide access to fresh pro-

duce at below-market cost to neighborhoods in Boston. Food Stamps, cash and Farmers' Market coupons are accepted as payment.

An important component of the Farmstand is the coupon program, a federal program that provides free vouchers, or coupons, to mothers with children (WIC recipients) and elders. Please contact the Bunker Hill Health Center if you are already receiving WIC or believe you are eligible for coupons. Only 46 percent of the Farmers' market coupons distributed last season were redeemed. This means that over 50 percent of the free vouchers were never used.

Residents are advised to come to the stand early each Thursday for the best selection.

For further information, call the Kennedy Center at 241-8866.

Annual Bunker Hill Day Road Race

THE 24th RUNNING of the Battle of Bunker Hill 8K Road Race took place on June 14. Nearly 600 runners registered for the event, which is sponsored by The Raymond Group and benefits the Charlestown Boys & Girls Club.

TOP ROW: At the left is Maureen Kelly-Donahue, manager of Constitution Quarters with Chris Carter, the first place male Charlestown resident finisher. . . In the center

is Molly Tyson, the first place female Charlestown resident finisher with Kelly-Donahue on the left and Ted Raymond, chairman of The Raymond Group on the right. . . On the right is Jennifer Fiata, first place female Boys & Girls Club member finisher, being congratulated by Raymond.

BOTTOM ROW: At the left is John Kelly, first place male

Boys & Girls Club member finisher and Raymond. . . In the center are representatives of Marathon Tours & Travel, winner of the 1992 Charlestown Merchants Challenge. Shown (l. to r.) Carter, Tyson, Thom Gilligan, Scott Whitley and Raymond. . . On the right is first place male finisher David Washburn receiving his prize from Raymond.

On June 14, the 24th running of the Battle of Bunker Hill Road Race was held. Each year the number of runners participating has grown and this year was no different with nearly 600 registered runners in the 8K and nearly 100 registered runners in the two-mile Novice Race.

Particularly exciting is the increasing number of Charlestown residents running. This year there were 137 local runners in the 8K, which is more than double the number from four years ago. Also of note is the fact that there were runners from 14 different states running the streets of Charlestown this year, including representatives from as far away as Texas, Ore., Ill. and Okla.

The day began in a very special way as Pauline Benoit Davis, who had run this race for so many years, acted as the honorary starter for the two-mile Novice Race. Just over 90 runners, most of whom were young members of the Boys & Girls Club, bolted from the starting line in the Navy Yard, many of whom quickly found out that two miles can be a long way when you're running the hills of Charlestown. Because of Pauline's involvement in this race for so many years, this year's race committee decided to permanently name the first-place female trophy the Pauline Benoit Davis Award, and it was an exciting moment for everyone when Pauline's niece, Lynn Anthony, crossed the line first.

The 8K race again attracted some of the top runners from the Boston area and this year's top male was from Houston, Texas running the course in a record 25 minutes flat. The top female was Charlestown's own Molly Tyson who just nipped Kara Molloy of Westford at the tape by three seconds, finishing in 32:08. Molly was also running for Marathon Tours who captured this year's Merchant's Challenge Cup just nipping McCarthy's Liquors by one minute and 53 seconds.

Other Charlestown runners of note were Kay McDonald who finished second in the Female Masters Division, Sarah Hatch-Wright, third in the Female (ages 18-39) Group. Top Boys & Girls Club finishers were Jennifer Fiata and John Kelly.

All proceeds from the road race are to benefit the Charlestown Boys & Girls Club and the programs they offer the young people of Charlestown. It is only with the help of a lot of people that this race is possible, and the Boys & Girls Clubs biggest thanks go out to Constitution Quarters and the Raymond Group for again sponsoring the race this year. Even during some very difficult times, they have found a way to continue contributing to this community. Thanks are in order for the many businesses and organizations that made contributions to this year's race including Hood's, McCarthy Liquors, Knights of Columbus, Bun-

ker Hill Health Center, Mike Tognarelli and Daniel Thomas King of Plasti-Graphics.

The committee thanks the volunteers who held arrows, handed out water, comforted finishers and helped at registration. Thanks also to everyone who lined the street giving support and spraying water. It is this kind of community support that runners comment on most frequently and that make the Battle of Bunker Hill Road Race so unique.

TOWNIE SPORTS LINE

Action Set To Get Underway In The Eastern Football League

The 1992 season of the Eastern Football League will get underway the weekend of July 10 and 11 with the Charlestown Townies meeting Medway on Saturday, July 11 in a 3:30 p.m. game at Brighton.

Established in 1961, the EFL has added a new franchise this year, the Maine

L/A Warriors. Another change is the move by last year's Worcester Tigers to Medway. The Marlboro Shamrocks are the defending champions going into this season. They finished the regular season last year with a 9-1 record.

In its preseason comments on member teams,

the EFL notes that the Charlestown Townies are a "rebuilding team" this year. The team is being coached by Jack Green, a former Hyde Park Cowboys coach and presently the coach at Charlestown High School. The Townies finished seventh last year with a 2-8 record. The EFL notes that

"with some new talent, the Townies could be respectable" this year.

The EFL did single out Townie player Jeff McCarthy as being outstanding in all offensive categories.

The second game of the season for the Townies will be at 8 p.m. on Friday, July 17 at Methuen.

Youngsters are urged to take advantage of the great opportunity that is being offered. It promises to be a great time.

A Report On Sail Boston '92

(continued from page 12) so they arrive in Charlestown late in the day (after 7 p.m. on Saturday, midnight on Sunday). Nothing could be worse than sitting in traffic with the kids on the way home from a week of fun and sun.

- Employers should advise employees to take public transportation. Their vehicles will not be allowed to enter Charlestown after 5:30 a.m. on July 11 and 12.

- Businesses should be aware that their customers from outside the community will not be allowed to enter Charlestown by private automobiles.

- There are weddings taking place in Charlestown that weekend. Guests will be allowed to enter the community if they display their wedding invitation, but they should be advised that they will be waiting in traffic before they get to a police officer to show that invitation and thus must allow extra time to get to the church or reception.

- Funeral services or wakes might occur July 11 and 12. Family members and friends should call the par-

ticular funeral home for further information.

SAINT JUDE'S NOVENA

May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world now and forever. Sacred Heart of Jesus, pray for us. St. Jude, worker of miracles, pray for us. St. Jude, help of the hopeless, pray for us. Say this prayer nine times a day and by the eighth day, your prayer will be answered. It has never been known to fail. Publication must be promised. Thank you, Saint Jude for favors granted.

My Sincere Gratitude

Dear Editor:

I wish to express my sincere gratitude to the citizens who came to the Community Gardens to congratulate us on the float that Gardens for Charlestown entered in this year's Bunker Hill Day Parade. My deep appreciation is extended to Mel Stillman and Jack Murray of Local 25 for the use of the trailer and driver; to Shaughnessy & Ahern for the flatbed; and to Richi and Aaron of Filene's Visual Department.

I would like to thank the Boys & Girls Club for its public address system, the use of their art rooms for our posters and help from the children who made paper flowers for us. Our bumble bee farmer and the two dancing flowers on the float were also Boys & Girls Club members.

I wish to acknowledge the following people for their hard work and contributions on the float: Diane Spenser, Danny Lane, Danny Field, Cathy Burke, Nancy Longo, Lee MacDonald, Betsy Gynn, Erik Anderson, Jim Hall, Diane and Armida Armstrong, Chris Downing, Guest Perry, Linda Turner, Paul (Maxie) McNamara, John Wrenn and Rob Borden.

To Courtney Wrenn and John Wrenn Jr., who threw candy to the children and also help decorate the float, and to Megan and Cassie Borden, our little flower pixies on the float — you kids did a great job!

Hopefully, floats by other organizations will appear in next year's parade. Rumor has it that others are already making plans!

Our Thanks

To the Patriot Staff:

The family, friends and business associates of Joel Claydon would like to thank the staff of the "Patriot" for their kindness in printing the article on Joel's death in last week's edition.

Joel enjoyed his association with the people of Charlestown for many years and loved the historic nature of the community. The Staff of Gibson Real Estate would like to thank the many people who took their time to express their condolences to us at this difficult time.

Sincerely,
The Gibson Real Estate Staff

Deed Of Honesty Commendable

Dear Editor:

I write this letter to you to commend one of our community's citizens, a young lady by the name of Anne Connolly of Mystic Street.

On Monday morning, the 22nd of June, she picked up my wallet outside my apartment and promptly mailed it to me. Needless to say, this deed of honesty is highly commendable in this day and age we live in, and is a shining example of the kind of characteristics we would like to instill in future generations.

I would hereby personally like to convey my sincerest gratitude to Miss Connolly. It is people like you that give me hope in humankind.

Since moving into Charlestown in November of 1990, this is the kind of person that I have found synonymous with Charlestown, and makes me proud to live here.

Sincerely,
Johan Buys

Thank You For Your Cooperation

To The Charlestown Neighborhood Council:

On behalf of the International Longshoremen's Association, AFL-CIO from the Port of Boston, I want to thank the officers and members of the Charlestown Neighborhood Council for your help and cooperation in obtaining the recent contract with the Massachusetts Water Resources Authority.

I want to offer posthumous congratulations to Dennis McLaughlin, the late chairman of the CNC. It was because of his outstanding leadership, along with the cooperation of the ILA officers, that an amicable settlement was reached.

The ILA looks forward to working with you in any future endeavors. Please feel free to contact us for any assistance you may need.

Sincerely,
John Bowers, president

Thanks To The Disney Troupe

Dear Stephen (Owens) and all the other members of the infamous Disney Troupe:

Thank you so very much for your special visit with our children here at the hospital. Our patients were so excited that they have done nothing but talk about all the characters and what a great time they had during the visit on June 13. It certainly was wonderful for us to be able to experience the warmth, enthusiasm and caring that you shared with all of us.

Thank you all again for your thoughtfulness and for making our patients and their parents so happy.

Thanks From A Grateful Parent

Dear CYO T-Ball Board of Directors,

Gene Lawrence, president
Jimbo Tucker, treasurer
Susan Miller, secretary:

You all should be highly commended for the wonderful job you all did putting the CYO T-Ball teams together and the time and effort you all put into everything. Also we must not forget our coaches for the confidence and support they gave our children. They taught them that winning was not important.

Sometimes parents forget that it is our good leaders and coaches that make our CYO T-Ball such a great success.

Enough cannot be said about the cookout — it was wonderful and it made everything complete.

Many thanks from a very grateful parent.

sachusetts Girls State is sponsored by the American Legion Auxiliary and through them and on the recommendation of Bill Galvin of Bunker Hill Post 26, The American Legion and the financial support of the post, I was able to attend.

This event is intended to teach girls who are completing their junior year in high school how our form of government works through the actual campaign and election system. From the approximately 380 girls in attendance, two parties are formed, the National and the Federal. The girls are then divided and housed by "cities and towns" giving us the chance to meet and live with different people with different views.

As a resident of the "Town of Freedom," I was elected Senator, a delegate to the National Party and a member of Freedom's School Committee. In these positions, I was able to debate, draft and ultimately pass bills that were important to me and to my town.

It was a week filled with campaigning, debating and hard work, but the nights were spent making new friends and exchanging ideas.

I would like to publicly thank Bunker Hill Post for giving me the unique opportunity to learn not only about government and politics, but about myself. I believe I have come back from Girls State with a better understanding of our political privileges and for this I wish to thank them.

Sincerely,
Mary I. Hardiman

Mishawum Looks Cleaner

Dear Gloria:

I wish to thank all those who took part in the Mishawum Park Cleanup last Saturday, June 27. Participants included: Betty Ezekiel, Kristen Scales, Renee Stillman, Maureen Stillman, Ryan Stillman, Lauren Mansfield, Kellie Walsh, Jason Morris, Ryan Getchett, Michael Shackford, Seamus Houlihan, Arthur Cameron, Lori O'Neill, Ryan Godfrey, Marie Thompson, Kathleen Thompson, Fran Wallace, Richie Grace, Brendan Houlihan, Briana O'Neill, Helen O'Neill, Malarie Doherty and Jason Duncan.

I would also like to extend special thanks to Massport's Dorothy Steele, Mayor's Office of Neighborhood Services' Judy Evers, Charlestown Neighborhood Council members Bob Wallace and Peter Looney and Public Works Department Crew Assistant Superintendent Ralph Reilly, Paul Dooly, Tom Donahue and Donna Haskin.

We could not have gotten the job done without the equipment supplied by the DPW crew. The hard work was rewarded by each volunteer receiving a T-shirt, compliments of Massport.

Mishawum Park looks a lot cleaner, thanks to these good people who the time to help out. For this, I thank each and every one of you.

With Unity Comes Pride

Dear Fellow Townies,

I'm just a little aggravated and fed up with this "Top of the Hill" . . . "Bottom of the hill" attitude. After attending the meeting at the K. of C. about the consolidation of St. Catherine and St. Francis schools to one, I left with the feeling I use to have 16 years ago when Judge Garrity pushed forced busing on our town, "people against people." But don't you people feel stupid — no one is forcing anyone to go to either school. If you want to send your child to either school, it's your choice whether it be St. Catherine or St. Francis. No one is forcing you to go — so why pit family against family, friends against friends. This is one town, one square mile long.

All of our children play hockey, together;
All of our children play T-ball and baseball, together;
All of our children belong to the Boys & Girls Club;
All of our children go to the same parks and libraries;
so what is the problem with all of our children going to the same school together, whether it be St. Catherine or St. Francis. With the attitude that the people in this town have, we should be lucky if Catholic education stays in this town. Would you people prefer no Catholic school?

My neighbors from the "bottom of the hill" mean just as much to me as my friends and relatives from the "top of the hill." When my children are ready for kindergarten, I will send them to either school, St. Catherine or St. Francis, because what I plan to teach my kids is that we are one town, one community, and no one is better than them, whether they live "up the hill" or "down."

As long as we have unity in the town, we should be proud to call ourselves "Townies." Once the unity is gone, we are just like every other town.

Thank you for your time.
Lisa McGoff Collins

'Up With People' To Present July 4th Concert At The Navy Yard

Get ready to celebrate, Charlestown! Up with People will be back at the Charlestown Navy Yard with its all-new show, "Rhythm of the World," on Pier 1 in front of the USS Constitution on Saturday, July 4 at 7 p.m.

The two-hour musical extravaganza is sponsored by H.P. Hood and benefits the Greater Boston Food Bank. While admission is free, please bring cans of food to help feed the hungry. Walk to the yard for no parking or traffic hassles, and enjoy a show for the whole family.

The Up with People show celebrates today's diversity of cultures and ideas, and is driven by the sights and sounds of current

international music. Composed by 15 writers from six countries, the show takes the audience on an unforgettable journey around the world.

Experience the magical voyage with an international cast of 120. You may find yourself dancing with gypsies, singing on the streets of London, or bopping to the hits of yesteryear. At an Up with People show — expect the unexpected! The musical performance dazzles with a striking new set, costuming and lighting, and applauds over 25 years of entertaining millions across the globe.

But there's more to Up with People than great entertainment. The aim of the

program is to encourage understanding among people of all nations, and to equip the participants with leadership qualities they can use throughout their lives.

Each year, more than 650 young people representing over 20 countries spend 11 months traveling to many localities, learning from the places they visit and the

people they meet. Since Up with People's beginning, more than 12,000 students from 60 countries have been a part of bringing the world closer through this unique program.

So bring your lawn chair or a blanket to the Navy Yard on Saturday, July 4 and enjoy the music of the world here in Charlestown, beginning at 7 p.m.
