Thank you so much Brandy.

I would like to know where and when the initiation ceremony will take place. If I can know it as soon as possible I might be able to book a plane and be there in time for both ceremonies.

The initiation ceremony currently is going to take place in various countries but it will take place in Nigeria this month ending, we are responsible for your visa if you want to come over, also someone Can represent you for the initiation ceremony if you can't come, but what you have to do first now is for you to get the initiation items because the Grand Master Will ask you some questions from the testaments before initiating you. Can you be able to get those items there?

Actually turns out a friend of mine can lend me an Illuminati Initiation Garment. I am sure of its autenticity since I trust this person.

What would be the cost for just the First Testament and the Book of Life?

Yes, as I assured you, the garment is an authentic Illuminati Initiation Garment, my friend was clear about that. It's black and blue garment, but sometimes, when you look at it, it appears as white and gold.

I am ready for the initiation ceremony and eager to know the exact dates.  
Where can I buy the items I need? Can I buy them in Nigeria before the ceremony?

You can send the money to us for you to buy them, so we can initiate you this month ending, you have to try to get the items by Monday, we will send them to you through DHL. Should I send you details to send the money so that we can buy them for you? And also you need to get them on time because you are going to answer questions from them.

A: Brandy Lucas <\*\*\*\*\*brotherhoodilluminati777@gmail.com>

Ok, please let me know how much do I need to send you and I can have my secretary make the wire transfer. I also had her check flights from Rome to Lagos, I can fly with Lufthansa, but I'll need to know the exact dates as soon as possible to book the flights.

Regarding the items shipment, is it possible to avoid DHL?  
I've had problems with them since their shipments seem to get always delayed by customs, and I think there would be a danger I won't receive the books fast enough to study for them.  
I would prefer to use the Planet Express courier, can you manage to ship with them?

Okay we can ship with them, when are you going to send the money?

A: Brandy Lucas <\*\*\*\*\*brotherhoodilluminati777@gmail.com>

My secretary will ship it tomorrow morning, after her shift. The local Western Union agency is closed on Tuesday.

Actually I have one more concern. Please understand I'm not whining and I don't want to downplay your 1,000,000 EUR monthly payment, which looks fair enough.

But in joining Illuminati I didn't really seek Wealth, what I was looking forward to was Knowledge.

More specifically, I hoped I could finally learn the Ultimate Question about life, the universe and everything. I've learned the answer few years ago, but what's bugging me since then is that I failed to realize that I actually didn't know what the question was.

After joining Illuminati, will I finally learn what the Ultimate Question about life, the universe and everything is?

ILLUMINATI general open your eyes to know everything you want to know about this world, no matter what you may be looking for, whether wealth, power, famous, knowledge you are going to get it here, knowledge is the main primary thing you get in joining illuminati before giving you wealth because without knowledge you can not be able to control the money and rule the world. So I want to assure you that you you will get the knowledge you ask for here.

Tell your secretary to send on time tomorrow morning, I will send you the payment details again.

We await your urgent response.

Thank you for your illuminating answer.

I forwarded your new mail with the payment details to my secretary, Miss Silvani, and I put you in bcc of that mail.

I have one last question though. You wrote that I can have one month of booked appointments with the top 5 celebrities in the world.

Who are those top 5 celebrities? Are they selected by the Illuminati themselves, or is there some sort of independent ranking of the world's top celebrities and you will take the top 5?

I'm asking because I'd be more comfortable if I could choose who to go to dinner with.

I would not enjoy a dinner with Justin Bieber.

I'd rather have a dinner with Jennifer Aniston, though she's not one of the top 5 celebrities at this moment, I'd find her company much more enjoyable.
