About Alphacon . . .

ALPHAACON-2017 is a national conference organized and hosted by Al-Ameen College of Pharmacy, Bengaluru. The main objective of the conference is to provide a platform for pharmacy professionals to overcome their challenges, interact and exchange current information in the field of pharmaceutical sciences.

The affliction of emerging health disorders and increasing drug failure at an alarming rate stimulates the demand for drug discovery and development. As research is integrating various disciplines, this conference mainly aims to bring experts from various pharma sectors to help the academicians, researchers and young scientists to upgrade to the rapid changing advancements in the field of research and development.

About Al-Ameen College of Pharmacy . . .

Al-Ameen College of Pharmacy was established under the aegis of the Al-Ameen Educational Society in the year 1982, since then the college has been a nurturing ground for pharmacy professionals. In recognition of the excellence of its educational standards, Al-Ameen College of Pharmacy has been accredited for 5 years by the National Board of Accreditation (NBA) and AICTE. In keeping with its objective of providing the best possible pharmacy education, the college constantly strives to maintain a strong infrastructure with modern labs, instruments, equipments and other amenities comprising of highly knowledgeable faculty most of whom hold doctorates and facilities that enable students to gain a contemporary education. Continuous interaction with industry is maintained to ensure that the learning program remains relevant to the changing trends in the field of pharmacy.

The college is constantly seeking to upgrade the quality of its education and actively participates in research to remain on the cutting edge. The college holds several collaborations with foreign universities and many more are also being planned with this objective. Plans are also afoot to establish pilot manufacturing and testing units to enable students to gain an even more hands-on education. The college through continuous up-gradation is endeavoring to become a 'Continuous Education Center', where new knowledge pertaining to the pharma field is generated on a regular basis.

Chairperson's Message

Dear Professional Colleagues and Students,

It gives me immense pleasure to invite you all for the National Conference of Al-Ameen College of Pharmacy, ALPHACON-2017.

*Today the profession of Pharmacy is at the crossroads of a very vibrant and dynamic healthcare environment. As a result, pharmacy professionals need to be more proactive and take up challenges to move forward. ALPHACON aims to provide such a platform for exchange of ideas, discover novel opportunities, reacquaint with colleagues and broaden our knowledge among the fraternity. We are privileged to have the guidance of the great visionary and dynamic leader **Dr. Muntaz Ahmad Khan** - Founder, Al-Ameen Movement & Chairman, Al-Ameen Educational Society as our Chief Patron and **Janab Subhan Shariff** - Hon. Secretary, Al-Ameen Educational Society as our Patron. I am extremely pleased to preside over ALPHACON-2017 scheduled to be held on 9th, 10th & 11th February 2017 at Al-Ameen College of Pharmacy, Bengaluru which is one of the premiere institutions of Pharmacy Education and has been ranked 13th all over India for the year 2016 by Ministry of Human Resources Development (MHRD), Government of India.*

This conference will focus on the challenges faced by the pharmaceutical researchers to ensure 'Quality Pharmaceuticals and Patient Welfare' accomplishing the dream "Pharma Vision 2020" by our former President of India, Dr. A.P.J. Abdul Kalam.

Looking forward to meet you all at ALPHACON-2017. . .

*Dr. Shobha Rani R. Hiremath
Principal, Al-Ameen College of Pharmacy
