Re: Verification of the PLU Rewards Pool and PLU Development Fund

Haggards Crowther has been provided with access to Plutus' proprietary transaction data for the period for the period 1 July 2023 to 30 September 2023, and has verified the total number of PLU that has been awarded to Plutus card holders.

In addition, Haggards Crowther will also oversee the total number of PLU that would be transferred out of the Pluton Rewards Pool to the Plutus Development Fund in line with the Pluton Liquidity Injection Programme.

Moving forward, we understand that Plutus plans to automate its rewards approval and withdrawal process, and Haggards Crowther has been appointed to regularly check the number of PLU being withdrawn from the Pluton Rewards Pool.

Yours faithfully,

Haggards Crowther LLP
