## Chapter One

### Purpose Discovery

#### Isaiah 46:10

*I have made known the end from the beginning, from ancient times, what is still to come. I say: my purpose will stand, and I will do all that I please.*

Your Purpose in God is the *principle, intention, aim, objective, goal, target, or drive behind the mind of God Almighty*, before He formed you into your mother's womb. It is the original intention of the creator over His creature. It is the original motive behind the mind of God for your life. It is the power of God identifying your usefulness to your generation.

The starting spot of your Purpose is the unsolved problems and the unanswered question dwelling in your generation. God created all creatures in this world to solve a specific problem or answer a specific question. Your wall clock solves the problem of time. Your phone solves the problem of communication. God created you to solve a particular problem in your generation.

Your purpose is required for *invention, creativity, improvement, adjustment, and experience* of hope through the Lifestyle of God. The idea of your purpose is what will empower you for the success and fulfillment. Without that idea, life becomes empty, destiny becomes worthless, and these will be no plan and Life for existence.

Your purpose is the beauty, and the strength of your life. Purpose defines everything and everything carries purpose. Purpose defines God's Glory, greatness, plan, and promises. In other words, you and God cannot operate without purpose. Purpose is the influence behind God's Ruler-ship, and Authority over your life. The necessity of your purpose is the end - expectation in the Heart of God Almighty towards your existence.

The benefit of your purpose is meant to help you to be focus in life, and in destiny. This helps you to walk on the right path God have destined for your life.

Your purpose is not a stage; this is a journey from problems to solutions, and a journey from questions to answers. This journey is of different phases that can only be express through your ideas, creativity, skills, and attitude. Your Purpose in God is the end expectation of God creation over your life. This is the foresight of God into your destiny.

The focus of your God's given Purpose is the Solutions, and Answer your generation needs. This is the ability of you meeting the needs of your generation through God's Word. For this to become an experience in your life and in your generation, your talent, skills, ideas and creativity must become the platform for your Gods given purpose.

Your divine Purpose exists in the heart of God, it can only be revealing through the word of God by Faith. As you keep, hearing or studying the God, faith is form in your heart. This helps you to have access into the heart of God.

The entity of your purpose is YOU (*Talent & God's plan*). You are the entity of your purpose. Even thou God empower you for the fulfillment of your purpose, you are the platform where God's plan will manifest physically. This is where the power that works in you (*talent, skills, ideas, & creativity*) assist in the fulfillment or establishment of God's purpose in your life.

The accurate time to discover your purpose in God is *now!* The discovery of your purpose is free but not cheap. You must discover this treasure through the process of time. **How?** By you, **asking, seeking, and knocking** for Divine Revelation in your personal relationship/fellowship with God's Word.

Your Purpose is design by God to add value and beauty to your generation. This makes Life easier for the people around you, and also helps you to function more effective. This carries the power to help you in this journey of destiny, and fulfillment. This carries the authority, the power, and the Life for your manifestation.

The value of your divine purpose is in the place of *Discovery – via the studying of God's Word.*

## Chapter Two

### DISCOVERY

Proverbs 25:2

*It is the glory of God to conceal a thing: but the honour of kings is to search out a matter.*

Discovering is the ability of you walking into the awareness of the Truth you lack. This is the ability of you getting a new idea – **Faith**, through the Holy Spirit. This is by you **asking**, **seeking**, and **searching** for your purpose through God's Word (*spoken or written*).

Matt 7:7 - 8

*Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you: For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened.*

Jeremiah 33:3.

*Call unto me, and I will answer thee, and show thee great and mighty things, which thou knowest not.*

Discovering is required for improvement in the area of your divine assignment and your God's given talent. This is required for the physical expression of the Divine plan of God on earth. This pattern is the only funnel where His word can become flesh and dwell in us. This is required for your freedom and victory over ignorance, fears, worries and doubts.

Discovery is in three phases; knowledge, understanding, and wisdom of God's Plan. These three personalities hold the different levels of discovery; from the start to finish of God's Nature.

Discovery dwells within the space of time you set aside to seek for the truth. It is in your personal study time with the Word of God. The level of

discipline, will determine the amount of time, and the speed of time you will enjoy (*Relationship/fellowship with God*). **Matt 6:6.**

You can only access the discovery spot, whenever you are ready to settle down for the Truth of God's Word - **Bible**. This flows through the platform of your personal choice and decision.

The impact behind discovery is the freedom from ignorance, fear, worries, doubt, and confusion dwelling in your life, and that of your generation.

The price for discovering is *Time & Sensitivity to the leading of the Holy Spirit*.

## Chapter Three

### PURPOSE DISCOVERY

Purpose discovery dwell in two platforms; *Self Discovery* and *God Discovery*.

**Self-discovery** is the process of you knowing, and understanding why God saved you, and who He has ordained you to be your generation. This is the ability of you walking into the awareness of your identity, your worth, and your priorities according to the predestination of God for your life.

This is a vision and a prophecy that has gone ahead of you, before God formed you into your mother's womb. Your existence is the fulfillment of God's prophecy. This you understanding the role you need to play in the plan of God.

**God Discovery** is you understanding who God is to you on a personal level. This is you understanding His commitment in you and His role in your life. This is you understand How God is meant to help you in His plans for your life. This is you understanding how God wants to participate in your life. This is you understanding How God will be committed to you, in bringing His plan into manifestation physically.

At this junction, you must wake up to this truth. *There is a difference between Ambition and Divine Purpose.*

*Ambition is when you create a personally plan to be carried out with the absence of God's involvement. These are the workers of iniquity and the fruit of their works are greed, pride, and lust.*

*Divine Purpose is the revealing of the end – expectation of God's desire for your life. This is the original idea for your existence in God's mind before He formed you into your mother's womb. This foundation is built on God's Desire, and Expectation for Man – kind.*

## Chapter Four

### DIVINE PURPOSE

Divine purpose is the *Reality of Creation*.

This is the outcome of every plan, and dream in God's mind. This is the strength of God, and nobody can enjoy the true existence of Man - kind without the understanding of Divine purpose.

Divine purpose carries the *Mother of all Creation*.

This is the first idea, precept, or concept for creation. This is the map, the value, and the worth behind creation. This is the prophecy behind every invention, and creation on earth. This is the reality of the dream in God's mind for the creation of the Heaven and the Earth. This carries the true Nature of God and in this lays the heartbeat of God. This is the evidence of the beauty that reflects God's glory. This carries the principle we all must ask, seek, search to discover, become, and manifest as Sons in God's Kingdom.

Divine purpose carries the *Eternal Life*.

This is the strength of humans that dwell in Christ. This nature is the strength behind the success in productivity, and fulfillment of destiny. In this, alone lies the reality of Eternal Life that hails from the very plan of God for Man - kind. In this is the Eternal Life that swallows up the law of Sin, and Death. In this is the victory over failure. In this is the Eternal Rest, and Freedom from the Bondage of Shame. This is the Eternal Life that can enable you to live God's Life on Earth. This is the life that quickened the dead body of Jesus Christ, back from the dead/grave.

Divine purpose carries the *Light of Truth*.

This is the revelation to the Truth God has designed for you before the creation of this world. This is the knowledge that enables you to discover your identity in God. This helps you to function in your God's given vision. This is the overcoming power of God, over darkness (*Ignorance*). This is the reality of God's Word as the lamp unto your feet, and a light unto your path. In this alone is your identity in God.

Divine purpose carries the *Eternal Currency*.

This is the only Eternal currency we have in God. In this is the only permit we have for the breath we breathe, the food we eat, each day we live, and all the benefits we have in God in this path of destiny. This is the Eternal Currency the Devil, and the sinful kingdom fears. Physical currency is under the control of this Eternal currency. This Eternal Currency is the factor that enables the law, and nature of Life to submit to you. This helps you to walk into the fulfillment, and establishment of His plan for your life. This was the Eternal Currency Joseph spent in Egypt during the days physical money failed in Egypt. This was the secret behind the upkeep of Jesus before during, and after His resurrection on earth. This was the secret of the upkeep of all the children of Israelite during their travel in the wilderness. This was the only currency Adam knew in the Garden of Eden. This was and this is still the secret behind *Financial Freedom*.

Divine purpose carries the *Eternal Seed*.

These are the Fruits of Life and the different harvest of talent the earth will need, for improvement in this generation. This is the only Eternal Seed that has the ability to grow, and add value to people's life. This is the seed hidden behind the blessings that followed the covenant behind the birth of Isaac. This is the secret of the beauty behind the birth, and resurrection of Jesus Christ. This is the secret of Joseph's preservation during the trails he encounters in the land of Egypt. This is the secret behind the growth of all the trees, and grasses that God called forth from the ground during the

---

[www.babalove.com.ng](http://www.babalove.com.ng)**

creation of the earth. This is the Secret of the Light of the Moon, and the Sun. THIS IS THE SECRET OF THE MOTION THAT KEEPS THE EARTH SPINNING. THIS FIELD IS WITHIN THE HEART AND THIS HARVEST SHOWS UP IN TERMS OF CHARACTER, WORDS, AND TALENT (*INVENTION*).

Divine purpose is *Authority*.

This is the greatest Authority the world has never seen before. In this is the power that even the Lucifer has no right to resist. This is the Authority of God's plan, and all of the operations of God Almighty depend on this authority. This is the strength of God. Without the knowledge, understanding, and wisdom of Divine purpose, ignorance will enslave you from fulfilling the original plan of God for your life. This is the only Authority given to man to walk in until; we all become the evidence of His plan on earth.

Divine purpose is all about discovery, preparation and fulfillment. The understanding of this culture falls into two categories; *discovering your divine purpose in God*, and *discovering God's divine purpose in you*. These are secrets that exists in God of which we must discover (*find out, realize, learn of, discern, see, locate, detect, uncover, dig up or notice*). This is the Life we all must seek. This is the only way we have in discovering the truth, and fulfilling destiny. This truth can only function when you learn to have a personal relationship with Jesus by studying, and mediating of God's Word.

Eccl 3:1

*To everything, there is a season, and a time to every purpose under the heaven:*

**DIVINE PURPOSE IS GOD'S PURPOSE FOR MAN – KIND.**

## Chapter Five

### GOD’S PURPOSE

God’s purpose for man – kind is the original intention within His will before He created man – kind. This is God’s expectation behind His motive for creating man – kind. The purpose of God for man – kind according to the Book of Genesis 2:15 – *Dress & Keep*.

God’s purpose has three resources; **THE PLAN, THE VISION, AND THE PRINCIPLE**. These three resources are involved from the start (*in God’s mind*) to finish (His Sons on earth).

All these resources (*vision, plan, & principles*) were at work before the fall of Adam in the Garden of Eden. God was happy with the progress, and operations of the *vision, principle, and plan* in the Garden of Eden. Although Man – kind were functioning in these resources, they were not having the full details of the resources. Adam and Eve were functioned according to their own level of knowledge in these three resources (*principle, vision, and plan*).

The fellowship and relationship between God and His Man – kind was smooth, and intimate. When Sin stepped in, Man – kind lost this treasure into the hands of the sinful kingdom. This created a gap for *discovery* to all man – kind. This is the reason for the hunger for purpose discovery in every human.

Discovery is your ability to *find out, realize, learn of, discern, see, locate, detect, uncover, dig up, or notice* something you lack.

**Proverbs 25: 2** “*It is the glory of God to conceal a thing: but the honour of kings is to search out a matter*”

This is where **Matthew 6:6** “*Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you*”

**[www.babalove.com.ng](http://www.babalove.com.ng)**

This became an experience in the lives of God's remnants.

The call to dress, and keep was given to Man – kind. Within the context of man – kind lies, the Male, and the Female (Genesis 1:27). God instructed them to dress, and keep their generation according to what God has deposited into their lives.

Genesis 1:27

**So God created man in his own image, in the image of God created he him; male and female created he them.**

Genesis 5:2

**Male and female created he them; and blessed them, and called their name Adam, in the day when they were created.**

In other words, there is more to a ladies/female's life than their facial beauty, child bearing or been married. There is more a man/male's life than the money, the cars, and sex. Do not belittle yourself. As a male or a female - you have a role to play in the dressing, and keeping this generation. Celebrate your gender, and appreciate what God has given you. Either you are short, tall, fat or slim; you are just perfect for your destiny. There is nothing wrong with you. You are perfect for the plan of God just the way you are.

## Chapter Six

### DRESSING & KEEPING

Dressing and Keeping is the purpose of God for creating man - kind. The purpose succeeded for a while in the Garden of Eden. When sin took over the nature of Adam, Man – Kind lost it. Ever since, Man – Kind began to live their lives based on their own AMBITION. In other words, the purpose for Man – kind is *missing*. This has created the need for man – kind to search out this eternal purpose again. In this place is where DISCOVERY becomes the task to everyone that believes in the *Name of our Lord Jesus Christ*. The call to discover the purpose for Man – kind is for all that believe in the suffering, the death, and the resurrection of our Lord Jesus Christ.

This instruction is based on God's purpose (*you can call it God's will – His expectation*) for the Man – kind He created.

Every Man – kind created in the image of God, is to dress, and keep a specific situation within His or This generation. There is one thing God created you to address within your generation. You are not call into this race of salvation to do everything. You have been saved for a specific assignment, which is your purpose for existence. You may be talented in different ways but within that Grace - lays a connection to that specific assignment you have in God.

Jesus came to address a specific assignment (*restoring man back to his original position in God*). Moses came in his time to address a specific assignment (*delivering the children of Israel from the hand of Pharaoh*). Noah came in his own time to address a specific assignment (*setting another phase of dispensation for God's operation*). Abraham came in his own time for a specific assignment (*Becoming the Father of Faith*). I can list more people for you but let us stop here. Within this specific

---

[www.babalove.com.ng](http://www.babalove.com.ng)

assignment, which revealed their divine purpose lays the problems, and questions their generation suffered. They all dressed, and kept their generation in the way God led them.

To dress, and keep your generation is all about you discovering the problem and questions that appeal your interest and you responding to them. This is some thing you need to do with the aim of you sharing the life God has given you as a solution and answer to them. In the area of your assignment, all you will see in that area of assignment will be *faults. Seeing errors, mistakes, and faults in any area of life is the path to discovering your Divine purpose.* The emptiness you feel within you is an inner awakening, for you to find your place and throne in life/God.

The dressing and keeping God is expecting from you in the area of your assignment - you are not the first to step on it. Dressing and keeping has been from generation to generation. We can clearly see this in the life of *Abraham, Isaac, and Jacob – Israel – Judah – King David – Jesus - us.* Whatsoever is awaking you to discover your purpose is just a continuation of where someone has stop. Before God chooses you on that specific area of your assignment, someone just finished his or her own part of assignment. That error, mistake or faults you are seeing or hearing that is provoking you into discovering your place of destiny is a finished work of someone else. That fault you are seeing is a huge success someone else has achieved. This situation that angers you has been through constantly improvement from generation to generation - before you just discovered the role you have to play or contribute.

This is not the platform to criticize any one or insult any one. The level of success or failure you are seeing is an achievement of someone else. They paid the price for what you are seeing today. So, appreciate the level of success or failure you met on ground, and do your assignment. Just as you are looking down on the achievements of these people that looks like failure on your own sight (*because of the grace within you*), that will be the

same way your children or unborn children will look down of what you are presently paying the price, to attain according to the plan of God for your life. *To every generation, better opportunities are available for them to dress, and keep what they met on ground as a teenager or as a youth.*

### **What is dressing?**

Dressing involves improving, inventing, and adjusting every area or field of your life through God's word. This should be tailored towards the expression of God's plan and glory to your generation. This is the purpose why God created you. Within this process is your ability to know the pattern, understand the pattern, and specification of how you will dress what God has committed into your hands.

In other words, these are things you are born to improve on, invent, and adjust. Without you, nobody else will be able to do like you can do. There are books that you must write. There are songs you must write or compose. There are designs you must create e.t.c. These realities are things only you can do through the God's grace in you. If you ignore or abandon them, your generation will suffer it because; God has kept those resources in you alone.

You have two choices; 1. *You live out your purpose and your generation receives the answer, and solution they have been waiting for.* 2. *You die with the solution and answer they have been praying, and waiting - leaving them in sufferings and pains.* This is going to be either your choice or your fault.

### **What does it mean to keep?**

Keeping involves *preserving, maintaining, protecting, and defending* the major course or purpose why God created you. They are things only you have the strength, and grace to preserve, protect, maintain, and defend un-benefit of your generation. You are a protector to a specific treasure you and your generation share in common. Only you have the grace to protect the

pride, and dignity in that specific area of life God has called you to preserve, maintain, and defend. You are the one that can strengthen all God has kept within your spirit man. Rise up and take your place in God and in the Place of Destiny. Your generation is looking up to you.

## Chapter Seven

### HOW TO DISCOVER PURPOSE

**You need a personal relationship with Jesus.**

**(John 15:5)**

Jeremiah 33:3

*Call unto me, and I will answer thee, and show thee great and mighty things, which thou knowest not.*

Matt 7:7

*Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you:*

The place of a personal relationship with Jesus is based on His Encounter with you through His Word spoken to you. This Encounter is all about the vision or prophecies given you by the revealing of His Word. This is the place where God will unveil to you His plan for your life. This is the place of God's covenant with you.

The attitude of you *asking, seeking, and knocking* is the starting point of your relationship with Jesus. You must ask, seek, and knock for the knowledge, understanding, and wisdom behind the reason why Jesus saved and redeemed you from the law of Sin, and Death. You must do your best to seek for who God has planned for you to be (identity) to your generation.

In other words, no body can come unto the father without the father calling the person unto Himself (***Encounter***). An Encounter with Jesus is the starting point for you. This Encounter is all about you through the Holy Spirit gaining a personal idea of who Jesus is to you on a personal level - aside what people have told you about Him. This is the place of you gaining a personal revelation about the Jesus you received into your life.

---

**To gain more knowledge and understanding, kindly visit:  
[www.babalove.com.ng](http://www.babalove.com.ng)**

This Encounter comes in three platforms; prophecy, vision, and understanding of the scriptures by the Holy Spirit.

There is no formula to this, just relate with Jesus the best way you can. You can worship Him, *study His word*, pray, cry before His presence, sing, dance, and clap your hands unto Him. Just do whatsoever God has placed in your heart to do in His presence.

### **You need the Holy Spirit.**

John 16:13

*Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will show you things to come.*

The Holy Spirit is the very spirit that hails from God. He is not a dove, fire, wind, or cloud. The Holy Spirit is the personality of God revealed. In other words, the Holy Spirit is a PERSON. He is the gift of God given to everyone that believes in our Lord Jesus Christ. He is the seal of promise over our redemption. He is our tutor, our guardian, our comforter, our instructor, and director in all areas of life (*emotionally, mentally, physically, financially, spiritually, and socially*).

This is the extension of God's nature. You need Him to help you, teach you, guide you, comfort you and lead you through all the different levels of discoveries in Christ. He carries the ability to teach you the will of God, and help you to understand the Divine Truth. He has God's Nature and He feels your pain, sees your tears, and can mend your broken heart with healing.

The Holy Spirit is He that can help you to discovering yourself. **He has the power to explain the spiritual plan of God to you through physical illustrations.** He has the ability to enlighten the eyes of your understanding. He has the ability to help your heart to picture the hidden

---

**To gain more knowledge and understanding, kindly visit:  
[www.babalove.com.ng](http://www.babalove.com.ng)**

plan, and purpose of God for your life. He is the one that helps you in the journey been conformed into the nature of God (*which was original the nature of man-kind before the fall of Adam and Eve*).

The Holy Spirit feels your pain. He knows your doubts, fears, and worries. He is always there to help you move forward in your growth within salvation. He is the courage, and hope within us.

The Spirit of God (Holy Spirit) holds your security, and welfare within the plan and purpose of God for your life.

*John 14: 17 – “Even the Spirit of truth; whom the world cannot receive, because it seeth him not, neitthis knoweth him: but ye know him; **for he dwelleth with you, and shall be in you.**”*

## **You need a Mentor**

Jeremiah 23:3-4

*And I will gather the remnant of my flock out of all countries I have driven them, and will bring them again to their folds; and they shall be fruitful and increase. And I will set up shepherds over them which shall feed them: and they shall fear no more, nor be dismayed, neither shall they be lacking, saith the LORD.*

A mentor is a trusted guardian who is ready to teach, and train you to a personal development toward your God’s given plan, and purpose. These are the set of people who are always ready to pour out their own experiences to you - with the aid of it inspiring you strife to be better than the level of maturity they have gained in Christ. They are individuals who are willing to give you the freedom; to become all God has designed for your life. They are individuals who are willing to lead you and not lord over you. They are people who are ready to support, inspires, and bring out the best in you through the best Christ has brought out of their own lives.

Mentors are individuals who are ready to tell you what you **NEED to hear**, and not what you **WANT** to hear. They are individuals who are ready to tell you the truth no matter how it will hurt you. They are individuals who will always inspire you to keep your focus on God's plan for your life. They are individual who will discipline you through the instructions of God's Word. They are individuals who will put you under pressure for growth and increase – Elijah did this to Elisha when he was about leaving the earth.

Read this; there are two encounters you will experience in God, before God releases you into full time ministry.

**The first encounter is so powerful but it meant to bring you to the place of preparation under your mentor. The first one is to help you to come to the feet of Jesus to learn the plan, the principle, and the vision behind the empowerment of God that rested on you.**

According Galatians 4:1, it's clearly stated that you must be set under tutors and guardian till you have reach the place of maturity. "As long as the heir is still a CHILD" – in other words, as long as you are still growing in Faith, you must be set under tutors and guardian. The major reasons why you need a mentor is because there are things you need to know that you have not yet known. They are things you know, but do not understand. They are things you know, and understand but the principle (*wisdom*) to express this revelation is absent.

You must be set under tutors to be trained according to the vision, God has given you. You must be taught how to focus, how to be disciplined, how to be truthful, and how to be determined. You need to buy time from your mentor's experiences. This aspect is painful, and most time young people do run out. Receiving the calling into the ministry is not enough to start a ministry. There are specifications of purpose, details of the plan, understanding of the time, and season you must be taught.

In as much as God has anointed you for the next generation, you must learn from those that have gone ahead of you. This attitude is what will help you

---

**To gain more knowledge and understanding, kindly visit:**  
[www.babalove.com.ng](http://www.babalove.com.ng)

to learn for their mistakes - in order for you to be do better, and wiser than them. These lessons are for you to learn not to waste time through the same mistakes they have made in their own time.

### **You need a mentor.**

This is God's principle for operation even before the New Testament. For Elisha, God provided Elijah. For Jesus, God provided John the Baptist. For Timothy, God provided Paul. For the disciples, God provided Jesus. For Joshua, God provided Moses. For Samuel, God provided Eli etc.

*"That the Scripture might be fulfilled"* Jesus made this statement when he submitted himself to be baptized by John the Baptist. The understanding hidden behind His statement He made is the issue of mentoring. Jesus Christ the Son of God submitted Himself before John the Baptist, a man who is not worthy to untie the sole of His sandals. Why? It is because of God's principle behind mentoring. Irrespective of the different encounters you have had with God; there is somebody you must submit to for training and growing.

There is time for discovery, time for preparation, time for manifestation. Within these phases, are seasons for waiting, walking, and running with the Vision. – Habakkuk 2:2, *And the LORD answered me, and said, Write the vision, and make it plain upon tables, that he may run that readeth it.*

The interesting part of it is this; **God chooses your mentor for you through your passion.** You do not have the right to choose your mentor for yourself. You do not even know the destination of God's plan for your life. All the vision, and the prophecies God has ever given, is just a phase; it's not all God has planned for your life. There is more about God's plan for your life than your present experiences in God. Keep learning and keep growing.

## Chapter Four

### WALKING IN PURPOSE

**You need to understand your Heavenly Father.**

Genesis 1:26 – 28

*So God created man in his own image, in the image of God created he him; male and female created he them.*

Irrespective of your tribe and background, you need to come to the awareness that both female and male hailed from God. Before the creation of man in the scripture above, God said, “let us.” In other words, the father, the son and Holy Spirit came together to distribute each to their nature to man – kind (*male & female*). Either you are a male or a female, you are original. You hail from God, He is your father, He is your source, and He is your maker. Your past, mistakes, or faults have nothing to do with this. God is your Father.

Either you are a male or female; you are a product of God’s Nature. God created man-kind in the identity and character of His Nature. **God did not create you LIKE Himself; He created you just AS Himself.** When He said let us create man, His three personalities, Fathers, Son and Holy Spirit gave up all they possess. Together, God created you through those materials given by His own personalities.

You are a co-God with God this on earth, you are a co-king with Jesus in this world, and you are a co-Lord with him these on earth. This is your history and God is your history. Your parents were channels God needed to bring you into this physical platform. You can do what God can do. You can create what God can have created. You can solve what God can solve. You can bless and curse just as God does. The same capacity in God is the same that abides in you. You are royalty and a celebrity on earth and in your Father’s kingdom.

---

**To gain more knowledge and understanding, kindly visit:**  
[www.babalove.com.ng](http://www.babalove.com.ng)

This is who you are; celebrate who you are in your creator - your father. Our creator is so faithful that He created us in His own capacity. He brought us to Himself as His own, not just His creature. Now, through Christ, we are co-heirs with Jesus. Praise God!

## **You need to understand Divine Purpose**

Isaiah 46:10

*Declaring the end from the beginning, and from ancient times the things that are not yet done, saying, My counsel shall stand, and I will do all my pleasure:*

With the understanding of your father, I want to acknowledge that God had a desire or motive behind His mind when he did all He did to us during our creation. He allowed us to have the same capacity as Him in order to fit into His own plan and purpose. All we have in Him is just like an office but to every office, they are projects or assignment to be carried out.

This is the hidden beauty of the reason for man's creation in the first instant. This was an idea that compiled God to create us in His own very identity and character. He saw our end before He began with us. He fixed the result of how our lives will give Him pleasure before He created us. This idea or motive is the experience or lifestyle called Divine Purpose. In my own terms, I can say this is the “*because factor*,” that lies behind the creation of man in Genesis 1:27.

You need to understand that before you were form into your mother's womb, God knew you by name. Your destiny is fixed in Christ and you may be confused presently about some areas of your life - but He knows your end from the beginning.

## **You need to understand Divine Plan**

Jeremiah 29:11

*For I know the thoughts that I think toward you, saith the LORD, thoughts of peace, and not of evil, to give you an expected end.*

From the understanding of Divine Purpose, there is a structure needed for that Purpose to become a life style. This structure is needed for the smooth expression of His original intention for Him creating man – kind.

In the scripture above, I know the thoughts (*divine plan*) I think towards you. He also says that this motive or intention is to give us hope, and destiny to your generation through you. In this place, He did not create you to fulfill His intention (*divine plan*) alone, He has promised to protect you, defend you, and preserve you during the process. This is not a platform of Him using you. This is a platform for Him to make you useful to yourself and to your generation.

This plan is the pattern set for you to know, discover, and express the Father's intention behind your existence. This plan sets the boundaries to everything that concerns you in words, decisions, and attitude. This aspect shapes your life, and trains you to fit into His intended plan. This plan helps in setting the details of God's intention that dwells in His mind. This is the place His intention becomes visible in the divine realm.

In this plan is detailed the talent, creativities, character, background or lineage, the set of people, location, and every bit of all the required resources need for His intention (*divine plan*) to become your lifestyle.

## **You need to understand your blueprint**

Psalms 139:12 – 16

*Thine eyes did see my substance, yet being unperfect; **and in thy book** all my members were written, which in continuance were fashioned, when as yet thise was none of them.*

Hebrew 10:6-7

*In burnt offerings and sacrifices for sin thou hast had no pleasure. Then said I, Lo, I come (in the volume of the book it is written of me,) to do thy will, O God.*

Luke 24:27.

*And beginning at Moses and all the prophets, he expounded unto them in all the scriptures the things concerning himself.*

With the understanding of Divine Plan that functions as the expression of divine purpose for man - you must understand that the document that contains this plan is “the volume of book.”

The volume of book is the book that contains the plan of God. This is the document that contains the details of the plan. In other words, that is the book where God wrote the plan. In this book, God wrote the season, time, provision, location, and everything that concerns you and His motive (*bible*) for creating you into this world.

This volume of book is divine in nature. Your bible contains half of the volume of book and the remaining half is in the hands of the Holy Spirit. As you fellowship with Him, He will bring to enlighten you to the full package of His plan written in the volume of His book concern you, your days, time, and season. Your bible with the fellowship with the Holy Spirit in search of God’s intention (*divine purpose*) is the whole volume of book at your own reach.

You are not a product of accident or mistake. God is not trying of planning for your life or thinking of planning for your life. He has detailed everything before He formed you into your mother’s womb. You might be confused of your next step. The next step that will lead you into His desire and expectation for your life has already written in the volume of His book.

## **You need to understand the Word.**

John 15:7

*If ye abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you.*

The Word is not just a mere word. This is the Word of the living God. This is the Living Word. This Word of God is the extension of the plan of God in the volume of book. The Word is the Life and Strength of the plan that dwells in the volume of book. God depends on it for you to come to the place of discovery of His Plan.

The Word is the path for discovering the plan and purpose of God for every individual in the kingdom of God. The Word is the extension of the idea from God's mind, into His plan, and then to you. Faith depends on the Word for a safe transport from the heart of God to the heart of men.

The Word is the Revelation of God explained through His plan to you by the Holy Spirit. The Word of God is in two natures and they are the written word and spoken word. The vision reveal to every individual in Christ is the picture of the God's Word, which explains the plan hidden in the volume of book. The Word spoken is the sound of the plan hidden in the volume of book. The sound and sight are platform God uses for operation. Prophecies or visions are the extension of the Word of God expressed. Everything must be channeled towards you understanding the plan of God.

Break forth! This is your right. The Lord has reserved this Revelation for you. Accept it, submit to it, and practice it. Yes! You can.
