- ⌘ Job search (for researchers) and position advertisement (for institutions): “EURAXESS Jobs”

The screenshot displays the EURAXESS Jobs website. At the top, a banner features the word "JOBS" on the left and navigation buttons for "SERVICES", "RIGHTS", and "LINKS" on the right. A red dashed box highlights the "Login / Register" button, which includes the text "To post your advert or CV". Below the banner, a search bar is labeled "I'm looking for..." and contains a search icon, a text input field with the placeholder "Enter keyword", and a clear button. To the right of the search bar are filters for "Country", "Research field", and "More filters". A red dashed box also highlights the search results, which show "9503 offers available!". On the right side of the page, there is a sidebar with links to "EURAXESS Statistics", "Useful Links", "Suggest New Link", "Policy Library", and "Help Desk". Below the search bar, there are sections for "Latest offers" (listing jobs like "Test Manager" and "PhD studentship"), "Fellowships & Grants external links" (listing funding levels), and "National Portals" (with a button to "Find your National EURAXESS Portal"). At the bottom, there are several promotional banners, including one for "science4refugees" and another for "EURAXESS is revamping!" (mentioning a new XML format).
