Recently, more and more users choose beautiful silk pillowcase for silk can be beneficial for their hair.

Absorbent

During sleep, our hair prolonged expose to the pillowcase. Therefore, for beautiful and healthy hair, we should choose a suitable pillowcase. [Silk pillowcase](#) is a good choice for us because of its moisture-wicking property. Silk can absorb up to 30% of its weight in moisture without feeling damp. Therefore, silk pillowcase will offer you a comfortable sleep and keep your hair looking great longer, since silk wicks moisture away from your hair.

Hypoallergenic

As we all know, cotton's coarse texture will cause your hair to break, tangle, matt and frizz. However, silk pillowcase, made of perfectly smooth fibers, will cause no mechanical irritation to your hair. What's more, silk contains many amino acids in common with the human body, which helps reduce hair damage, such as split ends.

No Chemicals

Our 100% mulberry silk is produced from domesticated silk worms that are raised in a controlled environment with no chemical exposure. In contrast, many fabrics on the marketplace like cotton are produced from chemically intensive crops. Therefore, if you sleep on a silk pillowcase, your hair will be healthier and happier. As pillowcase stays in contact with your hair and skin for long hours, silk pillowcase is one of the most important parts of your bedding. Besides, silk pillowcase not only can offer you healthy, smooth looking hair, but also offer a comfortable sleep. Besides, silk pillowcase will give you a luxurious feeling that no other man made material can match. <https://www.pandasilk.com/product-category/pillows/>
