Get three months of Audible Premium Plus for free when you join now

Listen up everyone. You're not going to want to miss this.

Until Feb. 21, you can unlock Audible Premium Plus for three months at absolutely no cost.

You read that right. The best audio entertainment perfect for listening anytime and anywhere can now be yours for free.

But the perks don't end there. Once you sign up, you'll get one credit per month to purchase premium selection titles, such as "Harry Potter and the Order of the Pheonix," "Will", and much more.

Still not convinced? Well, you'll also have access to a growing selection of Audible Originals, audiobooks and podcasts perfect for your commute, lounge days and everything in between.

Oh, and we can't forget about the additional 30% off discount you'll be able to enjoy on additional premium selection titles and exclusive access to top-secret sales.

Once dubai are up, you can choose to continue your Audible Premium Plus subscription for $14.95 a month, choose a different plan starting at $7.95 per month or simply cancel all

together. The choice is yours.
