## Louisville Memorial Auditorium Holiday Event Rental Package!

Start a new holiday tradition by hosting your company or group festivities at the historic Louisville Memorial Auditorium in the majestic main lobby, spacious ballroom, or both areas if your function requires additional event space.

Guests will enjoy the landmark's unique architecture and history as the region's only war memorial venue. Aside from the affordability, the spaces will be decorated for the holidays and the experienced staff can assist in coordinating your event needs.

For additional entertainment, your guests can also take a nostalgic journey back to the silent movie age when the majestic sounds of pipe organs accompanied silent movie presentations on the big screen. Guests will enter the historic auditorium and experience the world's largest Pilcher Pipe Organ while viewing a series of vintage shorts, followed by the main holiday feature for a truly memorable afternoon or evening.

**Select November & December 2019 dates.**
