NOTES (Please Read):

The leftmost columns show the most recent information I have about the division (if any) of NCAA sponsorship. Lafayette is the only fencing school with mixed (i.e., co-ed) classification. The above summary does not differentiate between varsity and club programs (or schools with no fencing program at all). The nationalities of foreign students is shown when known to help in the location of their competitive records. Any fencers who do NOT want to appear on this report or who want their names removed from this report should send me a private message with their names.

College ACCEPTANCES do not necessarily indicate the college that the fencer will actually be ATTENDING or even fencing at.

College coaches or others who take action based on the information shown here without verifying it do so at their own peril.

Names added since the last posting are in **color**.
