### THE BANK OF MOM AND DAD

With escalating home prices, many first-time buyers are getting help from their families for their down payments. If you're seeking help from parents or if you're planning to assist your children, it's important that you have very clear agreements about the conditions under which the help will be provided.

Sit down together for a frank discussion about how you will work out this assistance. Is it a gift or a loan? If it is a gift, check with a tax expert to minimize the tax implications. If it is a loan, how will it be paid back? Will the parents be named with the children on the ownership papers? Do you want to arrange an equity sharing agreement that is a type of joint ownership? Will it be necessary to draw up special papers and, if so, will the title attorney draw them up as part of the settlement package? Parents who help their children give them an incredible gift, whatever form that help may take.

If there's a move in your future, the real estate professionals at **Monument Properties** are ready to serve you. Call us at 241-5900 or drop by our office at 85 Warren St. in Charlestown.

- **Historic Trivia . . .** 165 years ago the first railroad was built to haul granite slabs from Quincy's Neponset River to Charlestown's Breed's Hill, the site of the memorial in honor of those who fought and died during the Battle of Bunker Hill. The site has been revered and honored since that date in 1826 and the memorial is known today as the Bunker Hill Monument.
- **Special Tip o' the Hat . . .** to Bill Rogers, resident engineer at the CANA Project, for volunteering the services of the sweeper that keeps the area around the City Square construction project clean to report for duty before the parade to clean the entire route. Thanks Bill, and to all at Perini/Kiewit/Atkinson for this kind token of appreciation of Charlestown.
- **Disney Characters . . .** will be marching in the Bunker Hill Day Parade. Watch for them. You'd be surprised to know who'll be hidden in those costumes!
- **Psst . . .** Word has reached us that it is more than appropriate that ALL business teams entered in the Bunker Hill Day Road Race should have their team captains run IN the race — not watch on the sidelines!
- **Today Is Day 33 . . .** on Bob Quinn's cross-country bike-a-thon. This week he will travel through Richmond, Ind.; Marysville, Wooster and Niles, Ohio; Erie Pa. and Hamburg, N.Y. Word is that all is going well — anticipating his June 27th arrival in Boston.
- **Happy 54th Anniversary . . .** to Fran and Raymond Morris of Russell Street who celebrated the event on June 12th. Many more years of happiness!
- **Birthday Wishes . . .** go out this week to . . . Margie Turner who celebrated her day yesterday, June 12 . . . Clare Wilkins who turned 15 on June 7th . . . and the BRA's own Bob Rush who'll be treated kindly by his Charlestown co-workers (we hope) on June 18th. Have a great year one and all!!
- **A Very Special Birthday . . .** wish goes out to Mel Stillman who celebrated the 30th anniversary of his 39th birthday yesterday, June 12th . . . Mel, the ladies at the Patriot say "Let's Do Lunch!"
- **Get Well Wishes . . .** go to Mass. General Hospital patient Tom Neff. Your many friends wish you a speedy recovery and hope you'll be home real soon . . . Bernie Kelly is recovering from recent heart surgery . . . and Vincent "Pat" Rosa of Constitution Co-op is recuperating at home and will be celebrating his 73rd birthday on Bunker Hill Day . . . Our warmest wishes to each of you.
- **Welcome Home . . .** to Maureen Stillman after a too lengthy stay in the hospital! We're glad to hear you're feeling much better.

- **Way To Go, Tommy! . . .** Don't let it be said that Tom Cunha will go to any extreme not to be outdone when it comes to anniversary celebrations. To mark the occasion of the 15th anniversary with lovely (and ever-patient) wife Marsha, Tom was seen treating her to a meal at one of Charlestown's finest eateries complete with the outdoor atmosphere found only at the best of Boston's cafes . . . Marsha, we wish you the very best — and Tom, we hope you know you already have the very best!
- **Last Call . . .** for names of former Bunker Hill Day Chief Marshals. We're still looking for those men who served this honorable position throughout the years. If you know of a person who served as Chief Marshal, please don't take it for granted that his name is on the list. Call Kathy at 241-9511 to make sure.
- **The World Of Dinosaurs . . .** now at the World Trade Center will not only have one of their gigantic mammoths in Sunday's parade, but on Monday, June 17 they will celebrate Bunker Hill Day by giving Charlestown residents a dollar off admission.
- **Temperatures Are Rising . . .** but summer doesn't officially arrive until June 21st! Just eight more days, you sun lovers!!!

## Laser Show Welcomes Troops Home For Bunker Hill And Flag Day

(continued from page one) the most spectacular thing we could think of."

The show, produced by Image Engineering of Somerville, will feature laser graphics and animation projected against the side of the chocolate factory building next to the Constitution, while laser beams, fans and sheets of light dance over the heads of the audience. While Image

Engineering isn't giving away any secrets, they do say the theme is patriotism, Boston and a very special welcome home.

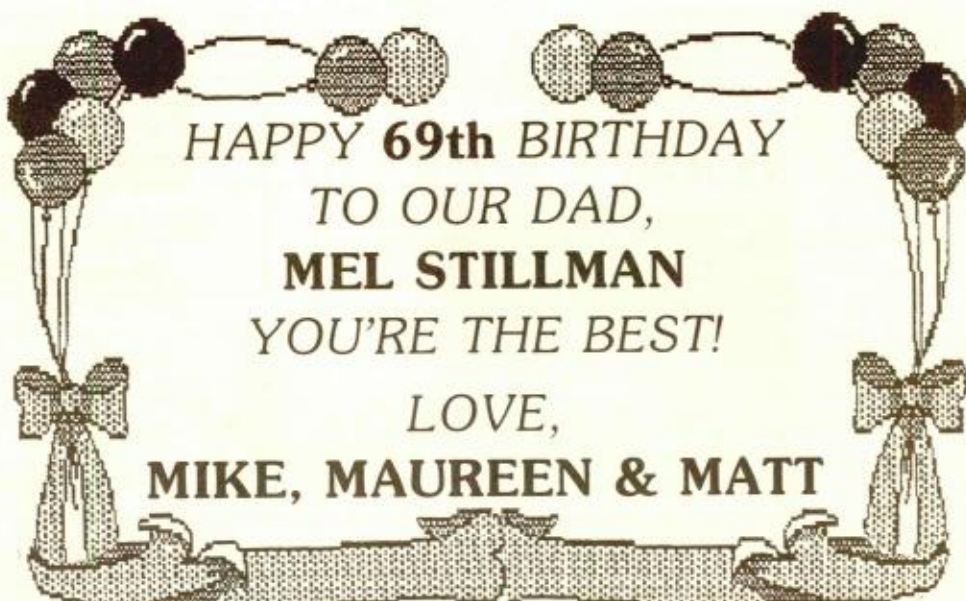

Image Engineering has produced laser effects for the 1984 Los Angeles and 1988 Seoul Olympic ceremonies, the 1986 Statue of Liberty rededication, NBC's pregame party for Super Bowl XX and numerous First Night count-

downs on the Customs House tower.

The program is scheduled to begin about 8 p.m. with a flag ceremony and a concert by Dorothy Slamin Hill's Waltham Post 156, American Legion Band. The laser festivities will get underway at sundown — approximately 9 p.m.

So bring your family, the kids, friends and your lawn

chairs, and watch the skies light up over the Charlestown Navy Yard.

For further information, Greatorex may be reached at 242-3956.

### City Square Park Committee To Meet

The City Square Park Committee will meet on Monday, June 24 at 7:30 p.m. at the Mary Colbert Apartments, 20 Devens St.

Stephen Collins, Charlestown liaison for the Central Artery/Third Harbor Tunnel, Central Artery/North Area (CANA) projects, stated that representatives from CBT/Childs Bertman Tseckares & Casendino will present examples of interpretive and gateway parks offering alternative park design options for the development of a park in City Square. Stephen Pendery

from the city of Boston Environmental Department will be speaking about archaeological finds from the

# Our Home Equity Line of Credit is more about saving than spending.

**Save on monthly loan payments.**

With a Bank of New England Home Equity Line of Credit, you can pay off current auto loan, department store and credit card balances now, and save. Because you'll reduce your monthly credit obligations to a single payment, and could cut your finance charges almost in half.

**Save on taxes.**

Federal tax laws have completely eliminated deductions on credit card, auto loan and other unsecured loan interest. The Home Equity Line of Credit, however, is the exception to the rule—with interest still 100% deductible in most cases.

**Save on major expenses.**

The low interest and tax savings that make our

Home Equity Line of Credit a cost-effective way to pay off your debts also make it a smart way to borrow for such expenses as college tuition and home improvement.

**Save on closing costs.**

At other banks, you'd probably pay closing costs on a new Home Equity Line of Credit. At Bank of New England, we'll save you at least \$200 by waiving those costs if you apply by June 30, 1991.

Stop by any Bank of New England office, or call toll-free for more information or an application for a Home Equity Line of Credit today. And start saving.

UPDATE . . .

## OPERATION WELCOME HOME

by Kathy Giordano

★ **Congratulations . . .** to the Charlestown Welcome Home Committee for a job well done! Thanks to the hard work of these fine people, hundreds of posters were submitted by school children to decorate a Bunker Hill Day float. Also, through their efforts, 10,000 signatures were collected for a community greeting card welcoming home our troops. This mammoth card will be displayed on a float for the parade. The committee didn't stop there. Last week over 50 volunteers came together and attached a yellow ribbon on each and every light pole along the parade route signifying this community's support for those who were able to come home for the holiday and remembering those who are still stationed in the Persian Gulf or back at their military bases.

These same committee members will be working at this weekend's events in the Charlestown Navy Yard and at the Bunker Hill Monument. They have worked very hard to make this week a memorable one for our servicemen and woman. If you see them out there continuing their tasks, give them a pat on the back. They're not looking for it — but surely deserve it.

★ **Yellow Ribbons . . .** One last ride along the parade route this weekend is planned in order to replace any ribbons that are missing. We ask residents who live along the route to watch that no more ribbons "disappear." It would be nice to see them last through the weekend.

Kerrigan's Florist on Main Street will give a free ribbon to anyone who stops by the shop and asks for one. Why not get one for your front door and continue the theme of

the Welcome Home Committee throughout the community?

★ **Driving The Desert Storm Cement Truck . . .** in the Bunker Hill Day Parade will be one veteran of Operation Desert Storm and Boston Sand & Gravel employee, SFC Ted Ochendusko from the 803rd Medical Group. He served as part of the National Guard out of Boston from January to May as a member of the 361st MP Company. Give him a great round of applause when you see the truck go by.

★ **In The Gulf . . .** John Fitzpatrick has been sent to the Persian Gulf and Bill McNeil has been sent back (must have been the great job you did the first time, Bill). We hope that you will continue to remember those still serving in Operation Desert Storm by sending them a note, card, postcard, etc. to let them know that Charlestown doesn't forget "their own." Make it a point to pass by this memorial in Monument Square for veterans of the Battle of Bunker Hill that will host a salute this weekend for the veterans of Operation Desert Shield/Operation Desert Storm.

★ **Booster Stickers . . .** are still available at \$1 each. Watch for committee members selling them this week and purchase one to help defray the costs of both the Welcome Home Committee's events and those of the Bunker Hill Day Parade Committee.

Blaikie, Tracey Buckley, Kellie Burke, Kimberly Campbell, Marykathryn Crilley and Christy Lane.

The contestants arrived at the hall shortly before 6 p.m. on Friday night and drew numbers to determine the order in which they would meet the judges and be presented to the audience.

The judges were Lisa Ryan of The Flatley Co.; Jeffrey Keating, representing the Irish Consulate in Boston; and Bill O'Donnell, past president of the Erie Society.

Following a three- to

five-minute interview with each of the contestants, the judges turned their scoring sheets over to the tabulators and the winner and runner-up were determined. The tabulators were Ellen Mary Carr of "Sound of Erin" Irish radio program, and Pearse McIntyre, president of the Norwood Irish Music Club. Eleanor Smith served as overseer of the contest, a position she has held since its inception.

As the gathering awaited the announcement, a buffet was served by Scalli Caterers, and Andy Healey and his band began the entertainment.

Arthur Hurley, Charlestown-To-Charlestown Committee chairman, welcomed the gathering, introduced past Charlestown Roses, Mayors and committee members, and greeted Rep. Richard Voke, House Majority Leader. He extended thanks to Thomas Flatley, sponsor of the 1991 Rose, the K. of C. for the use of the hall and Jay Farris for the decorations. Hurley presented master of ceremonies John Curran, host of the "Sounds of Erin" Irish radio program.

Each of the contestants was escorted into the hall, introduced to the gathering and then seated with her family to await the announcement. Following the introductions, 1990 Charlestown Rose Monique Pare and 1991 Charlestown Mayor Linda Howell were given an envelope containing the decision of the judges.

The first announcement was the name of the runner-up, who would carry out the duties of the Rose if she was unable to serve her term. Kimberly Campbell was announced as the runner-up and was presented with a \$500 prize.

Howell then read the name of this year's Charlestown Rose — Cindy Burke. The Burke family jumped

to their feet, hugging the new rose as she made her way to the stage in the midst of applause from the audience to accept her crown, sash and, of course, a bouquet of roses. Burke took the traditional walk down the runway and was joined on stage by her father, Patrick.

Burke used the words surprise and shock in describing her reaction to the announcement of her selection as this year's Rose. She said, "I couldn't stop trem-

bling — I really didn't expect to be named Rose."

The selection of the Rose is based on her interview with the three judges. Asked how she sensed the interview went, Burke said, "I felt good after the interview — I was relaxed and was able to answer all the questions I was asked." She added that the judges made her feel very comfortable but she never expected to capture the title.

Burke attributes her feeling at ease with the judges

to the fact that the interview focused on two areas of interest to her. The first is her accounting studies and the second is her work at Camp Joy, a program for special needs youngsters. She spent three summers as a counselor with 5 year olds in the program.

Burke, 20, is entering her senior year at UMass/Boston, College of Management, where she is working toward her BS in accounting. She is utilizing her ac-

countancy skills this summer working for the Massachusetts Housing Finance Agency.

Although she relates that she enjoys working with mathematics, there is a warmth in her voice as she describes working with the special needs children at Camp Joy. Burke spoke of her love for the children and how that love would often be communicated with eye contact rather than by words. The camp and its participants have a special place in the heart of the new Rose.

de Sales and a 1988 graduate of Mount St. Joseph Academy in Brighton, Burke is planning to begin her career in the business world as an office manager following her 1992 graduation. She talks of returning to school to obtain her master's degree and ultimately achieve the status of Certified Public Accountant.

Burke, 20, resides on Allston Street with her mother, Ellen, and her father Patrick — adding that everyone calls him "Paddy." She has a sister Catherine, 18, and a brother John, 22. She also speaks fondly of her two grandmothers, Evelyn Burke of Elm Street and Mary Cushman of Old Rutherford Avenue.

As for her upcoming trip to Ireland, she said that her mother, father and her boyfriend of three years, Robbie O'Brien, are all planning the trip. Her Irish roots go back to County Cork and County Covh and she is looking forward to visiting the country and taking part in the Rose Festival. She has not yet decided on the talent portion of her participation but at the moment feels she might read her favorite poem "Footprints."

## The Key Is Yours . . .

by Bob DeCristoforo

Here I am sitting in Section WW at Boston College Alumni Stadium on a rather warm Monday morning. The stadium isn't quite filled to capacity, but it is swelling with pride.

The BC fight song has given way to *Pomp and Circumstance* and the young men and women entering the stadium are clad in a different type of uniform, most are very similar, but some are very distinguishable.

Cameras, even in the sunshine, are flashing and everyone is now on their feet clapping. There are even some tears of joy.

I strain to spot a few of the participants I know. Seeing them on the field this day, a thousand and one happy memories fill my mind about this place and each of them. All their hard work has paid off. They have accomplished a goal they have set.

Over the next few weeks similar scenes in similar settings will be taking place all around us.

Graduation Day and graduates shouldn't go unnoticed, especially in the 90s. This is not any other day. It is a day of accomplishment, your accomplishment. It is a day you can feel the pride in your-

self, pride you might not want to admit but you know you have. It's written all over your face.

Each graduate has earned the key and now he or she can open many doors.

My sincere congratulations to all the 1991 graduates. The key is yours!

## Seeking Alumni Of St. Francis de Sales School

Did you graduate from St. Francis de Sales School? If you did, we need you. We are in the process of planning the 100th Jubilee of St. Francis de Sales School. The Alumni Committee has been working very diligently to find names and addresses of alumni of the school. If you are a graduate of St. Francis de Sales School, please call the rectory at 242-0147.

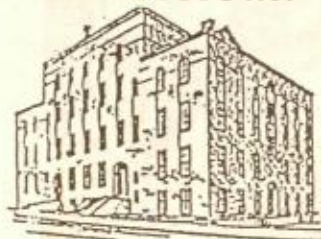

Some of the activities that have been planned are: a Jubilee Dinner Dance on Friday, May 1, 1992 at Caruso's Diplomat, with Dick McManus and the Irish Revolution; and Bernard Cardinal Law will offer a Mass of Thanksgiving at St. Francis de Sales Church on Sunday, May 17, 1992 at 10:30 a.m. with a reception to follow in the Bishop Lawton Hall.

There are a lot of activities being planned — these are just two. Please join us in celebrating 100 years of quality Catholic education here on the top of Bunker Hill.

Please contact the rectory for more information.

### "A MILLION THANKS FOR A HUNDRED YEARS"

St. Francis de Sales School in Charlestown is conducting a **Penny Drive** called "A Million Thanks For A Hundred Years." All are asked to save their pennies for the Penny Drive taking place now and throughout the Centennial Year 1991-1992. Special receptacles are in the church, chapel, rectory, convent and school to receive a "Million Thanks." Hopefully, with the help and support of members, friends and benefactors of St. Francis de Sales, the goal can be met.

St. Francis de Sales Parish School is one of the few Catholic schools in America celebrating a century of excellence in Catholic education. "A Million Thanks For A Hundred Years" is a very nice way of saying "Thank You" as the parish and community celebrate the 100th Birthday of St. Francis de Sales Parish School, Charlestown.

• **CANA Project** — Central Artery/North Area (CANA) project coordinator Ed Barr announced at a June 10 meeting that the next phase of the project, connecting the Tobin Bridge into the construction of the tunnel system, will begin on Monday, June 24. "At that time," he stated, "Lowney Way will revert back to a single lane of traffic heading toward Hayes Square (north). Buses will be rerouted around the construction site," Barr said, "with complete bus schedules to be announced next week."

Barr also stated that the installation of a sound barrier on the east side of New Rutherford Avenue was presented to residents in that area to diminish the noise created by traffic at that section of the project. He said that residents living in that neighborhood will consider the issue and inform him of their views on such a barrier at a later date.

It was also announced that Sciaba Construction Co., contractor for the Tobin Bridge connection project, has leased the Boston Housing Authority lot in Hayes Square to set up a trailer for use as a loading site. Barr stated that Sciaba has installed a chain link fence around the lot to secure the area.

For more information on the CANA project, contact Barr at 242-5980 or Stephen Collins, community liaison, at 951-6005.

• **Polk Street** — An early Monday morning fire at 25 Polk St. caused an estimated \$30,000 in damage to a first floor apartment in the Boston Housing Authority's Bunker Hill Housing Development. According to Boston Fire Department public relations spokesman, Lt. Richard Powers, a resident of the unit, Mary Lou Tracey, was rescued through a first floor window by police officers who first noticed the blaze. She was taken to Massachusetts General Hospital where she was treated for smoke inhalation.

He reported that the fire started in a rear bedroom but the cause of the 4:04 a.m. blaze has not been determined. The Arson Squad has the incident under investigation, Powers stated.

• **Medford Street Shootout** — Residents living near the former Revere Sugar Refinery on Medford Street complained of hearing loud blasting sounds emanating from the site this past week. Dozens of calls were received at the Patriot office and by Judy Evers, community liaison from the Mayor's Office of Neighborhood Services, inquiring as to the origin of the strange sounds, believed to be demolition operations at the Massport-owned property.

According to Massport Senior Public Affairs Manager Lana Razdan, the sounds coming from the refinery were that of mock explosives, "not the real thing," she said. Razdan explained that prior to the Persian Gulf war, the Federal Bureau of Investigation (FBI) requested the use of the site for a training program. "Permission was granted," she stated, "and FBI agents and members of the Massachusetts State Police started training for hostage situations. According to Razdan, with the outbreak of the war the FBI agents were assigned elsewhere to cover potential trouble spots. "Now that the war is over, the training course has resumed," she stated.

Razdan said that Massport was not made aware of the details of the training program and the use of explosive-type sounding devices. She apologized on behalf of Massport for any inconvenience to residents and stated that these practices "would be stopped immediately."

Razdan added that Massport fully supports the FBI's training program as a beneficial need in today's society, but regrets the neighborhood disturbance at the Medford Street site.

The band is being sponsored by Mayor Raymond L. Flynn. This band made national headlines in May 1990 when it marched and performed concerts in Russia. Community residents continue to be thrilled by the spirit and the music of this outstanding band.

Other stellar attractions in this year's parade will include:

- the Polish American String Band of Philadelphia, the first-place champion in the 1990 Philadelphia New Year's Day Parade, co-sponsored by the 520 Club;

Assisting Chief Marshal Farris in organizing the parade is Chief of Staff Cmdr. David Cashman, USN, commanding officer of **USS Constitution**, and Parade Chairman/Adjutant James W. Conway, Past National Historian, The Ame-

rican Legion.

Farris expresses her thanks to the dedicated few who work diligently each year on the Bunker Hill Day Parade Committee and those who worked this year on the Welcome Home Committee in the organization of the parade and on the fund-raising committee, for without them there would be no parade.

Through its hard work and tireless efforts, and with the generosity of the residents and many of the businesses, clubs, organizations, elected officials and candidates for public office, the Parade Committee is close to raising the necessary funds to supplement the limited budget provided by the city of Boston to put a great parade on the streets of Charlestown. The town has once more rallied together in support of our celebration.

"This Bunker Hill Day celebration, commemorating the 216th anniversary of the Battle of Bunker Hill and welcoming home the troops who served in the Persian Gulf promises to be a great day," stated Farris, "one of which the town can be proud. So many contributed to the success of this day, whether it be from buying a raffle ticket to

making a generous donation ... each one is significant and each contribution is received with thanks.

"Let us, the residents of Charlestown all make the Bunker Hill Day Parade and celebration a happy one by putting out the welcome mat for all our guests and visitors. Remember that the bands, drum corps, bagpipes, militia, military, veterans and other marchers are here to help us celebrate Bunker Hill Day. They are our guests and let us treat them as honored guests," added Farris.

"The Bunker Hill Day Parade Committee has worked tirelessly to bring you one of the largest parades in this part of the country, and it is now up to each and every resident to consider themselves a

proud Townie and do all in their power to make this a grand celebration. With the cooperation of all, this can truly be a memorable day. Let's all make sure that none of the 'wise guys' mar the day, for too many have worked too hard to make this a topnotch family parade, one that we can all be proud of," concluded Farris.

Residents, guests and visitors are requested to clear cars from the parade route and assembly area on Sunday by 8:30 a.m. Your cooperation will be greatly appreciated in order to facilitate the formation and the movement of the parade through the streets of Charlestown. (See map of parade route elsewhere on this page and the article on the streets posted: no parking.)

## Cars Will Be Towed On The Parade Route

Residents of Charlestown and their guests, visitors and businessmen are warned that they must remove their cars from the parade route and assembly area by 8:30 a.m. on Sunday, June 16 so that the parade may proceed in an orderly fashion without obstructions. Any cars left on the streets after that time will be towed by the Boston Police Department.

## NO PUBLIC DRINKING

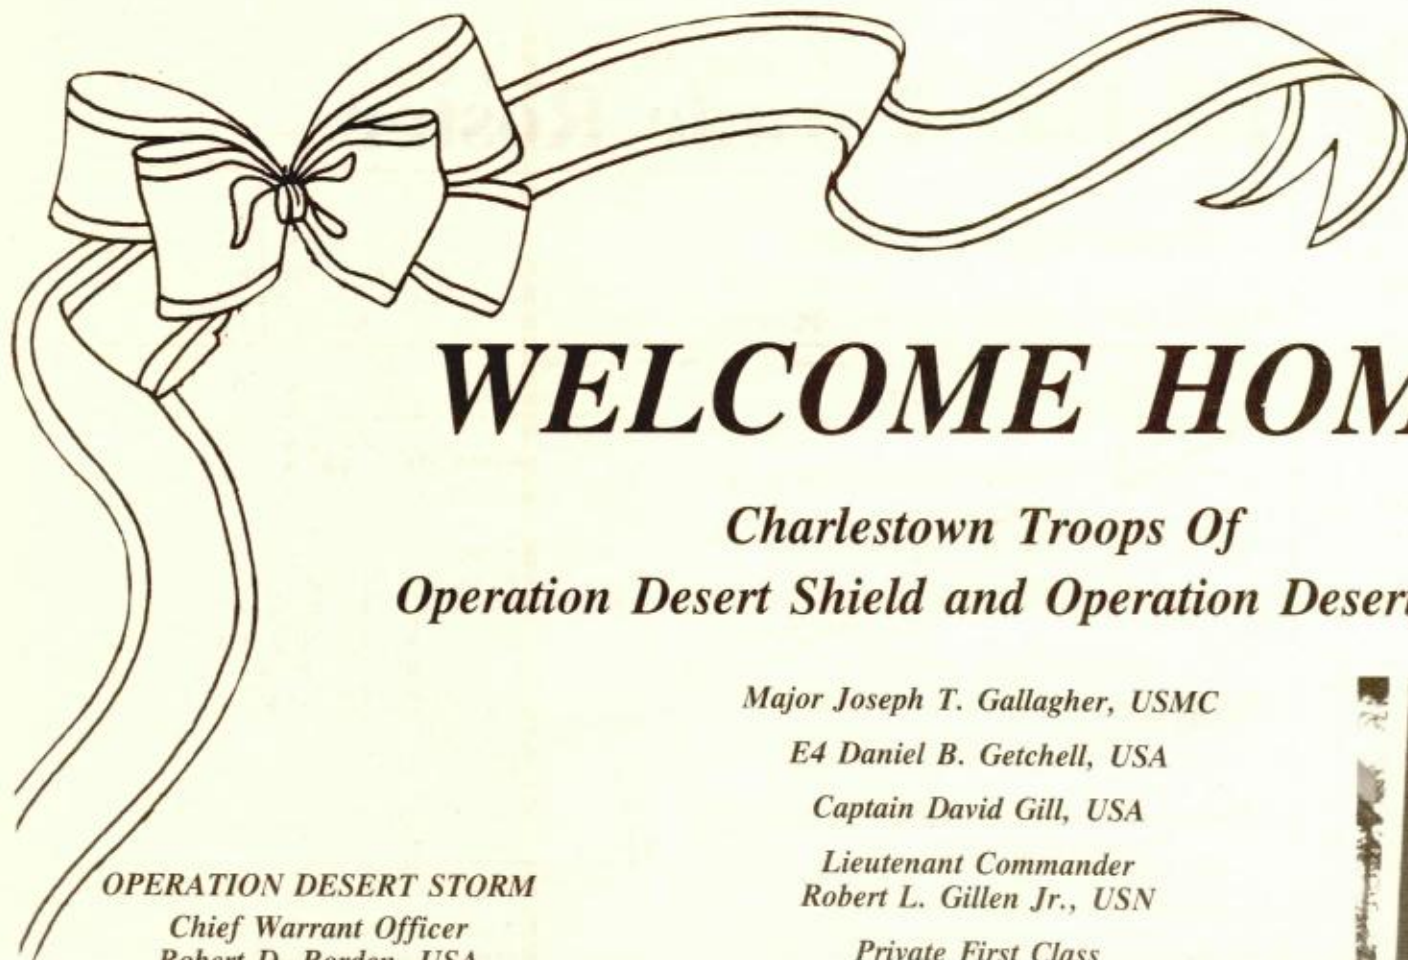

On, Sunday, June 16, the annual Bunker Hill Day Parade will be held, a celebration enjoyed by young and old alike. The parade will also be a Welcome Home tribute to the 32 service people from Charlestown who served in Operation Desert Shield and Operation Desert Storm.

On this day, the police officers of this district have been requested by the Bunker Hill Day Parade Committee and Charlestown Against Drugs to strictly enforce the **No Drinking Ordinance**.

There will be **no drinking allowed on the streets of Charlestown**. Those drinking in public will first be warned, and if they persist, they will be arrested under the provisions of the city of Boston Ordinance Number 14 which reads as follows: "**No person shall in any public way or public alley, whether in or upon a vehicle or on foot, drink any alcoholic beverage.**"

This city ordinance will be strictly enforced on June 16, the day of the Bunker Hill Day Parade, so that the community may have a pleasant day, a successful parade, and a celebration not marred by any unpleasant incidents.

## The Polish American String Band To Appear In Concert At Bunker Hill Monument On Saturday, June 15

A foot-tapping, hand-clapping good time is in store for residents on Saturday, June 15 at 4:30 p.m. (please note time), as the Polish American String Band from Philadelphia presents a concert on Monument Square in front of the Bunker Hill Museum.

This concert, sponsored by the Bunker Hill Day Commemorative Committee is part of the celebration marking the 216th anniversary of the Battle of Bunker Hill and welcoming home our troops from the Persian Gulf. It will feature the colorful costumes and award-winning music of the famous Polish American String Band — the band that has won first place more times than any of the other 25 bands that have competed in Philadelphia's New Year's Day Parade over the past 50 years.

A mummer is defined as "one who goes merrymaking in disguise during festivals." Mummery can be traced back to medieval Europe when men and women would lead festal rites during the Christmas holiday season. History records that when the pioneer Swedes came to this country, they settled in an area known as Tinicum, bringing with them many customs of the

old country. Important among them was the age-old habit of visiting friends the day after Christmas through the first day of the new year. They would travel in bands of men through South Philadelphia engaging in a series of festivities. This informal celebration continued until Jan. 1, 1901 when the first organized parade was established, and hence, tradition was set.

The band, whose theme this year is "Well Done," will be cookin' up a storm in a spectacular high energy, power-packed routine that will satisfy your musical appetite, courtesy of the "Great Chefs of P.A."

Members of the band will be attired in various colorful outfits, some as chefs and others as salads. The chef suit is made in bengaline fabric with gold and silver cleo sequins, trimmed with gold glaze and rainbow colors. The salad suit is made with forest green velvet, nylon and acetate, decorated with multicolored sequin appliques, acetate plumes and a traditional mummerys cape.

Stan Magenta Jr., in his second year as Captain of P.A., will be wearing a chef's suit which compliments the band suit. The pheasant suit is made up of

CAPTAIN Stan Magenta Jr. will lead the Polish American String Band from Philadelphia in concert on Saturday, June 15 at 4:30 p.m. on Monument Square in front of the Bunker

Hill Museum. The theme of its presentation is "Well Done!" The band will also be in the line of march for the Bunker Hill Day Parade on Sunday, June 16.

natural colored plumes, gold pheasant feathers, gold peacock feathers, white vulture feathers and white boa.

Since its founding, the Polish American String Band has been thrilling audiences of all ages with consistently fine music, beautiful costumes and outstanding presentations. Organized in 1933, the band became an immediate favorite throughout the Philadelphia area.

Rivalry among the string bands is strong. Each band must develop a theme and evolve it throughout the year. Costumes, music and drilling supplement the

theme. Bands spend many thousands of dollars on costumes, and each new year every unit must present completely new costumes and presentation to be eligible for competitive prizes in the New Year's Day Parade.

Performing throughout the United States has spread the name of the Polish American String Band and introduced Mummery to the country. Perhaps the most thrilling performance for the band came in 1979 when they performed for His Holiness, Pope John Paul II. The band has also made several appearances on national television. In July

1990, the band visited Poland on a two-week concert tour that endeared them to many.

Although the membership is no longer exclusively Polish, the band still promotes the slavic heritage of its founders. Band members include policemen, firemen, college/high school students, accountants, bankers, laborers and bus drivers, to name a few, who share a love of music and performing that keeps them busy with parades, concerts and holiday celebrations, adding their special touch to the Philadelphia Mummery

tradition.

The appearance by the Polish American Band in concert with its polka medleys and famous strut will certainly be a lively and colorful event welcoming home the troops from the Persian Gulf.

In addition to Saturday afternoon's concert, the Polish American String Band will strut through the streets of Charlestown during the Bunker Hill Day Parade on Sunday, June 16.

All are welcome to join the Polish American String Band in concert on June 15 at 4:30 p.m.

# Major Joseph Gallagher, USMC, Monument Orator On The 216th Anniversary Of The Battle Of Bunker Hill

The Bunker Hill Day Commemorative Exercises, sponsored by Bunker Hill Post 26, The American Legion under the auspices of the City of Boston, will be held on Monday morning, June 17.

The program, according to Standing Committee

Chairman James W. Conway, past commander of Post 26, will begin with an Ecumenical Service at St. Francis de Sales Church, 313 Bunker Hill St. at 10 a.m.

Following the service, the veteran, military, militia and patriotic organiza-

tions will assemble outside the church and form a procession. The participants will march to the Bunker Hill Monument Grounds to the music of the Colonial Band of Lawrence for the Patriotic Exercises, commencing at 11 a.m.

The Monument Orator on this, the 216th anniversary of the Battle of Bunker Hill, will be Major Joseph T. Gallagher, USMC, a Charlestown native who recently returned from the Persian Gulf having served in Operations Desert Shield and Storm.

Gallagher, 39, was born on Tufts Street in Charlestown. He attended the William Prescott Elementary School and graduated from Boston English High School. He was commissioned a second lieutenant in the Marine Corps in 1976 following his graduation from Springfield College where he had earned All-American honors in springboard diving. He was awarded a bachelor of science degree in physical education.

Upon completing basic school at Quantico, Va. in March 1977, he was designated a Motor Transport Officer and joined the 2nd

Marine Division at Camp Lejeune, N.C. where he served successive duties leading up to Executive Officer of Truck Company, Headquarters Battalion. He was promoted to first lieutenant in July 1978 and deployed to the Mediterranean Sea. In January 1981 he reported to Okinawa, Japan for duty as a section leader and subsequently as operations officer. He was promoted to captain in October 1981.

Returning to the United States in January 1982, he was assigned as Operations Officer, Wing Transportation Squadron-27 at Marine Corps Air Station, Cherry Point, N.C. Upon completion of his tour of duty at Cherry Point, he was awarded the Navy Commendation Medal for meritorious service.

Gallagher was promoted to major in 1986 while serving as Motor Transport

Officer, 10th Marine Regiment (Artillery) and commanding officer of Truck Company Headquarters Battalion at Camp Lejeune.

In August 1989 he was assigned to the Marine Corps Air Station, Kaneohe Bay, Hawaii. Upon completion of exercise "Freedom Banner '90", a maritime propositioning ship offload exercise, Major Gallagher, who served as the exercise coordinator, was recommended for his second Navy Commendation Medal.

With the outbreak of hostilities in the Persian Gulf in August 1990, Gallagher was deployed with elements of the 1st Marine Expeditionary Brigade to the Port of Al Jubayl, Kingdom of Saudi Arabia to conduct the offload of the Maritime Propositioned Ships Squadron-3 for Operations Desert Shield and Desert Storm. Upon completion of the offload he was reassigned to the G-3/Combat Service Support Operations of the 1st Force Service Support Group at the Port of Al Jubayl as a combat service support watch officer.

He returned to Hawaii in April where he was assigned as the operations officer on the G-4 (Logistics) staff

of the 1st Marine Expeditionary Brigade.

Major Gallagher is married to the former Patricia Jones of Oxford, N.C. and they have two sons, Eric and Brian. He is the son of Theresa Gallagher, and has two brothers, Robert and James J., who is a senior chief in the U.S. Navy, and one sister Dorothy Pacheco.

At the conclusion of the formal ceremonies, a wreath will be placed at the base of the statue of Col. William Prescott on the Monument Grounds.

Conway and the committee, extend a warm welcome to all residents and organizations from within and outside the community, to join with them on the morning of the 17th of June — the 216th anniversary of the Battle of Bunker Hill, at both the Ecumenical Services at St. Francis de Sales Church at 10 a.m. and at the Patriotic Exercises at the Monument at 11 a.m.

With the cooperation and attendance of all, these commemorative exercises will be truly a fitting tribute to our fallen heroes of Bunker Hill as well as a tribute to our modern-day patriots who served in the Persian Gulf.

## Bunker Hill Day Parade To Be Presented On Cable Television

Carol Zanstuck's High Street neighbors know her as a teacher in the Chelsea school system. Around the studios at Boston Neighborhood Network TV, Carol is known as an assistant coordinator of BNN-TV's Jamaica Plain Center, a capable access producer and an instructor in portable camera workshops for aspiring access producers.

On Sunday, June 16 Zanstuck takes on the role of cable access producer of Charlestown's Bunker Hill Day Parade, a monumental task for a volunteer. The parade will be cablecast on Channels 3 and 8 on Sunday, June 16 from 8 to 10 p.m. and will give Townies and all cable TV viewers in 100,000 homes in the city of Boston an opportunity to once again view the gala parade to welcome home Charlestown men and women who served in Operations Desert Shield and Storm.

This is just one of the neighborhood parades and festivals produced annually on BNN-TV and Zanstuck is but one of dozens of access producers who undertake these events throughout the city. Zanstuck has had experience in cablecasting major events. Among her credits are Boston's *First Night*, the largest event in the city on New Year's Eve,

CAROL ZANSTUCK, cable access producer of Sunday's Bunker Hill Day Parade, admires the posters submitted by local youngsters that will decorate a "Welcome Home" float. The parade will be cablecast on channels 3 and 8 on Sunday, June 16 at 8 p.m.

and *Bound for Glory*, the Woody Guthrie tribute. She's also been involved in *Ireland on the Move*, *The Charlestown Rose Contest*, *Wednesday Evenings on the Plaza*, and many other local events. But the Bunker Hill Day parade will be a challenge for her.

At 9 a.m. on the day of the parade, Zanstuck will guide the mobile BNN-TV van into place on Winthrop Street at the Training Field. She and her crew will then work non-stop for the next six hours or so. This traveling studio on wheels con-

tains all the equipment necessary to produce an event as involved as the Bunker Hill Day Parade. The van holds four cameras, an audio board, technical equipment and the crew of 10 assistants. When the van arrives, Zanstuck's long day has just begun.

Weeks of exhaustive preparation have already been in the works. Background information on the parade participants and interesting historical facts on Charlestown have been researched by the hosts for the cablecast, Bruce and Norita Lee.

These Mystic Street residents have been bringing coverage of the parade to the cable audiences for the past eight years. Bruce Lee has been anchoring newscasts on WEEI radio for more than 20 years. Norita, a communications consultant, is a native of Charlestown. She and her two sisters grew up on Parker Street. Norita is also a Neighborhood Correspondent on BNN-TV's Boston Neighborhood Network News, covering the news, the people, the politics and issues that impact Charlestown. Bruce is a news anchor and interviewer on WEEI radio.

The Lees will be on hand to bring the color and commentary on the parade to the audience and to interview people familiar to all residents. Guests have been booked, briefed and background on the parade entrants has been gathered and documented. They'll be interviewing special guests that day, but none more special than the honorary chief marshals, the men and women from Charlestown who served in Operation Desert Shield and Desert Storm.

Zanstuck will be assisted on the shoot by Tom Clifford, no stranger to Charlestown. Clifford produces the weekly *Ireland on the*

*Move* program and has taped many Charlestown events for viewing on Channels 3 and 8. Also joining the crew is Herb Price, the BNN-TV program scheduler. Both Clifford and Price are veterans of the Bunker Hill Day Parade, having worked on the cablecasts since 1984. With their help and with other crew members, Zanstuck goes to work to make it all happen.

After hours of preparation, Zanstuck will take a deep breath, turn to her assistants, smile and let them know the parade is ap-

proaching the site and their work has just begun. And when the parade begins to unfold on TV screens around the city, no one will know of the frantic preparations that took place. Everyone involved in the cablecast will be calm and ready to bring the best of the parade to the audiences.

One of the scenes audiences will see is the giant yellow ribbon around the Bunker Hill Monument, a symbol of the love and pride all of Charlestown feels for those returning from the Gulf.

HOSTS of the cable television coverage of the Bunker Hill Day Parade will be Charlestown residents Norita and Bruce Lee.

## USS Bunker Hill - From Charlestown To The Persian Gulf

by LTJG Jonathan Johnson, USN  
Public Affairs Officer, USS Bunker Hill

One hundred and eighty-eight days after leaving its home port of Yokosuka, **USS Bunker Hill (CG 52)** returned to Japan from Operations Desert Shield and Desert Storm on April 8. **Bunker Hill** is a Ticonderoga-class Guided Missile Cruiser, and the first U.S. Navy ship to be equipped with the revolutionary Vertical Launch System (VLS).

**Bunker Hill** was commissioned Sept. 20, 1986 in Charlestown, within sight of the monument that commemorates her namesake battle. It was a battle that sparked a revolutionary spirit in the American rebels and brought our fight for independence to the world's attention.

The first **Bunker Hill (CV 17)**, an Essex-class aircraft carrier, was built in Quincy and earned 11 Battle Stars for World War II service in the Pacific. The carrier earned the nickname "Holiday Express" because it conducted its major strikes against the enemy on holidays. In doing so, the ship also earned one of the most impressive battle records of World War II.

The cruiser **USS Bunker Hill** served as the anti-air warfare command ship in the Persian Gulf, carrying on the proud legacy of the

patriots who fought at Charlestown on June 17, 1775. As the 18th century historic battle was about to begin, the American leader ordered his bold strategy, "Don't fire until you see the whites of their eyes!" For the ship that will carry the U.S. Navy into the 21st century, the motto is bolder, but no less appropriate, "We fire long before seeing the whites of their eyes!"

From early November through the first five weeks of combat operations, **Bunker Hill** was responsible for air defense over the Gulf, directing 23 ships and more than 200 fighter jets from six nations. Starting on D-Day, as upwards of 2,000 planes flew air strikes in Iraq on a daily basis, **Bunker Hill** was called upon to track them going in and coming back out.

Controlling such a vast amount of airspace was made possible by the AN/SPY-1A phased array radar, which replaces a conventional rotating radar with four electronically scanning panels. This allows the ship to see in all directions simultaneously, while at the same time fire and track more missiles, with greater accuracy, than any other system afloat.

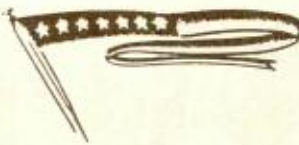

**Bunker Hill** also played

### For The People Of Charlestown, Massachusetts

As your celebration of Bunker Hill Day unfolds, you should know that the spirit of determination and valor in the defense of liberty which you commemorate is alive and well in the far Pacific and, recently, in the Persian Gulf as well.

**USS Bunker Hill (CG 52)** was an active participant in the defense of the gulf from last October through Desert Shield and Desert Storm until our departure in early March. We were privileged to serve as the Anti-Air Warfare Commander for the unprecedented coalition of naval forces which supported our ground forces in their historic liberation of Kuwait.

You can be proud of the ship that proudly bears the distinguished name of the long-ago battle that so illuminated men's hearts with the fire of liberty. You should be prouder still of the young men who sail in her, for they are modern patriots, now steeled in battle and ever ready to stand tall in defense of freedom.

*Thomas F. Marfiak*

Commanding Officer

an historic role in the realm of strike warfare, participating in the first wartime multi-ship multiple cruise missile launch. With the pinpoint accuracy of Tomahawk cruise missiles, she conducted numerous strikes against enemy targets ashore, following in the footsteps of her WWII predecessor.

"**Bunker Hill** will make

a great contribution whether she fires in anger or not, and for this we are truly grateful," said Walter Skallerup, general counsel of the Navy, at the ship's christening ceremony in 1985. Just five years later she was indeed called upon to fire.

During the deployment, the ship and crew steamed nearly 22,000 miles, burn-

ed 3.7 million gallons of fuel, consumed almost 3 million meals, and tracked more than 100,000 aircraft.

**USS Bunker Hill** is 567 feet long, displaces 9,600 tons, and carries a crew of nearly 400 officers and enlisted men. The ship is powered by four LM2500 gas turbine engines (marine versions of DC-10 jet engines), which can provide speeds in excess of 30 knots. In addition to the 122 missiles carried in VLS, **Bunker Hill's** firepower includes two five-inch guns, eight Harpoon anti-ship missiles, six torpedo tubes, and the two Phalanx Close-In Weapon System (CIWS) anti-missile guns. The ship is commanded by Capt. Thomas F. Marfiak, a 1966 graduate of the U.S. Naval Academy.

The greatest contribution to **Bunker Hill's** success came from the crew. Without the efforts of bright and motivated sailors, even the best technology on the sea is worthless. And like those Revolutionary War patriots who fought and fell on a hill overlooking Boston, the men of the **USS Bunker Hill** grew stronger in the face of adversity.

They hail from all parts of the United States, signing on to serve their coun-

try and see the world. Massachusetts is one of the states whose sons serve on the cruiser **Bunker Hill**.

Lieutenant David Gwilliam and Petty Officer 3rd Class Matthew Cardoza are two of those who proudly serve. One is an officer, and one an enlisted man, but each plays a vital role in the Combat Systems Department of this complex vessel. Each is also — not surprisingly — a die-hard Red Sox fan.

Gwilliam is the Weapons Control Officer, responsible for the operation of **Bunker Hill's** vast array of weapon systems, which include mainframe computers, radars, guns, torpedo tubes, and missile launchers. Born in Hartford, Conn., he spent most of his youth in the Boston area.

**Bunker Hill** is now back in Yokosuka, Japan, after its exciting deployment. Gwilliam and Cardoza must now face a somewhat more peaceful, though no less vital, challenge. During a brief but extensive overhaul, **Bunker Hill** must be made ready for sea again. The ship is a formidable weapon, designed to go in harm's way, but it is the crew that truly brings **Bunker Hill** to life.

\$20,000 is needed to put the Bunker Hill Day Parade on the streets on Sunday, June 16 — and with only a few days until the celebration, the Monument is just over half filled. With the fiscal constraints on the city of Boston, only a limited amount of money is being allocated to the celebration by the city and each unit is asking for an increase in its fee. Thus the success of the celebration depends on you — the residents, merchants and organizations. Donations of \$25 and over will be publicly acknowledged.

When I walk up my street on Sunday nights, I am often overwhelmed by the amount of trash we manage to produce. We are covering ourselves up with garbage.

Sometimes when I read stories in the paper or I see a feature on TV about the garbage problem we are creating for ourselves I feel frustrated and helpless. I don't feel like I stand much of a chance up against the big corporations who dump a lot of junk without much

sensitivity. I am not sure how best to become a part of helping to clean up our harbor. I don't even know what to do about all the stuff on my street! The problem seems huge and I seem very small.

I can't change a lot of the things going on right now, but I can do some things that matter. I work part time at Blockbuster Video in the Bunker Hill Mall. A couple of months ago, we decided to start reusing the plastic

bags we put the tapes in instead of throwing them away. We haven't made the six o'clock news, but it has made a difference. Two weeks ago, on my Sunday night shift, I did not use a new bag the whole evening. All of the bags I used were recycled because folks brought them back. That felt pretty good. I do feel like I am making a differ-

ence, even if it is a small one.

We will have more recycling options here in Charlestown before too long. For now, think of the little things you can do. Don't take a bag from the store unless you need it. Take your empty plastic bags back to Johnnie's Foodmaster and put them in the recycling bin provided there. Return your bottles and cans for the deposit. Buy products which come in recyclable containers and then recycle. None of this may seem like much, but it's a start.

**Blue Devils Number One . . .** Magic Mike Collins led coach Pat "Reily" Woods' Blue Devils to the championship of the Bunker Hill Junior Basketball League. Collins had 13 points in the 30-28 victory over the Jay Hawks. Tommy McDonough and Chris Tamburello were the leading scorers for the Jay Hawks, who finished second during the regular season.

The Blue Devils finished fourth in the regular season standings and were winless in their first four games, but went on to win the next six and extended their winning streak to nine, winning the three playoff games.

Members of the championship team are Jimmy Tallent, Mike Collins, Greg Staples, Francis MacDougall, John Fabiano, Kyle Egleston, Jason Smith, Santos Figeroso and Larry Pennuci.

**Playoff Highlights**

In quarterfinal action, Shane Fisher poured in 18 points for the Wildcats but Jeff Houlihan, once again, proved to be the difference as the Orangemen advanced 47-34. Larry Pennuci led the Blue Devils past the Tar Heels 29-18. Greg Masse yet again played a tremendous game for the Tar Heels.

The Blue Devils moved into the championship game as Mike Collins scored 17 points and Mike Collins with 10 took control early in the second half of what was a close game, defeating the first place finisher Running Rebels 38-18. Andrew Ray paced the Rebels.

The Jay Hawks advanced to the championship game with a tight 26-24 victory. The contest boiled down to a battle between two of the league's best, Jeff Houlihan and Tommy McDonough, who both scored 18 points. The defeated Orangemen finished third during the regular season.

Our little Junior Basketball League here at Bunker Hill is over and we hope to have it each spring following the Andy Puopolo-Charlestown Pride Camp. For me, the first year has had many significant highlights . . . the closeness of the league race, the excitement of John Fabiano, the fine effort of Mark Kempton, Greg Masse, Francis MacDougall and Chris Tamburello all year, the sportsmanship of Cindy Campbell, the improvements of so many players and the makeup of the championship team (kids from all parts of Charlestown) are at the top of the list.

An important component of this league is the help received by the older teens, especially referee-in-chief Pat Owens and coaches Pat Woods, Mike Erardi, Jonathan Owens, Steve Fabiano, Bill Barends, Vinny Tamburello and Donny Kelsey. Without their help the league would be difficult to operate and the youngsters who played should understand this, and appreciate, like I do, what these older teens have done.

The Bunker Hill Junior Spring Basketball League and the Andy Puopolo-Charlestown Pride Basketball Camp has hopefully laid the foundation for what should be a great summer BNBL League, especially at the 15 and under level.

**Game Sponsors Needed . . .** According to Coach Jack Morris, the Charlestown Townies are the oldest amateur football team in the country and currently play in the highly regarded Eastern Football League. "We offer healthy activity and competition for the post high school young men of Charlestown," he said.

The team is seeking start-up financial support to bring the level of football back to the status the Town Team once experienced. Any financial assistance would be greatly appreciated by all the players, administrators and coaches of the Charlestown Town Team.

Rough estimates for a home Townies football game is about \$600 per game. The Townies have five Home games beginning on July 12.

Anyone who would like to sponsor a game or part of a game should contact Coach Morris at 648-2173.

**Fast Break '91 . . .** Members of the 1991 Fast Break Team are Chris Brennan, Vinny Tamburello, Pat Owens, Pat Woods, Jonathan Owens, Kirk Titcomb, Tommy Gould and Jeff Houlihan.

Bunker Hill takes on Maverick this Saturday, June 15 at 9:30 a.m. at the Fens.

**Cavemen Clinch First Place As Playoffs Begin . . .** Going into this week two regular season games had to be played and, barring any major upsets, the playoffs are set and the championship game will take place this evening at the Kent Community School.

When the Devils play Snappies Revenge, and Van Halen plays Junior JAFT in the season's finales the goal scoring title will also be decided.

**Fighting Irish Top Devils** — Joey Tallent had four goals and Billy Burke added a hat trick as the Irish defeated the Devils 10-4. Jamie Carroll added two and Eddie Greatorex had one for the winners. Devil goals were scored by Francis MacDougall with two and one each by Shane Fisher and Chris Tamburello.

**Smith, Linnane Tip Junior JAFT** — Jason Smith and Stephen Linnane both had hat tricks as the Watchamacallits took a 9-7 thriller from Junior JAFT. Mike Upton scored two and Stephen Ridlon also scored for the "W". Joe Kacvinsky continued his offensive assault scoring six times for Junior JAFT. Jason Scales had a goal.

**M Squad Topple Van Halen** — A hat trick by Paul Myers, a pair by Mark Mansfield and a goal by Matt Mehegan dropped Van Halen from the undefeated ranks. Eric Gould had both Van Halen goals. The victory clinched first place for Ewey's Cavemen who, despite identical records, had a better goals against average.

**Houlihan Stops Smurfs** — Jeff Houlihan had six of the eight goals as Snappies Revenge defeated the Smurfs 8-1. Jimmy Tallent and Mike Burns scored the remaining Snappies' goals. Chris Tingley had the Smurf's long tally.

**Cavemen Edge the "W"** — The Watchamacallits gave Ewey's Cavemen all they could handle in their final game of the season. Mark Mansfield sunk three of four goals late in the last period and was the game winner. Jason Smith had both "W" goals. The 4-2 victory made it six straight for the Cavemen.

**Smurfs Down Fighting Irish** — The Smurfs spotted the Fighting Irish four goals, two by Joe Tallent, and Ed Greatorex and Billy Burke with one each. The Smurfs roared

back with the next six to post a 6-4 win. Jimmy Yandle, P.J. Hanson and Dave Burns each had a pair of goals.

## Charges And Countercharges Fly As Battle Of Bunker Hill 8K Nears

The rosters are nearly complete as five local businesses prepare to field teams in the annual Battle of Bunker Hill 8K Road Race on Sunday, June 16 starting at 9:30 a.m.

A challenge by Thom Gilligan of Marathon Tours for business teams to compete in this race was taken very seriously in most quarters. Last year's rivals, McCarthy Brothers Liquors and The Ironside Grille, are

being joined by Marathon Tours, The Red Store and Collier's Market — with still a chance for more entries before the 9:30 a.m. start on Sunday.

Ned Rosselli of The Red Store fame threw out a challenge to Richie and Henry (a/k/a Harry) McCarthy that they shouldn't be allowed to field a team unless the principals of the business were running.

Richie and Harry respon-

ded to Ned's charges, calling it "last minute trickery" in suggesting that the merchants themselves must run in this year's race to win the coveted trophy. Richie said that they would run if the principals of The Red Store — Bob and Joe Rosselli — would make the run.

Richie said that Ned "needs every excuse in the book" as he can be seen huffing and puffing all over Charlestown in recent

weeks preparing for the big race. Harry said that the only running he and Richie have done lately is to Collier's Market for a huge chicken cutlet.

Collier's Market is now in the fray. Bob Collier says he is leaving the racing to the younger Colliers and the rest of the runners on the team, but he did manage to get a commercial in on the market's first quality meats and vegetables — no wonder the McCarthy Brothers race up the hill for that cutlet sub!

Richie also said that reports have gotten back to him that Ned tried to buy noted runner Frankie Keane with three pairs of new running shoes but Frankie turned him down cold — always faithful to the McCarthy team.

Richie may have some problems with his runners if the well-known "Pudgy"

is any example. Pudgy reports that he is doing the Charlestown Biathlon — a hockey game at 9 p.m. on Saturday night followed by the road race on Sunday morning.

Asked to comment on the upcoming race, Ironside Grille's Bill Cantin says he "doesn't waste time with street-corner hearsay" — he brings only the facts to the Patriot.

Cantin is hosting a spaghetti supper for the runners and the sponsors on Saturday night and we have been informed that there may be some spies on hand trying to gain some last minute information on the strategy of the other teams.

Marathon's Gilligan said he has heard the word "ringer" used to diminish the world-class reputation of their team. He said, "Let me assure you — there are no ringers on the Marathon team."

As each team gathers support from friends and associates to cheer them on in what looks to be a heated race — it would be anyway with a predicted tempera-

ture of over 90 degrees — messages are coming in adding to the furor.

Edward Johnson, president of the Boston Barons and Quinn hockey clubs, notified the Patriot that he has thrown his entire support and that of his hockey clubs to The Red Store in their endeavor to capture the Bunker Hill Day Race. He reiterated the comment that all team captains should run in the race.

He was angry having heard that the McCarthy team captains were not running. Johnson said that he heard from a reliable source that runners have been brought in from out of town to race for McCarthy. He stated that he, as a concerned Charlestown resident, intends to have a police officer with him at the start of the race to check identifications in order to protect the citizenry of Charlestown.

So, this year's Battle of Bunker Hill Road Race looks as though it will live up to its name — and the great thing about is that it all goes to programs for the youth of Charlestown.

#### ... DAD ...

Good morning little yellow bird,  
How I miss your smile and laughter.  
I know that you are safely home,  
And in the arms of the Master.  
Although earthly eyes cannot see you,  
I feel that you are near.  
I feel your spirit with me Dad,  
To wipe away my tears.  
You never really left me, Dad,  
You're always in my heart.  
The love and memories will "always be"  
Although we are apart.  
You never really left me,  
You're always on my mind,  
The love that you have given me,  
Is rare and hard to find.  
The yellow bird sings here no more,  
He has passed through another door,  
One of love, light and a new beginning.

These five trees will be planted in the fall by Tree Warden Brian Gilbert and staff of the Boston Parks & Recreation Department.

The original lottery held in April realized 48 applicants for the eight trees which will be planted in various locations throughout Charlestown and should be in the ground before the Bunker Hill Day Parade.

The homeowners who won in April and who will win the upcoming lottery,

will be responsible for seeing that the tree they win is watered periodically.

To enter the lottery, please fill in the entry blank below and send it to the Charlestown Preservation Society, Box 201, Charlestown, Mass. 02129. All entries must be received by Saturday, June 15 at noon.

### Birmingham Announces Road Repair Monies For Boston

Sen. Thomas Birmingham reports that the 1991 Transportation Bond Bill has been signed into law. The \$4.9 billion package authorizes a comprehensive highway, roadway, mass transit, aviation and rail construction program.

Leveraging \$2.5 billion in state spending with \$2.4 billion in federal funds, the Transportation Bond Bill is crucial to jumpstarting the Massachusetts economy and lowering unemployment.

"Roads and bridges are crumbling from neglect," said Birmingham. "This Bond Bill will help create a safer infrastructure and give us a first class transportation system. The Bond Bill

also provides critical relief to the economy by directly and indirectly creating thousands of new jobs," he added.

"At a time many municipalities cannot afford an infrastructure improvement program, Chapter 90 road-

way monies provide funding for worthwhile local projects. We must invest in and rebuild our cities and towns," noted Birmingham.

Boston is slated to receive \$13,894,510 in Chapter 90 monies as part of the 1991 Transportation Bond Bill.

### 8K FUN RUN

Out of the starting gate,  
on to the streets.  
Hundreds of runners annually meet  
to support our young boys and girls.  
Through a strenuous course in Charlestown  
a chase for the ribbon prevails.

Limitless pavement ahead unwinds,  
as the finish line bears upon each runner's mind.  
Over stretches of flatland,  
up steep arduous climbs,  
footsteps through history suddenly intertwine.

Beginning at the bottom of Bunker Hill,  
heading up ole' Lowney Way.  
See the steady stream of runners  
set a pace for this 8K.

Past the Training Field, to Warren, then to Main,  
These runners now a longer train.  
As its field finds a comfortable pace.  
Ready to climb up Bunker Hill,  
for the challenge they will face.

Ascending the top, then down the hill  
back to Hayes Square.  
They repeat the course only to detour  
onto Medford Street's flatland fare.  
Into the Navy Yard from Chelsea Street  
as the finish line draws near.

Past the Ropewalk to Thirteenth Street  
onto Eighth Street to First and Sixth.  
Where our gallant runners finally nix  
the pain of this beaten course.  
Everyone is a winner here  
regardless of who's last or who's first.

In keeping with Bunker Hill Day tradition  
this race has been run in many conditions  
Throughout twenty-three young years  
under torrid, blistering sunny skies,  
over raindrops larger than tears.

So grab your sneakers and hustle down  
to the Club at 15 Green  
and register for this great event  
being held on June 16th.

Bob E. Powers

**ROAD RACE**

The 23rd annual Battle of Bunker Hill Road Race will be held this Sunday, June 16 at the Flagship Wharf in the Charlestown Navy Yard. There is both a two-mile novice race beginning at 8:30 a.m. and an 8K run beginning at 9:30 a.m. Runners may register before race day at the Boys & Girls Club and at Flagship Wharf on race day. Registration is \$8 before race day and \$10 on the day of the race. The novice race is free for all Boys & Club members. The first 400 registrants will receive a T-shirt. For all the non-runners out there, we are in need of volunteers to help with the race. Anyone who is interested in volunteering should call the club at 242-1775 and ask for Jerry Steimel.

**CLUB CLOSING**

The last day the club is open for its drop-in activities is Saturday, June 22. There will be one week of staff trainings, evaluations and planning, and our summer camps begin on Monday, July 1. It has been a long and busy year and we're all looking forward to a change of pace and the beginning of our "fun in the sun" camps.

**SUMMER CAMPS**

There are still openings in both our Day Camp and Adventure Camp, and some limited scholarships are available. Also, thanks to the Charlestown Kiwanis, there are scholarships available for overnight camp at both Boys & Girls Camps in Duxbury, Mass. and at Brentwood Camp in Peterborough, N.H. Take advantage of these opportunities and give your young boy or girl a summer of fun and excitement. For more information and all the necessary forms, stop by the club.

**THANK YOU**

As we wrap up another school year at the club and head into the summer, all of the staff at the club would like to stop and thank everyone who helped the club serve the young people of Charlestown this year. Whether it's attending a fund raiser, donating some of your time, energy or any number of gifts we receive from the community each year — we are sincerely grateful. We all feel Charlestown is such a special place because of the way everyone pulls together, especially when it comes to the welfare of our young. So again, thanks to everyone who helped to make this past year such a successful one at the club.

**LOST AND FOUND**

One final housecleaning note before we head into the summer months — over the course of the year, our club members have managed to "forget" their coats and hats on several occasions and we now have quite a collection of clothing in our lost and found box. If over the course of the winter your boy or girl has lost their coats or other clothing, please stop by the club and check out the lost and found box. Any articles left here on July 1 will be donated to the Salvation Army. Thank you!

## A Million Thanks for A Hundred Years

St. Francis de Sales School is conducting a Penny Drive entitled "A Million Thanks for a Hundred Years." The school is collecting pennies now through the Centennial year 1991-1992. Special receptacles are located in the church, chapel, rectory, convent and school of St. Francis de Sales to receive

"A Million Thanks". St. Francis de Sales Parish School is one of the few Catholic schools in America celebrating a century of excellence in Catholic education. "A Million Thanks for a Hundred Years" is a nice way of saying thank you as St. Francis de Sales Parish School celebrates its 100th Birthday.

**Thank You**

Thank you to Alice Smith and Debbie Lent for two great years in Tiny Tots.  
Patrick Rose and Jill Connolly

**Our Sincere Thanks**

On Friday, May 31, our son John took a seizure. It was a very scary experience for my husband and I. If not for the quick thinking of our good friend Tom Hennessey and the fast action of the firefighters from Engine 50, especially Billy Boyle, I don't know what we would have done.

We would like to thank all who helped, the police and ambulance people, and all my neighbors and family that were so concerned.

John is doing fine, and so are we — now.  
Thanks again.

Gratefully,  
Lisa and John Collins

**I Am Compelled To Speak Out**

Just recently a 27-year-old young man was viciously murdered in Charlestown. I am new to this town and I am horrified. I waited for news on the apprehension of the murderer(s). I was astonished to learn that the murderer(s) might not be apprehended. I was quickly informed on the history of this town in regard to murder and crime. I am compelled to speak out on this issue.

Perhaps the people in Charlestown should reflect on the following questions: Is it true that a murderer is safe in

Charlestown even when citizens are aware of his/her identity? Can someone be so ruthless as to murder another human being in cold blood in front of witnesses? How can someone so boldly think that they are above the law — untouchable? Who allows it? Do you realize that your silence is creating an atmosphere where hideous crimes can flourish? What motivates these criminals to repeat acts of violence? Why is Charlestown as a community silent in regards to crime and violence? Is it fear, lack of concern, or just acceptance?

I am a resident of Charlestown and deplore the murder of that young man. I am also deeply troubled by the lack of response by residents and police. I consider myself a responsible citizen who believes in law and order. If I witness criminal activity, by virtue of my strong moral code, I will come forth with information to the authorities. I will not condone the free reign of criminals in this town.

My heartfelt condolences and sympathy to the family and friends of the young man who was so tragically murdered with no retribution.

Sincerely,  
Cindy Burke  
1991 Charlestown Rose

Sincerely,  
Joan Atwalt
