Boldenone undecylenate 250mg Boldenone undecylenate is a veterinary injectable steroid. It is a derivative of testosterone, which exhibits strong anabolic and moderately androgenic properties. The undecylenate ester greatly extends the activity of the drug (the undecylenate ester is only one carbon atom longer than decanoate), so that clinically injections need to be repeated every three [...]

Warning: manufactured on shared equipment which processes products containing milk, egg, soybean, wheat, shellfish, fish, tree nut flavor and peanut flavor\*
