Original Testolab-E 250 by 7Lab Pharma. Testolab-E 250 from 7Lab Pharm is a long-acting testosterone, a powerful androgenic steroid, its period of activity in the body is 2-3 weeks. With this steroid, athletes build up solid muscle mass, which of course is accompanied by the accumulation of water in the body, muscles recover very quickly after heavy training. I'm slowly getting into more functional movements for jiu jitsu and kickboxing. I don't feel like I'm overdoing it anymore when I was lifting, running, AND training. That shit will mess you up if you over do it plus the fact that I was DEFINITELY losing gains. Feelin good!??

Burnout is a funny thing, everyone thinks it's just being tired or whatever. However, its a combination of dip in motivation, energy, concentration, feeling of worthlessness, and much more. At least that's what it felt like to me.

It's Day 6 #FitDocChallenge with @myrnabradfitness and 4.5 miles of intervals is in the books. After church going to do some errands and then my second workout for #75HardProgram.
