

**SUMMARY:** Multiple sources are saying that the final procedures of the RV are currently underway! A rumor with a couple of confirmations says that the Admiral's group has received their funds, but it will take them several days to train their disbursing agents to actually distribute the funds. I am hearing that the funds will be released to the paymasters for tier 4 this weekend, and the toll free numbers will be available. Appointments for exchanges will not be available until next week, but it appears that the numbers to call and make your appointments will be available before then.

**Tilton:** Was just given information and confirmations on implented codes Come on Tuesday.

Free and Clear Letters" - DebTarHeelGirl Update 10-12-18  
10/12/2018 11:01:00 PM DebTarHeelGirl, Update

DebTarHeelgirl: FREE AND CLEAR LETTERS - This is on my list of to do's.

When speaking to the wealth manager of your financial institution after the GCR exchange, ask for FREE AND CLEAR LETTERS. They should give you 3 if you ask for them but may charge you for additional ones.

You should ask for at least 30 and if they charge PAY FOR IT – it's a legal doc clearing your monies that your deposits and the giftings thereof are clean and not from illegal activities.

Since the Patriot Act was enacted after 9/11, all monies have to be seasoned. That means that Financial Institutions want to be sure that the funds are not coming from terrorists or drug deals. Wells Fargo, upon exchanging your currency will have validated where it came from and that the deposit is legal and legitimate with these Free and Clear Letters.

When you give funds to ministries and agencies, you want the receiving Financial Institution to know that the gift money you have given to the charity, family or friend has already been "seasoned and is legitimate".

Without the FREE AND CLEAR LETTERS, it may take weeks for the recipient to have the funds cleared for use. That would tie up valuable time and resources.

This also prevents and protects you from saying WHERE and HOW you obtained your funds... Great protection with this document to not violate any agreements to never share how you obtained your wealth.

All my best-Debbie

## **Ghost Of John McCain” Rises From Grave To Ignite “Holy War” As Russian and Hungarian Forces Gather On Ukraine Border**

By: Sorcha Faal, and as reported to her Western Subscribers

<http://www.whatdoesitmean.com/index2682.htm>

*In spite of the typical hyperbolic Sorcha faal rhetoric, this appears to be an effort by the Deep State/Cabal fellow travelers of No Name McCain to once again ignite Ukraine into a world war. Aside from the title, the rest of the material seems to be correct. We hope that POTUS will be able to see around his remaining Neocons, like John Bolton and Kurt Volker, to calm down the threatening conflagration.*
