May events from history.

What year was the first Academy Awards? Who ran the first four minute mile and what year?,

What did BF Goodrich produce in 1947? Dartmoor Prison opened in what year and why?

Famous tests carried out by 617 Squadron at Reculver, what year and what were the targets?

From The
Chairman

Chairman Olly.

Well when you read this, the first show has come and gone and looking at some pics at the Sandwich show many Landies from the club turned up. Horrible morning of rain then beautiful sunshine in the afternoon!

Hope any first timers enjoyed themselves and regulars had there motors clean as Steve Fisher and Andy Dowling hope you can join the next day at a show.

Club Meeting News.

The Club meeting in April was attended by 38 members and friends at the Dog and Duck Pub Plucks Gutter, Olly opened the meeting at 2009hrs with a warm welcome to all including one new member.

- Ollie told the meeting that Phil had all but one (Chilli Farm) show forms, so see him if you want/need any.
- Nicky provided the meeting some homemade cakes in celebration of her birthday (we didn't find out her age though! Lol) but happy birthday anyway Nicky.
- Charlie spoke about off road training days.
- Tonight's raffle raised £31.00 for the Kent, Surry and Sussex Air Ambulance. A very big thank you to you all for your continued support.

Vol 7. Issue 5. May 15.

Well hello again.

I'm just putting up a little reminder that subs are due again. We have kept them the same as before (£20) as we all need to keep our eyes on the pennies so we can spend it on our Landys.

Not much been happening on the Otto front except that now the kick down switch is working properly so I now feel that the old girl is finished after her dramatic expiration last year!

It will soon be show season so now is the time to spruce up the Landys or give em a good coating of mud whichever you fancy.

We are hoping to organise some new activities throughout the year with trips to Salisbury Plain for the weekend which is great fun and is spent in a lovely 14th century coach house at a place called Potten. There will be the driving challenge which is always popular with a barbie at the Dog and Duck afterwards. If anyone has ideas for club events feel free to give us your ideas they don't have to be Landrover themed they can be just social stuff, we are always looking for ideas.

Welcome to the new members we hope you will enjoy being in the club which has such a nice friendly feel to it and all our resident experts will always be on hand with advice (gained from years of skinned knuckles and cold late nights!) and physical help in many cases.

We raised £31 at the last meeting night for our charity the Kent Surrey and Sussex Air Ambulance and so far this season we are well over £100 pounds so we are well on our way to passing last year's sum.

That's all for now we hope to see you at the first show which is Sandwich, start polishing!

Otto Twanker.

I want to make my Disco 300tdi as secure as possible as far too many Land Rovers go missing and I am also looking at keeping it away from my house at my mums as it will fit in the top of her garden. Her garage has been broken into before, so security is an issue.

So far I have fitted a "Safe T Pedal" lock that makes it pretty much immobile and is well worth the £70 as it comes fitted with a decent high security lock. I managed to get a £15 discount on the website price of £95 and this is still open to club members if they wish to buy one.

Still wanting more security I have done some research and found a Kent based company www.retainagroup.com They for £35.25 will register your vehicle on their database (for life) and supply you with warning labels plus unique stencils and UV marking labels and self-etching labels, so you can mark all the panels, plastic parts and windows on your vehicle.

After contacting them they sent me an article showing they did an offer in "Land Rover International" magazine a couple of years back and this is the kit that is still on offer as they don't normally deal with individuals. All the labels are laser cut and very good quality.

I was worried about all the accessories, so I am going to tack weld all the bolts and label all the parts with the self-etching labels.

Now I feel a bit happier and safer.

I will put both offers up on the club website.

Andy

Hi All.

What can I say? What a fantastic turn out of trucks at the first show of the year. A total of 11 braved the terrible weather to show everyone that whatever the weather the Invicta's are always there. Great to meet new members and welcome to them.

If you are attending shows please send in your applications as soon as possible, Phil has got forms for most of them now so just ask, as a lot of the shows are now quite strict about numbers and passes as space is limited at most of them.

See you all out there soon Jules.

We have most show forms now, if you need some see me tonight at the meeting, or phone me on 01843 845778 or 07702960644 and I will post or email them to you.

To fill spaces like this in your magazine.

Your Reports.

Please let us have your reports of what you have been doing to your trucks, photos and comments so that we can include them in your magazine for others to enjoy.

It's doesn't take a lot of time to do a report, type it, write it or just give Jules your scribbling's and let us do the rest, go on you can do it.

If anybody has any items that they would like to be considered for next month's magazine or anything shop related please see me (Jules) after tonight's meeting, or email / phone Phil on phil.letley@sky.com / 07702 960644.

Thanks as always to Mark & Ryan for their help.
