NF SEAMLESS ACTIVE SPORTSWEAR

NF Seamless has been developing seamless sportswear, underwear, corsets and outerwear and has acquired an extensive expertise in this field. Having based ourselves on the features demanded by a large variety of companies, we have created our own collections and also provided great support with their own designs.

Our keen knowledge of the Textile Industry since 1982, has helped us to develop many solutions in production of Yarn, Embroidery and Fabric.

Thanks to latest jacquard, electronic full automated Seamless Knitting Technology, NF Seamless has been producing seamless garments since 2015.

R&D Department with his qualified and highly motivated team, keeps always up to date with parallel to market trends by creating constantly new designs.

Our goal is to provide the best solutions to our clients by supplying high quality products according to the demands regardless the scale of them.

Sincerely yours,
