UPDATE FROM PAIGE: "Our family is grateful for the outpouring of love while we mourn the loss of our Charlotte. Charlotte had a catastrophic form of early childhood epilepsy called Dravet syndrome. We are moved by the continual impact that Charlotte's life has made shedding light on the potential of cannabis for quality of life.

CBD is a member of the family of compounds called cannabinoids that occur naturally in a plant known as Cannabis sativa, marijuana or "pot" plant. CBD for Dogs, Cats, and other four-legged friends! **Designed for pets, but great for your human too! All of our wellness products are lab-tested for quality and purity. Our product is concentrated to approximately 50mg cannabinoids per milliliter of oil. Our CBD oil is a whole-plant extract containing a full spectrum of naturally occurring ...

You can call your nearest store and speak to the team to place a local delivery order. You will need to give your full name, full address inc postcode, a contact telephone number and whether you are paying cash or card.
