We are on this planet for a short period of time  Our lives have been given to us to purify our inner being, to find the light within and reach divinity  It's only then we are truly ready to finally leave this world  Find your purpose and seek the truth  Remember the hardship you will face is your chance to better yourself and get closer to your inner divine  When you face hostility remind yourself that the truculent is ignorant and has a long way to go before they reach your level  Forgive the unkind and treat them kindly, teach them by setting an example yet stay strong and truthful to yourself and never let the malicious to oppress you

Friday Update: Shoulder is still tweaked but getting Upper Chest gains at high reps due to shoulder recovery. 100 reps per exercise for a few more wks. 2600 cals a day at 202lbs. Cardio is a lil struggle due to lean mass increase especially from heavy squat/leg workouts. But remember

OXANDROPLEX - 10 Oxandrolona En general es considerado como el mas seguro de todos, sus efectos son mas que bien documentados y se tiene información ya de algunas decadas hasta ahora. Dentro de la comunidad medica la oxandrolona es una compuesto bastante seguro a comparación de otros esteroides, y es considerado seguro su uso en pacientes que sufren de alguna enfermedad degenerativa que ...

I felt like I was either all in or all out or on track or off the wagon. I would try hard. I mean really try hard to be good all damn week only to feel like crap when Monday rolled around.
