**Happy New Year**

## From The Chairman

Firstly as your new Chairman may I wish you all a happy and prosperous New Year 2015 and may I also thank everyone voting me in as chair. I know well that I take over from one of the best chairmen of a club that I have been involved in and also a very good friend, so thank you Shaun and also for agreeing to be my vice chairman. As the New Year is here I am looking forward to all that goes on in the club, from the summer shows to the London to Brighton in October, but if anybody has any ideas on what they would like to do then **tell us** and we will try to make it happen. In the 8 years I have been involved in the club I have made so many friends and long may it continue, our club is a fantastic club to be in and try's to do so many things that I sometimes think we try too hard! Invicta Landrover Club is a club for people who like Landover's as well as off-roading, shows and other activities, so I hope we can move forward into 2015 and have loads of fun, mayhem and plenty of Landrover enjoyment.

Ollie.

## Club Meeting News.

- Ollie talked about some of the things proposed for the coming year, Shows, Driving Challenges, Green Lanes, Salisbury Plain Trip, Club Holiday and a possible Menin Gate Trip; the last two would need sufficient numbers to go ahead.

## The Club Website

The address for this is:

[www.invictalandroverclub.co.uk](http://www.invictalandroverclub.co.uk)

Do not try .com as we no longer own or have access to it. I am keeping my eye on it so if it ever becomes available to us I will reclaim it.

We do need input from members for things to go on there like on the member's page for instance, there are only a few of us on there at the moment. Any ideas or things to add please email them to me at:

[aidowling@aol.com](mailto:aidowling@aol.com)

Please put Invicta in the subject line that way it should not go astray in the junk folder.

I am hoping there is now a working downloadable membership form, so if anyone needs one it's available instantly.

The forum seems to have disappeared a few months back? Do we still require one as a club? If so I will look into getting a new one going.

The site at present is pretty basic as I am learning as I go along.

I have lots to do to the site very soon to improve it but I do need you the members to send me information along with any ideas if you have any.

Andy.

Please remember NOT to post personal details on web based sites. (Phone numbers, addresses, Reg numbers or VIN's) please PM somebody if this is necessary, and remember please consider what you put onto social media sites.

## **Hello Everyone.**

Well that's Christmas over and done with for another year and time to look forward to all of the exciting things that we have planned for the year ahead like Driving Challenges, off road days and weekends, shows and possibly a club holiday. We are always open to new ideas for the club and its members to do, so let any of us on the committee know and we will share it with the others to make it happen.

See you in the New Year Jules.

## **Your Reports.**

Please let us have your reports of what you have been doing to your trucks, photos and comments so that we can include them in your magazine for others to enjoy.

It's doesn't take a lot of time to do a report, type it, write it or just give Jules your scribbling's and let us do the rest, go on you can do it.

If anybody has any items that they would like to be considered for next month's magazine or anything shop related please see me (Jules) after tonight's meeting, or email / phone Phil on: [phil.letley@sky.com](mailto:phil.letley@sky.com) / 07702 960644.
