Theme: Christ leads us in humility that honors Him in the workplace

Introduction: The business research of Jim Collins, confirms that the most effective leaders are a blend of humility and fierce resolve to their company’s future.

Key Question: How do we understand Biblical Humility?

Not forced by circumstances, but marked by choices, as demonstrated in...

1. Christ's Claims (Demonstrated in His Triumphal Entry)
 - a. A Prophet
 - b. Priest
 - c. King

2. Christ's Courage (Demonstrated in his Commitment to God's Mission)
 - a. He risks personal acclaim for God's People
 - b. He gives personal sacrifice for God's people

3. Christ's Compassion (Demonstrated in His “Fierce” care for the humble)
 - a. Rejecting the “Religious” and “Respected”
 - b. Reaching the “Rejected” and “Needy”

Conclusion: We most reflect Christ's message when we share in humility, rather than when we try to convince with argument or accomplishment
