# **LEASING CRITERIA Hopkins Court Apartments**

This community utilizes a third-party service that conducts credit, rental history and criminal background investigations. Community management team members conduct all employer/income verifications. The investigation is conducted on all adult (18 years of age or older) occupants. The investigations are based on information provided by the applicant and information that may be retrieved from credit agencies, employers, previous landlords and Federal, State and Local agencies and other associated parties. In the event the application is rejected, the applicant will be notified verbally and in writing as to the reasons and the sources(s) of the information that resulted in the rejection. However, if the rejection is a result of the information provided by the applicant, we will only provide the results verbally unless the applicant makes a formal written request for information pertaining to the denial. In the case of roommates, information that we have obtained resulting in a rejection can only be released to the party whose investigation causes the rejection. A security deposit will be required from all applicants and multiple adult applicants will require additional application fees.

#### Criteria:

- 1. A minimum of 6-month rental or ownership history. History must consist of no more than 1 late payment or 1 lease violation during a 6-month period. If a debt is owed to another rental community, the application will not be considered until adequate proof of satisfaction of that debt is provided. If renting from a Private Owner, applicant must provide a copy of a utility bill with the address and name of the applicant on the utility bill. Applicant(s) without rental or ownership history may be accepted with a security deposit equal to the monthly market rental rate for the apartment to be occupied. Evictions will constitute an automatic denial of the application.

Any conviction involved in the production of methamphetamine or requires a lifetime registrant on the sex offender registry will result in automatic denial of application. Each applicant with criminal convictions will be assessed on a case by case basis. Crimes for which the applicant has been convicted and recent pending arrest will be considered. Assessment will evaluate how much time has elapsed since criminal conviction, age at time of conviction, seriousness of conviction and any rehabilitative actions and good conduct since conviction. The standards to approving or denying eligibility will be: 1. is applicant a detriment to the health or safety of the residents and community; 2. a source of danger to the peaceful occupation of other residents, 3). a source of danger or cause of damage to residents, personnel, property or the premises. The fact that we perform criminal background checks does not mean that our residents and occupants have no prior or current criminal histories. We cannot and do not guarantee that this community and its residents are free from crime. Verification of the accuracy of information supplied to or made available to us by applicants and credit reporting services is limited.
- 3. † All members of the household must be 55 years of age or older.
