

Jamie Muenchen & Katie Hamblin,
Comey & Shepherd, REALTORS

Hello, Home Buyers!

Congratulations on your decision to purchase a home! We are excited to have the opportunity to work with you and rest assured, when we represent you as a buyer we have your best interest at heart. Whether this is your first home buying experience or your tenth, you will have our complete attention and support.

For most of us purchasing a home is the most expensive purchase we'll ever make and that's why we believe it's our job not only to help you find your dream home but also to educate you throughout the process so you feel confident in your decision to buy.

Ready to get started? Fantastic! There are just two steps:

One - download our buyer's timeline and buyer's checklist. These guides will provide an easy-to-follow breakdown of the home buying process, what to expect and tips for a smooth transaction.

And Two - Send us an email at cincinnati Realtors@gmail.com with your contact information and list of must-haves. We will use these details to create a customized search in the Cincinnati MLS and email you homes which match your preferences.

We look forward to working with you,

Welcome home!

Jamie & Katie
