

# CALIFORNIA STUDENT AID COMMISSION

March 27, 2017

Rosa Estrada  
Student Senate for California Community Colleges  
1102 Q Street  
Sacramento, CA 95811

Dear Ms. Estrada,

As required by Education Code §69511, this letter is to inform you of a pending vacancy in a student Commissioner position on the California Student Aid Commission as of June 2017, and that your segment is eligible to nominate students for the Governor's consideration. Per Education Code §69511.5, appropriate student organizations may nominate at least three, but no more than five, students for each vacancy. To nominate students, please submit their information to the Governor's Office of Appointments as soon as possible.

The California Student Aid Commission is a 15-member body which oversees state financial aid policy and programs in California. Two Commissioners are student representatives.

Please notify the Governor's Office of Appointments of your intent to submit students for consideration, and complete the online applications, as soon as possible to ensure adequate time for the Governor's Office of Appointments to evaluate your nominees. The online application can be found at the following URL:

If you have any questions about the California Student Aid Commission, or the duties and responsibilities associated with this position, please contact David O'Brien, Director of Government Affairs, at David.O'Brien@csac.ca.gov.

If you have any questions concerning the appointments process, please contact the Office of Governor Edmund G. Brown at (916) 445-2841.

Sincerely,

David O'Brien  
Director of Government Affairs
