She's mov - ing on. Her

smile and your fan - ta - sies play a da -

The music starts playing, it's the

beat of her heart saying, “Let me be your star.”

Verse 2:

back to a girl with a song in her heart as she's

waiting to start the adventure

fire and drive that make dreams come alive, they fill her

soul. She's in control.

I’ll just have to for-

get the hurt that came before. For-get what used to

be. The past is on the cut-ting-room floor. The

future is here with me!
Verse 3:

Choose me! 

Fade

up on a star with it all in her

sights, all the love and the lights that sur -

round her. Someday she'll think
twice
of the dues
and the price
she'll have to
pay, but not today!
She'll

she'll have to pay, but not today!
She'll

do all she can for the love of one man and for
miliions who love from afar, I'm

what you've been needing, it's all here and her heart's pleading, let me be your

star.
