LAGOON 42

DESCRIPTION

For those who desire great performance without sacrificing elegance, the new Lagoon 42 is the right choice - fully deserving the 4 awards won. This Lagoon of latest generation enhances the dynamic qualities of a boat that, with its curved lines, guarantees fluidity to the whole hull. Everything has been designed for giving to the crew the opportunity to enjoy all the space onboard and, at the same time, to facilitate the liveability throughout the catamaran. The kitchen, that faces the cockpit, and the refinement of the materials used, make every moment of navigation comfortable. The stern area, where the table and the seats are placed, give the pleasant feeling of being on a luxury yacht.
