Testosterone cypionate (Depo-Testosterone) is an inexpensive drug used to support normal male development such as muscle growth, facial hair, and deep voice. This drug is more popular than comparable drugs. It is available in generic and brand versions. It is not covered by most Medicare and insurance plans, but manufacturer and pharmacy coupons can help offset the cost.

Food choices obviously will make a difference with how we feel and how our hunger will be satisfied. I am someone with a very large appetite. So I look to picking foods that will allow me to eat a larger volume while keeping my calories in check.
