## LEASING CRITERIA

### The Arbors at Wintergreen

This community utilizes a third-party service that conducts credit, rental history and criminal background investigations. Community management team members conduct all employer/income verifications. The investigation is conducted on all adult (18 years of age or older) occupants. The investigations are based on information provided by the applicant and information that may be retrieved from credit agencies, employers, previous landlords and Federal, State and Local agencies and other associated parties. In the event the application is rejected, the applicant will be notified verbally and in writing as to the reasons and the sources(s) of the information that resulted in the rejection. However, if the rejection is a result of the information provided by the applicant, we will only provide the results verbally unless the applicant makes a formal written request for information pertaining to the denial. In the case of roommates, information that we have obtained resulting in a rejection can only be released to the party whose investigation causes the rejection. **A security deposit will be required from all applicants and multiple adult applicants will require additional application fees.**

#### Criteria:

1. A minimum of 6 month rental or ownership history. History must consist of no more than 1 late payment or 1 lease violation during a 6 month period. If a debt is owed to another rental community, the application will not be considered until adequate proof of satisfaction of that debt is provided. If renting from a Private Owner, applicant must provide a copy of a utility bill with the address and name of the applicant on the utility bill. Any felony conviction or misdemeanor conviction of a sex crime will result in automatic denial of application. Each applicant with criminal convictions will be assessed on a case by case basis. Crimes for which the applicant has been convicted and recent pending arrest will be considered. # Waitlist Process

Applicants that are approved for the wait list are not guaranteed eligibility. A full eligibility determination through the application process will be completed at the time a unit is made available and applicant is selected. When a unit becomes available the next applicant on the waitlist for the appropriate unit size will be offered and the application process shall begin. All applicants on the waitlist will be in date order applicant is received and placed. Current residents approved to transfer will be placed on the waitlist if a unit is not available without preferential order. Should an Accessible Unit become available the unit will be first offered to current residents then qualified applicants with a household member requiring accessibility features of the unit.\*

To be placed on the waitlist:

- Complete and submit application
- Management will conduct an interview to prequalify for the waiting list and to ensure that there are no obvious factors that would make applicant ineligible based on the current leasing criteria.
- If a preliminary screening indicates that a family may be eligible for tenancy, but units of appropriate size are not available, the application will be placed on the waitlist.
- Applicants who are obviously not eligible for tenancy will not be placed on the wait list.
- When a unit will be available in the near future, The Arbors at Wintergreen will contact the first applicant on the waitlist for an interview. Notification will be made by mail and phone. If no response is received within 7 business days, applicant will be removed from the waitlist and the next applicant will be notified. If an applicant refuses the unit, they may remain on the wait list for the next available qualifying unit. If an applicant refuses the second qualifying unit available, they may be removed from the waitlist and must complete the process from the beginning in order to be on the waitlist. At the point of acceptance, the applicant must move into the unit within 30-days.

The property will always maintain a waitlist for any unit or floor plan that is not available. A waitlist will only be closed if the average wait is excessive; two years or more based on average annual turnover. Closure and opening of waitlist will be published publically. Waitlist will be updated at least twice a year by contacting applicants to ensure continued eligibility, desired preference and note any household changes. If contact information is no longer valid or applicants fail to respond to contact within 7 business days, applicant(s) will be removed from the waitlist. It is the applicants' responsibility to notify the community with any contact changes.

\*Accessible units will be offered to those qualified in order of first, current tenants with disabilities currently residing in a non-accessible unit who requires the features of the unit.
