## SUMMARY of Tony's TNT call 10-1:

- Iraqi Parliament was going to vote today. 300 members did show up but went to the cafeteria so let the Kurds settle on one candidate. That prevented a quorum. It is 8 pm in Iraq. They plan to reconvene tomorrow. We shall see how many stay to vote or boycott again. They need 165 for a quorum. **Oct 2 is last day that they can remain within the Constitution.** "It's a whole new ballgame if they don't vote in a PRES tomorrow." Plan B is where Baghdad appoints a PRES, then they can vote on PM. It is the general consensus that want a PM before this RI/RV.
- Iran says the US moved their people out of the consulate in Basra so they could say there was a constitutional crisis and then appoint the President and PM.
- Banks are ready to go and they've seen rate changes flashing on their screens for all the currencies expected in the first basket. What does that mean? Not sure.
- **Nov 2 is a BIG date that Iraq wants to avoid.** Nov 2 is when the newest **sanctions on Iran kick in** and that will cause serious ripple effects throughout the Middle East.
- The Presidential Voting Process: If no clear winner in the vote, then they break it down to whomever got the two highest votes, then it's who got the majority of votes. If no majority Baghdad gets to appoint the President.
- Tony says he is hearing Abadi is still IN for PM, contrary to other reports we are getting.
- **Our window is THIS WEEK.**
- **Humanitarian projects are still available to all of us. The buy in is \$2M. These projects' earnings are tax free and can be renewed every 5 years. The interest rate is not known.**
- Someone asked if there is a ceiling by the banks or UST on how much you can exchange or garner from the exchange. Tony said, "There is no ceiling that I am aware of."
- ZIM: The latest rate for the ZIM was \$.55 w 6 zeros removed from the 50T and 100T notes (they must be 2008 or 2009, have the 3 stacked boulders on them, and be Series AA.). **There are other denominations of such notes, such as an 80T note, but it is not known if banks will take them. If you have such a note GO TRY!**
- Tony got the info about the ZIM directly from our UST years ago. They said it was TRUE and definitely going to happen. Some of these might be available online for around \$100 each. BUYER BEWARE. Make sure the details above are applicable to any note you might be interested in. Tony volunteered that he is avoiding all the PROJECTS because he does not know the laws in Zimbabwe, their government changes too often, and it is unclear what legal relationship there might or might not be.

## [Headlines and Updates for October 1st: Got Your SHTF Plan? \[videos\]](#)

As we wait with baited breath to see if October 3 will finally be D-day for Confirmation, Declassification, mass arrests, scintillating announcements, or anything else, Americans in the know are readying for potential fallout. It's not easy to just "watch", as Q advises, so we will continue to share the information we have and prep [...]

### **Breaking: Christine Ford Caught In Major Lie – Photos Prove House Updates Occurred Much Earlier Than Claims In Senate**

*So....how does this square with Ms. Ford's TESTIMONY?...If the dates she gave are so pivotal and accurate as to what set the stage for her repressed memory be triggered are in question, with these photos and county records are held up as exhibits to the contrary, HOW can anything more she states be considered credible? While this hearing is not a trial in the strict sense (although in the court of public opinion it certainly IS), what do we do with the concept of reasonable doubt when it comes to Ms. Ford's ability to be honest? Is not the burden of PROOF on her, the accuser? How can it be that PROOF has to fall upon the accused Judge Kavanaugh, that he was NOT her assailant? Isn't this whole charade backwards?*

<https://www.thegatewaypundit.com/2018/09/breaking-christine-ford-caught-in-major-lie-photos-prove-house-updates-occurred-much-earlier-than-senate-testimony/>

We now have information that shows Christine Ford lied about the entire story.

While I don't find that the date on which she remodeled her house is that significant, compared to an event 36 years ago, she does link the remodeling to her process of remembering, including dates of therapy, etc. to me, I mostly see this as an example that she really doesn't seem to have any credibility as a witness. Check out the article if you doubt that.

### **Senate Judiciary Committee opening up an investigation of Dianne Feinstein immediately... long overdue. Graham Calls for Investigation of Feinstein's Office, Ford's Lawyers:**

<https://www.lifetzette.com/2018/09/graham-calls-for-investigation-of-feinsteins-office-fords-lawyers/>

*Summary from Sam Solis: And today (with source hyperlinks): in America today—these leftist Democrats began smearing Judge Kavanaugh with vile and false sex crime allegations to the point of [USA Today shockingly calling him a child sex predator](#)—and that they *knew* the Republicans would expose themselves as women haters in their trying to defend against—but that, instead, saw these Republicans not even questioning Kavanaugh's accuser—that the Democrats responded to by their then crying for a one week FBI investigation—and who got exactly what they*

wished for when a smiling Trump agreed to their demand—with [Trump calling it a “blessing in disguise”](#) optimistic because of his knowing:

*Judge Kavanaugh accuser Christine Blasey-Ford having had [her Stanford University webpage altered right before she testified to the US Senate](#)—and that now reflects the truth that she lied under oath by claiming she’s a doctor, but that [the California database of all the doctors in their state shows is completely untrue](#). BUSTED!!*

*[Christine Blasey-Ford further lying under oath by claiming that she “remembered” Kavanaugh attacking her when her house was being remodeled in 2012—but whose documented records now show was remodeled 4 years earlier in 2008.](#)*

*Judge Kavanaugh accuser Deborah Ramirez being refuted in her claims by one of her closest classmates who said she never saw Kavanaugh be sexually aggressive as he was more interested in impressing the boys than he was in impressing the girls.*

*Judge Kavanaugh accuser Julie Swetnick now [being discovered to have filed false sexual allegations against other men in the past in so she could get lawsuit settlements from the companies she worked for](#)*

I really enjoyed this 90 minute review of the relationship between Earth governments and Extraterrestrials over the last 130 years, recorded a few months ago by David Wilcock. How many plane crashes since post?

Standard deviation?

Q

### Q 2304 – John Perry Barlow [187] (murdered)

[Long obituary about John Perry Barlow, if not the inventor then a shaper of the Internet, is quoted from Washington Post. An old Q post regarding Barlow being murdered and Snowden now being in jeopardy as his successor.]

Simple.

We made it public.

Operation closed and cleaned.

Coincidence post drop?

Coincidence No Name [exact 30]? [Q post that McCain would be gone in 30 days, and he was.]

Coincidence Sen. Graham activated? [After his friend McCain was killed, Sen. Graham seems to have had his shackles removed, and he has been willing to speak out for the right since then!]

In the end, you will be 'shocked' to learn what you've 'essentially' witnessed.

Think NYC bomber 'fireworks' hours prior.

Ford should down for perjury.....

Refused to hand over therapy notes to FBI.

Think WHY.

Justice K NEVER named. [She never mentioned Judge K in to her therapist.]

**[Mr X logged in book along w/ physical description during 'eyes closed' session = / = Justice K].**

FBI no subpoena power [**no GJ**] to demand. [the FBI has no power to bring evidence to a Grand Jury in this case]

Justice K NEVER named / asked during Polygraph. [Polygraph merely asked if she told the truth about something happening. Did not specify any specifics.]

Something did happen to Dr. Ford in her past.

Use of that 'something' to 'frame' Justice K.

**Dr. Ford's family has strong ties to SWAMP.**

FBI has expanded investigation into other suspicious acts w/ support of ABC agency as AUTH BY POTUS.
