

# BEST TEMPORARY TATTOO IN ABU DHABI

Temporary tattoos are known to last for approximately 3-4 days.

by henna by nishi

Ladies no longer have to settle for henna that is only one shade of reddish brown. Nishi Mehta uses her years of experience and comprehensive knowledge of henna products to provide you with temporary tattoo treatments in a variety of hues and tones. She is perfectly qualified to combine the traditional red colour of henna with other temporary tattoo materials such as jagua and white henna.
