

Roku Link Code

ACTIVATE PANDORA ON ROKU

How to activate the channel on Roku

- Channel activation in Roku is simple once you follow the set of guidelines given in [Roku.com/link](https://roku.com/link). After activating you can be able to stream top channels and watch a variety of your favorite shows on Roku. To begin with the process, just navigate to the channel store and search for the channel by typing the channel name in the required space. By tapping on the add channel option the channel will be successfully added to your account. For Pandora there are three different functionalities that users can choose from [Pandora.com/activate](https://pandora.com/activate) sign in.

Get it for free

- This too is ad supported like most free services, and therefore a lot of interruptions can be expected during your streaming experience. You can activate the app for this service if you do not mind them too much.
- To choose individual tracks with a Pandora login at this level however you must note, that you will not be able. With an occasional option to skip tracks moreover, it will be like listening to a radio. Get set and complete Pandora activation in a few simple steps if you are okay with this sort of music streaming.

An ad-free alternative

At a minimal subscription of around \$4.99 this is a mid-level paid service that offers music streaming. Besides, you also get a free 7-day trial for the app when you are a Roku user. on Any give streaming player, the benefits of activating this service are;

- Ability to replay tracks
- Free trial period
- Longer time out period
- Skip unlimited number of songs

The ultimate subscription

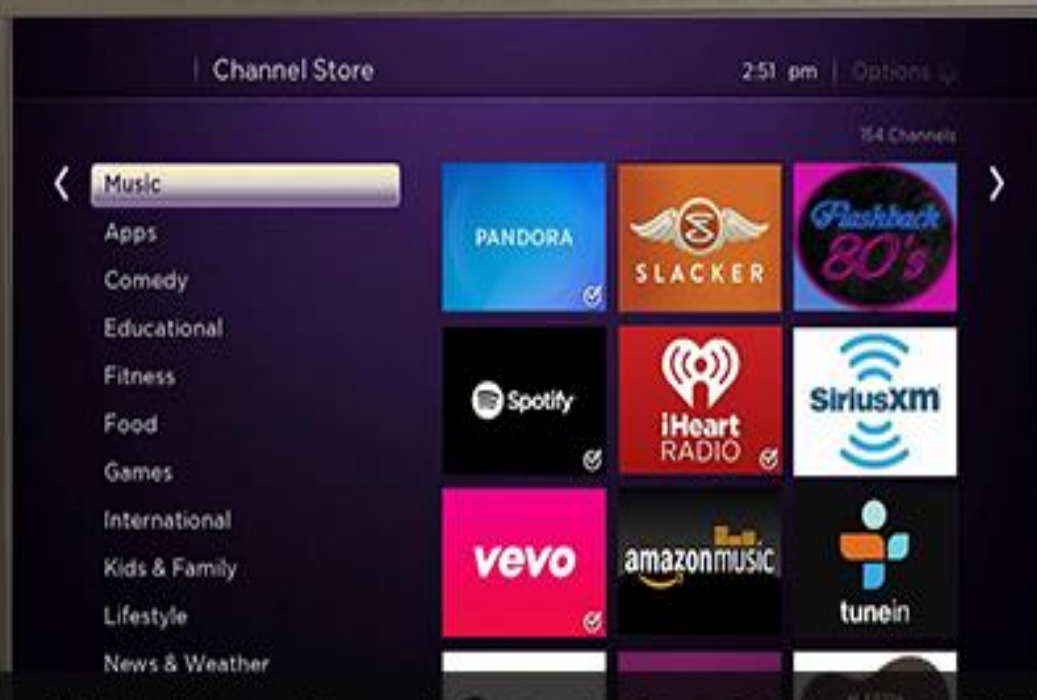

- This is best service from Pandora for any user for that case. It allows you to search and play on-demand content with no extra costs with the service being ad-free. Besides, for you to enjoy out of this service there are several other benefits too. However, for Pandora's Roku users the service is currently not available and instead, on other platforms such as on iOS devices, Android devices and Amazon Kindle devices, it can be used.

Activating Pandora

- Depending on the type of service you choose on Pandora.com website, the channel activation steps basically depend. Otherwise, you can just link it with the Roku app if you have an existing account with the service.
- Obtain the account details or the activation code from Pandora before you install the Pandora app on your Roku
- And then, by linking the app to the account complete the activation
