SPORTS CASTR™

iOS (iPhone)

10) You will see a countdown clock go 3, 2, 1 and then you will be live, with your face in the screen

11) Once you see this screen, you will begin your live stream. In english or in your native tongue this is an example of what you can say:

   "This is my first stream on SportsCastr. I am excited to use this app so that I can become the sportscaster for my favorite team, [say name of your favorite team]. Please follow me and join me every time I go live on SportsCastr. We can chat live together and soon you are going to be able to send me special gifts and become my biggest fan. I think we are going to have a lot of fun together! Tell your friends, tell your family, tell your neighbor that there is a new, fun way to watch sports together. If you download SportsCastr you will be able to choose the sportscaster, or be like me and be the sportscaster. See you soon!"

11) **LAST STEP:** To end the stream, tap and hold the red circular button at the bottom of the screen and drag it from one end of the screen to the other.
