MANAGER PREVIEW

WITH JOHN ROBERSTON

Good evening and welcome to tonight's Ladbrokes Championship match with Greenock Morton, which is the first of back-to-back matches against the Ton as we have been paired with them in the Challenge Cup as well.

I would like to welcome David Hopkin, his backroom staff, the players, directors and, of course, the fans who have made the trip north tonight to the Caledonian Stadium

We believe the Morton fans may protest by staying away and we can sympathise with their feelings as it's a long way to come for the 7.05PM kick off, with many being asked to take time off work to get here as it is a 3 ¾ hours each way trip and not ideal for the visiting fans.

ICT fans are well aware of the Friday night traveling times with our trips to Dundee at that time as well as Partick last season. It is impossible to get there at that time and it frustrates most fans as it is not ideal.

Our home fixture with Ross County was down by two thousand and virtually no hospitality sold last season. Morton suffered a similar fate with their game last week against Partick Thistle that would easily have seen a 6-7000 crowd on Saturday at 3pm.

Financially it is not a brilliant deal for the Championship clubs but with the deal being agreed we have to accept the scheduling and get on with the business of winning tonight's match.

This will be no easy task against a free scoring Morton side who racked up some impressive wins so far this season, which is no surprise, given the attacking players they have recruited and kept at the club since David returned to the club he served so well as a player.

Last week showed all you need to know about the qualities he has brought to his side, who never gave up despite trailing Thistle by two goals with less than 20 mins remaining. They will come here in buoyant mood on the back of the three goals they scored to take all three points.

I'm sure David will want to repeat the success he had at Livingston with the Ton and the early signs are good with two wins from their first three games

Our performance in our last home game was good and had we been a bit more ruthless in front of goal we could have scored more. We then followed that up with a very strong performance against Dundee at Dens Park, that saw us unlucky not to bring all three points north.

We will need to show both attacking and defensive strengths tonight in, what I am sure is going to be, an exciting and well fought match.

The squad is coming together nicely and we have real competition for places, not only in the starting 11 but also for the bench as both Sean Welsh and Mitch Curry are returning from injury and will be available to push for starting places soon.

Miles Storey got off the mark on his return to the club and we will continue to work on his match fitness to get him up to full speed along with Sean and Mitch. The squad will be well utilised with back-to-back games against tonight's visitors and a North of Scotland Cup match with Clach at home in-between.

We watched our younger players deliver a fantastic performance in helping Fort William reach the other semi-final of the North of Scotland Cup, with a stunning 5-1 victory at Rothes. Although they have yet to register a league win, their performances have been hugely encouraging and have been a lot closer than the scorelines suggest.

They are out learning their trade against experienced players and we can already see an improvement in their understanding of the game above youth football. It will stand them in good stead travelling to the likes of Fraserburgh and Brora and experiencing the highs and lows that football brings

The staff will once more be down at Claggan Park tomorrow watching them against Wick Academy and are sure the lads will get that elusive first league win of the season

But for the moment it is all about tonight and the 3 points at stake and once more I ask you to get right behind the team,

Enjoy the match,

Robbo

CAPTAIN CARL

TREMARCO'S PREVIEW

Good evening and welcome to the Caledonian Stadium for tonight's game against Morton

We were disappointed not to come away with all three points last Saturday against Dundee, I think we probably deserved them. However, a point at Dens Park may be a big point come the end of things but it means nothing if we don't get a result tonight.

We'll get chances tonight, I've said it numerous times, it depends what we do. On our day, at home, if we play to our capabilities, then not many sides get near us. We know what they are going to bring, the fitness levels, the physicality, the long balls, throw ins into the box. We're expecting all of this, it's about how we deal with it and we have to stand up to it.

I think Friday night football is brilliant, I personally love it. I've done it a few times when I was at Tranmere, I think it's class. Get the fans down after work, they all fancy coming down to the game. It hopefully sets up the weekend nicely.

Enjoy the game,

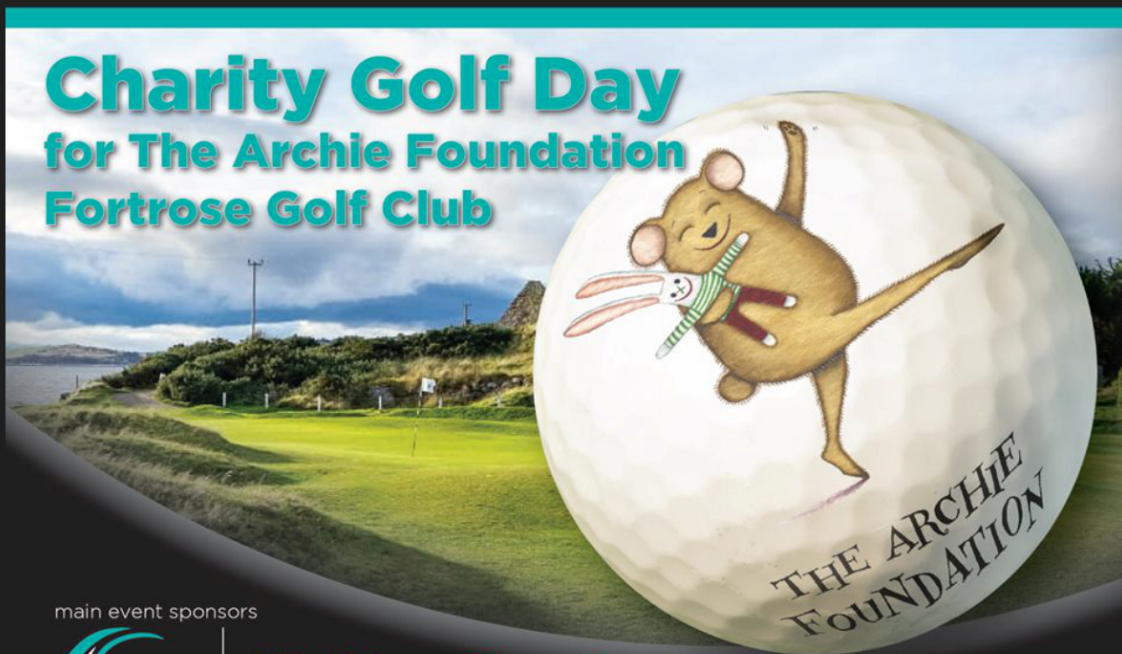

Carl Tremarco

FROM THE CHAIRMAN

Please let me begin by welcoming everyone from Greenock Morton Football Club to Inverness Caledonian Thistle FC. We look forward to great football and a competitive match, fairly played and with no injuries.

It's always interesting to look back at our many match day encounters. ICT did not play Greenock Morton until 1999/00 after we had been promoted to the old Division 1. We have played 23 times in total – three cup matches and the rest in the league. Overall ICT has won 15, drawn 4 and lost 4 matches. In the league, ICT had 6 wins at home and 6 away. In the Cups – ICT had 1 win in the League Cup and 2 in the Scottish Cup. Of note in that first season together; a very good Greenock Morton side beat us 5-1 in November 1999, although subsequently in January 2000, ICT won 6-2 in Inverness.

As always, if you have any feedback on how we are doing or suggestions on how we can improve, please send them to me at graham.rae@ictfc.co.uk - I'd be pleased to hear from you. In the meantime, let's get behind the team and let everyone know we support ICT.

Please join me in wishing our team the very best for today's match. Finally, I would like to say thank you for your support.

INVERNESS CT 0

24.08.19 | DENS PARK, DUNDEE
LADBROKES CHAMPIONSHIP

Caley Thistle drew 0-0 with Dundee in a tight match at Dens Park last weekend.

John Robertson made one change from the side which beat Arbroath in our last league match as Miles Storey replaced Jordan White. Sean Welsh returned from injury to make the bench.

The first chance came after only one minute on the clock as James Keatings met Mile Storey's cross in the middle but his header looped on to the roof of the net.

Aaron Doran then forced a save from Jack Hamilton as he unleashed a strike from 25 yards.

Dundee had their first chance after 17 minutes as Ridgers collected a powerful effort from Danny Johnson after he was set up by McGowan.

Coll Donaldson was booked for a late challenge on Sean Byrne, Mark Ridgers parried the resulting free-kick over.

Caley Thistle then hit the base of the post from Tremarco's deflected shot as he met James Keatings' corner.

Kane Hemmings had a big chance for Dundee right before the break as he was slotted in by Sean Byrne, but he dragged his effort wide.

In the second-half, Caley Thistle started strongly as Tom Walsh saw an effort blocked by Jordan Marshall after he was played in by Miles Storey.

Shortly afterwards, Doran saw an effort go just over after he cut inside from the right hand side.

Miles Storey then found himself in some space through on goal after Jordan McGhee misjudged the bounce of the ball but the striker put his effort just wide.

James Keatings' free-kick then found Doran in the box, he saw his initial effort blocked, the ball then fell to Jamie McCart and his chipped effort went just wide of the post.

Roddy MacGregor and Jordan White replaced Miles Storey and James Keatings for the final 20 minutes.

Kane Hemmings headed over from 6 yards after he met McDaid's free-kick in the box after 82 minutes.

Jamie McCart then headed just wide as he connected with an Aaron Doran corner.

McCart then played in Todorov but the striker's effort was deflected behind.

Jordan White had the final chance of the game as he connected with Doran's cross in the middle but his header was inches wide.

Community Coaches ELS Trained

Last week four of our community coaches were trained to instruct Emergency Life Saving (ELS) courses through the charity luck2bhere. Lucky2BHere is a registered Charity with an elected Committee and Trustees run on a voluntary basis with many people offering their time and support. Initially Lucky2BHere provided defibrillators and emergency life support training on Skye and the immediate mainland. They now deliver this throughout Scotland. Our coaches are now able to help instruct the employees, players and youth players of Caley Thistle to improve their knowledge of how to save lives.

September In-Service Day

With the schools off on the 16th and 17th of September, we will be hosting our September in-service days so kids can still enjoy football in their time off. This course will be much like our summer hotshots over the two days and will include games whilst also teaching kids the different aspects to help them improve. We will be at Milton of Leys Primary School on these days down on the Astroturf and kids can sign up from 10am until 2pm. For more information then please check at the bottom of the page on the weekly courses section in the community part of our website <https://ictfc.com/weekly-courses>

Emergency Services Day at the Caledonian Stadium

On Saturday 24th August we held an Emergency Services Day for the RNLI, ambulance service, British Red Cross, police, mountain rescue, fire service, coastguard and all their families. We had our football radar out to test out the strength of the adults and kids shots. Our highest for the kids was Rhys whose shot was 49mph, the adults was Michael whose shot was 59mph and the RNLI beat all the other services with a score of 52mph. Thank you to everyone who took part and came along.

COMMUNITY NEWS

**AARON
DORAN**

Friday night football brings back special memories for Aaron Doran at Caley Thistle. The ICTFC man's first memory of football on Friday is the first top league Highland Derby and no wonder he remembers it fondly as Doran scored the decisive third goal in a 3-1 win.

Recalling his memories of Friday night football Doran said: "I personally like Friday night football better, I think the first Friday night game I played up here was against Ross County, that was a good game and a full house so it has always been nice. It's good to play out there under the lights, we usually give good performances so lets see how it goes."

Tonight, it's Morton that the Caley Jags face at the Caledonian Stadium and Doran is excited for the match. The Irishman said: "We're excited, I think we had a decent result and performance last weekend against a strong Dundee side. We're confident, we've had a good week of training and it's always good to play under the lights on a Friday night."

Caley Thistle started their season in difficult fashion as Dundee United beat them 4-1 on the opening day, thanks to four goals from Lawrence Shankland at Tannadice. However, Caley Thistle followed that up with a win over Arbroath and a draw against Dundee.

Doran knows the Caley Jags weren't at their best when they started their season but can see the improvements already.

He said: "I think we weren't at our best when we started the season against Dundee United, last weekend we were decent and we could've nicked it too. We won our first home league match of the season against Arbroath, which we didn't do last term, so I think it has been a decent start.

Last season, home form was a slight frustration for the Caley Jags and with them grabbing their first home win already this term, Doran wants to keep the home wins coming. Doran also thinks the Caley Jags have an improved squad this term.

"We want to kick on at home so tonight is another chance to do that."

"I think we're in a better position this season, I think we have a better squad than we did last season, there is more depth. There is more people fighting for their positions this season. I think we are in a good position and, as we showed last weekend, we're good away from home as well."

"If we can pick up points away from home and get our home form sorted I'm sure we'll be up there."

NORTH OF SCOTLAND CUP

INVERNESS CT 3
FORRES 1

Caley Thistle beat Forres Mechanics 3-1 at the Caledonian Stadium in the second round of the Pat Munro North of Scotland Cup to set up a semi-final against Clach at the Caledonian Stadium.

The big team news was the Sean Welsh returned to the starting eleven, there was also places in the side for Cammy Mackay, Shaun Rooney, Kevin McHattie, Nikolay Todorov and Miles Storey.

Caley Thistle had to wait until the stroke of half-time to take the lead as Miller Gamble's cross found Roddy MacGregor in the box, he finished low past Stuart Knight to make it 1-0.

There was one half-time change as Shane Harkness replaced Shaun Rooney.

The second-half was only five minutes old when Mile Storey doubled the Caley Jags' lead as he raced clean through and finished past Knight.

On the 65th minute, Cammy Mackay produced a fine save to deny Andy Macrae.

After 68 minutes, MacGregor made Knight produce a one handed save to stop his header at the back-post.

Miles Storey had his second of the match after 75 minutes, he fired his shot past Knight after great play from Matheus Machado.

Only a few minutes later, Andy Macrae got one back for Mechanics. The former ICTFC youth player fired home after Cammy Mackay had saved the initial effort.

Caley Thistle will now face Clach in the semi-finals at the Caledonian Stadium this Wednesday, 8pm kick-off.

CLUB HOSTS HISTORIC FIRST HIGHLANDS AND ISLANDS WOMEN'S CUP FINAL

The club registered another first on Saturday 24 August by hosting the first women's cup final to be staged in the Highlands and Islands.

A crowd of 321 attended the match between Lewis and Harris and Clach, which Lewis and Harris won 7-0 with a storming second half performance.

The match was organised by Scotland Women's Football, whose Chairperson Vivienne MacLaren, was glowing in her praise for the club's support of women's football and for making the Caledonian Stadium available for the historic occasion.

She said: "I would like to thank everyone at ICT for their outstanding support from the first time we made contact. It was a great venue for our historic first cup final in this area. The teams were thrilled to play on such a magnificent playing surface."

SWF recently established an 8-team recreational league in the Highlands and Islands and introduced for the first time the Highland League Cup.

Vivienne presented the club with an inscribed plaque by way of thanks for hosting the big game.

In welcoming SWF and representatives of the two finalists to Caledonian Stadium, Director Gordon Fyfe said: "It is a real pleasure for the club to host this historic and prestigious game. We congratulate SWF for creating a Highlands and Islands League and share their ambitions to grow the game for girls and women in this area."

The match was sponsored by the Orion Group.

GREENOCK MORTON

Morton come the Caledonian Stadium this evening after a solid start to their Championship campaign as they sit in second spot currently with six points.

Last Friday they completed an incredible comeback as they beat Partick Thistle 3-2 at Cappielow thanks to goals in the second-half from Nicky Cadden, John Sutton and Brian McLean.

David Hopkin's side also enjoyed a win in the second league match of the season against Alloa, winning 4-1 at Cappielow. Hopkin's side qualified from the Betfred Cup group stage but were knocked out in the last 16 by Hibs at Easter Road as they lost 5-3 after extra time.

The Ton have gone through a total revamp of their squad this summer under Hopkin, bringing in 16 players and 12 leaving the club. The club also signed Stephen Welsh from Celtic yesterday on loan until the end of the season.
