

# Intimate assault, violence, debt: Korean language star Rhee Keun's stressed past

Rhee Keun, also recognized as Ashton Kutcher Rhee, once again received fire immediately after being reproached of apparently being guilty for aggression back in 2015.

YouTube . com content creator .k Yong-ho on Tuesday believed of which Rhee, popularly known as "Lt. Lee, " seemed to be charged with battery power in 2015, while he has been intoxicated.

This is the third time period that Rhee's history offers been recently put underneath scrutiny considering he received popularity for appearing on the YouTube selection display Fake Men because "Lt. Lee, " high-quality instruction instructor. Rhee, that dished up in Korea's Navy blue Particular Warfare Flotilla, this Korean language equivalent of the US Navy Seals, made inroads into the terrestrial TELEVISION communities, appearing on main amusement programs, including MBC's communicate show Radio Star.

At the start of this thirty days, Rhee was hit by simply a personal debt scandal after some sort of man charged Lee involving not paying back 2 zillion won (RM7, 240). <https://wowrpg.org/> of incident had been settled right after Lee plus the man both equally stated that they meet throughout person and resolved the debt issue, saying presently there had been a belief between two.

Even so, Rhee once more became embroiled inside dispute following an allegation that will they was guilty with regard to sexual assault in 2018. Rhee, on Tuesday, recognized that he was fined 3 million won, after getting convicted associated with grabbing the woman's base. But this individual claimed that he do not really make any sexual transgression together with had appealed the court's ruling to prove that, which was dismissed. This courts from the moment said the idea was rejecting the appeal due to the gravity of typically the criminal offense and also the fact that the prey was not willing to be able to forgive Rhee.

Kim also raised some doubts about the document of which Rhee submitted on Instagram about Tuesday as proof of his / her stint from the EL. An earlier video by means of Betty got raised questioned with regards to Rhee's career record.

Having Rhee finding him self within some sort of string involving techniques, some advertisements that will have Rhee have recently been taken down by the marketers.

Korean burger string Lotto, which launched a fresh military-style hamburger set employing Rhee as its main spokesmodel, took down all of the YouTube advertisement videos showcasing Rhee and likewise made graphics featuring Rhee with versions featuring an animated personality.

Game corporation PearlAbyss likewise took down the advertisements for its updated mobile

sport Black color Desert M the fact that presented Rhee.

After the credit card debt scandal broke out, KILOBYTES Savings Bank removed the cacher including Rhee posted on the company's Instagram bill.
