Whenever a maintenance issue comes up, please let me know immediately. Better to let me know now than wait till later when the problem is much bigger.

Right Day

I Googled National Holidays for March 2023. Guess what I found?! I found "National Everything You Do Is Right Day! WOW!!! This day is celebrated on the 16th of March. Every Year! Okay, so what am I going to do "right" that day? As for me, I will continue to treat people right. And to have a little fun, I'm going to misspell a word if I want to because I can on this day. If your name is Timothy, I will call you Tom, because I can on this day. Maybe I can make a law for this day, for purposes only, just for this day. How about this, "Everyone you see on this day you must give them a smile and in return they must smile back at you". How do you like that? :) What are you going to do "right" on March 16th, Everything You Do Is Right Day?
