Write what you know, so they say. All I know is I don’t know what to write or the right way to write it. This is big, lady, don’t screw it up! This is not some little vaudeville. I’m reviewing. Poor little kids versus rich, greedy sour-pusses! Ha, it’s a cinch; it can...
practi-cal’y write it-self. And let’s pray it does, ‘cause as I may have men-tion-ed, I have
no clue what I’m do-ing! Am I in-sane? This is what I’ve been wait-ing for! Well,

hell...” “Is that even leg-al?” “Look, just go and get her!” Not on-ly that there’s the
story behind the story: thousands of children exploited, invisible. Speak up, take a stand, and there's someone to write about it. That's how things get better. Give life's little guys some ink, and when...
it dries, just watch what happens! Those kids will live and breathe right on the page and once they're center stage you watch what happens!
