

Castile and León
Street View - wrz 2013

About 13kms before Burgos you walk through the village of Orbaneja, then shortly after that you cross a bridge over a main road.

Cross a small river by footbridge.

Ukryj zdjęcia

The path becomes a small track under trees, running parallel to a highway on your left.

Río Arlanzo

Continue until you see an underpass below the highway, which you'll need to take.

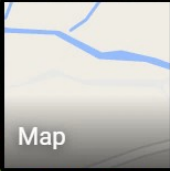

After you go under the highway and you enter a big recreational area.

There are many trails and paths. It doesn't matter much which you take as long as you follow the river.

Museo de la Evolución Humana

Across from the third bridge you will see the Museum of Human Evolution on your left. It is a large, modern glass structure.

Walk past the third vehicle bridge and onto a wide pedestrian bridge leading through an old stone arch and to the cathedral.
