

Camden Ross Memorial Scholarship
Tri-Valley Endowment Fund Scholarship Application for the 2018-2019 School Year
Tri-Valley Endowment Fund – PO Box 758, Dresden, Ohio 43821

Camden Ross would have been a member of the 2020 graduating class at Tri-Valley High School. He was a student first and was just a competitive in the classroom as he was on the field. He was a leader in both areas as well. This scholarship is available to the Tri-Valley student athlete that exemplifies Cam's characteristics – drive, heart and leadership both on and off the field.

Application Criteria

Students must have at least a 3.25 GPA and be a scholar athlete. Applicant must be able to demonstrate accomplishments both in the classroom and "on the field".

Applicants must be Tri-Valley High School graduates and will be rated on cumulative grade point average, need (sources for funding post-secondary education), essay response (see essay prompt below) and teacher recommendations (2).

Completed applications must be received in the TVHS Guidance Office by 3:00 p.m. Friday, April 12, 2019. Scholarship recipients will receive their award notice at the Tri-Valley High School Senior Awards Assembly. If the student is attending post-secondary classes and is unable to attend the ceremony, a representative may be present to accept the award. A \$1,000 check will be written to recipients from the Treasurer's Office upon receipt of their letter of acceptance and a copy of their tuition invoice. All awards are to be used for the 2019 - 2020 school year. Students must re-apply each year. Discrepancies or falsification discovered during the application process will result in the student's elimination. If discrepancies or falsifications are discovered following the award, the student must return the award to the Tri-Valley Endowment Fund.

Instructions for completion of scholarship application:

- 1. Student must complete the attached application form.**
- 2. Student must attach the most current grading period's transcript from Tri-Valley High School or their current post-secondary institution.**
- 3. Student must attach a letter of recommendation from two (2) certified classroom instructors with whom they have had classroom experience.**
- 4. Students must complete an essay of no more than 2 one-sided pages that answers the following questions:**
