2017-2018

Edition #6: November 9<sup>th</sup>, 2017

## THANK YOU!!!!!!

The Halloween Carnival was an incredible success!!! What a fun and celebratory night we had together!! What fun to play all the carnival games, eat candy, share dinner, laugh with friends, and participate in the Silent Auction!

## The Halloween Carnival raised over \$10,000+ for our students.

The PTO looks forward to putting this money to great use directly for our students. We will be purchasing a new sound system for the Multi-Purpose Room that will benefit all of our current students and all students in future years. Who is excited for Mrs. Spackman to *really* rock the house?!?!?!?!?

Thank you to **EVERYONE** for coming together to make this event such a great success. It truly was a collaborative effort—from donating candy, to making chili, to finding donations for auction items, to decorating, to volunteering that night, and to having fun as a school community.

The Book Fair was a HUGE success!  
Thank you to all of the students, teachers, and parents who stopped by and bought some great titles!

Because of you we had a record breaking fair!

We sold over \$8,000!!!!!!

The money earned will go right back into the library to buy books!

You guys are the best!

-Love

Mrs. Welge

## PARENT/FAMILY PARTNERSHIP

### WE LOVE PARENTS AND FAMILIES!!!

Thank you for partnering with us in your child's education! We love having volunteers, helpers, and parents in our classrooms!!!

If you would like to volunteer, we would love to have you! The best way is to connect with the teacher ahead of time so we can plan activities for you.

If you need to connect in-depth with your child's teacher, the best way is to set up a meeting before or after school. Teachers will respond to emails and phone calls between 24-48 hours.

Thank you for all of your support! We couldn't do it without *YOU!*

## PARKING LOT ETIQUETTE!

With over 500 students, our parking lot certainly gets congested! For everyone's safety, we would *really* appreciate every family's help with the following guidelines:

- Pull as far forward in the drop-off/pick-up area as possible
- Stay off of your cell phone once you enter the parking lot
- ONLY drop off and pick up your student at the curb
- Use the crosswalk
- Park in a parking spot if you need to leave your vehicle

Thank you for helping us to keep all students (and adults!!!) safe!!
