Licensing Board Tables New Restaurant's Wine Request

by Lynn Peters

The City of Boston Licensing Board made no formal decision January 4 on Todd and Olivia English's application for a beer and wine license for their proposed bistro, Olive's, at

Jamason's current location on 67 Main Street. Board Chairwoman Andrea Gargiulo suggested that the couple meet with attorney John Tobin, who represented opposing Deacon Larkin Condominium resi-

dents, to discuss neighborhood concerns and then return to the board on January 18.

The Englishes are requesting a license to serve alcohol with full meals,

Neighborhood Council Meeting — Still "The Best Show In Town"

by Kathleen Giordano

The Charlestown Neighborhood Council meeting on January 3 saw the last of the appointed members of the council seated and approval given to seek a nominee for the vacant seat in Precinct One.

The Life Focus Center had nominated their board secretary James W. Conway

to represent them on the council.

The seat in Precinct One was vacated by Annmarie Vesey whose letter of resignation was read at the last meeting. This seat will be filled at the next council meeting on February 7. Nomination papers for this seat will be distributed starting January 17 at the Job-

Start office, One Thompson Square.

A different twist to past discussions on development issues took place. Raised voices and harsh accusations ended the meeting after discussion on the proposed New England Aquarium move into the Navy Yard led to a request that it

Sergeant Harrington Recipient Of George L. Hanna Award

Sergeant Daniel Harrington, formerly of Charlestown and presently assigned to Area A of the Boston Police Department, was the recipient of the George L. Hanna Award at State House ceremonies on December 22. Governor Michael S. Dukakis made the presentation which is awarded annually to police officers who exhibit heroism in the line of duty.

This award was based on an incident that took place on Friday, November 21, 1986 at Downtown Crossing in Boston.

At approximately 4:45 p.m. on that date, Sergeant Harrington and other officers received information that a man with a gun was in the entry way to the MBTA. The officers sought out the suspect and Sergeant Harrington approached the man who pulled a revolver, pointed it at Harrington and jumped over the turnstile, running toward the crowded station.

SERGEANT DANIEL HARRINGTON, assigned to Area A of the Boston Police Department, was the recipient of the George L. Hanna Award at State House ceremonies on December 22. Governor Michael S. Dukakis made the presentation. This award is presented annually to police officers who have demonstrated heroism in the line of duty.

The Sergeant and fellow officers pursued the man

and attempted to remove civilians from the area while

the suspect stood behind a column. Many individuals tried to take cover behind the officers.

Sergeant Harrington saw the suspect point his revolver at civilians and try to shoot. Harrington shot at the suspect and ran toward him. The gunman then pointed his revolver at Harrington and pulled the trigger, but the gun misfired. Officer Donofrio shot at the suspect and he and Harrington struggled to subdue him.

Recovered from the suspect was a 32-caliber revolver with four live rounds and hammer marks were on all rounds.

Present at the State House ceremonies were Harrington's wife, Nancy; his son, Michael, a patrolman with the Yarmouth Police Department; and his daughter, Sarah, a trooper

with the Massachusetts State Police.

Also attending the ceremonies were "Townies" including Under Secretary of Public Safety Dennis M. Condon, Commissioner of Public Safety William McCabe, Deputy Commissioner of Public Safety Edward Kelly and Sergeant James Considine of the Metro Police.

Harrington was also awarded the Walter Scott Medal of Valor for his heroic actions at Boston Police Department ceremonies in December 1987 and was presented the American Legion Medal of Valor, the National Law and Order Citation and the Law and Order Presentation Clock at the Legion's state convention in July 1988.

Teen Connection News

There will be a Teen Council Meeting on Monday, January 9 at 6:30 p.m.

Anyone who wants to sign up for upcoming trips has to attend this meeting.

There will be sign-ups for a one day ski trip to take place on Sunday, January 29.

There will also be sign-ups for the boys' New York City Trip on March 5-6. The itinerary will include attending a Bruins-Rangers game and visiting the Statue of Liberty and the United Nations.

Spaces on both trips are limited, so you must attend the Teen Council meeting to be eligible for the trips.

"TOWNIES," all in the law enforcement field, were present at State House ceremonies at which Sergeant Daniel Harrington of the Boston Police Department was presented with the George L. Hanna Award for heroism. Shown (l. to r.) Sergeant James Con-

sidine of the Metro Police; Commissioner of Public Safety William McCabe; Under Secretary of Public Safety Dennis M. Condon; Sergeant Harrington; and Deputy Commissioner of Public Safety Edward Kelly.

MAKING YOURS A SMOOTH MOVE

When you're moving out of your old house and into your new one, there will be many details to handle. It's a good idea to put together a written check list to help remember it all.

First, be sure to notify the Post Office, banks, credit card companies, and magazines you subscribe to of your new address. Let your insurance agents know about the move to ensure your personal property will be covered at both old and new homes. Call your utility companies ahead of time to make sure you arrange cut off and turn on dates for gas, electricity, water and telephone service. While you're packing, put important documents, such as birth or marriage certificates, tax returns and home ownership documents you may need, in a safe place where they won't get lost. As you take care of each item on your list, check it off. It's easy to forget things in the rush of moving, and writing it all down will help you minimize confusion.

If there's a move in your future, the real estate professionals at Silva Realty Associates are ready to serve you. Call us at 242-7470 or drop by our offices at 142 Main Street in Charlestown.

Life Behind The Wall

by Ronan FitzPatrick

He is not the Rain Man, but retired Boston firefighter Joe Crilley is the man to have on a rainy day or night. Returning from downtown over the holiday weeks, I was caught in a severe rain storm while crossing the high bridge. The wind and the downpour of water was everywhere as I briskly made my way to Gate One. From the distance, a faint vehicle horn was heard. Turning quickly, I observed Joe gesturing me to the vehicle. With haste, I secured a seat in his waterproof vehicle with delight. Joe made the balance of the journey dry to my gratification. Joe, your kind action will always remain a tribute to your sterling character. Many thanks, Joe, you have earned a short vacation to Marco Island, Florida. For the itinerary, contact brother Tommy. He holds the key.

☆☆☆

In wet storage for the winter at the Shipyard Marina on Pier Eight, the **Courageous** 12-meter yacht is safely ensconced for the blustery winter months. While this America's Cup winner will be dormant until the spring, weekday activity from 7:30 a.m. to 6 p.m. at the adjacent Boston Harbor connection will keep the pier busy. With the exception of legal holidays, the shuttle boat of Harbor Trans Ltd. will ferry passengers to Long Wharf and return them to Pier Eight for \$1.50 each way. It is encouraging to see more water transportation, allowing for less vehicular traffic during the formative years of the surrounding capital construction. Their advertisement states that travel time is approximately five minutes, with favorable harbor traffic. Its jingle states, "to shorten your commute, just add water . . . shuttle." Further particulars can be addressed by calling 424-9797.

WBZ-TV 4's "Evening Magazine" was filmed from the Constitution Museum, hosted by Barry Nolan and Sarah Edward's substitute Tanya Hart. A perfect setting for one of the shows features Dr. Ballard and his **Titanic** expedition. Departing from Woods Hole in Falmouth, Dr. Ballard's journey to find and film the sunken **Titanic** has been well chronicled. Jason the Robot captured a still era that Dr. Ballard and his crew sought to document but not retrieve treasures. He will continue his oceanographic ventures that will educate the public in his unique fashion. More of the electronics media has found our community a source of history and that we all encourage.

☆☆☆

Two contributors to the Yard when it was the First Naval District, have recently passed away. Electrical engineer Cyril Othman Burke Jr. of Brighton had a distinguished career with the Navy Yard and was well respected by his colleagues and supervisors and a prudent employee who won several awards for his time-saving recommendations. Burke was also an active member of the International Brotherhood of Electrical Workers. To his family, we extend our condolences and thank them for all of Cyril's contributions that made the Yard strong during war and peace.

"Townie" Thomas J. Griffin Jr., a resident of Ipswich, also made substantial enhancements in his position of systems analyst. Spanning a career of 38 years, Thomas worked at the Portsmouth, New Hampshire Navy Yard as well. His wizardry as a ham radio operator was one of his greatest accomplishments. We are saddened that Thomas was on this earth only 71 years. He will be missed by all that had the pleasure to know and love him. To his wife Elsie and family members, thanks for sharing this remarkable man with us.

☆☆☆

His information on the Department of Public Works projects has been appreciated for its content and availability. Always willing to listen, and at times to several noisy residents, DPW specialist Dave Flanagan has made the impact more acceptable. His threshold of patience will be tested at the home front, but we all know he will handle it with aplomb. With the birth of David Ryan Flanagan, David and Linda are in a state of euphoria. Their family has begun and the Flanagans, Keignys and the Reids are opening up Christmas Clubs to guarantee that David Ryan will have a bountiful 1989. Hopefully DPW Commissioner Jane Garvey will present David with a commemorative hard hat to match his father's. Cherish and enjoy these wonderful times, David and Linda.

☆☆☆

Survey says . . . the best Christmas card received that reflects the area was prepared, printed and delivered by "Townies" Vinny and Karen Doherty. Presently living in the Manomet section of Plymouth, Vinny the printer captured the **USS Constitution** in all of its festive lights and decorations against the Boston skyline. This night picture is a classic, due to Karen's planning and Vinny's printing.

Getting Prepared For The Annual Girl Scout Cookie Sale

GIRL SCOUT VOLUNTEERS recently gathered to discuss marketing plans and strategies in preparation for the Patriots' Trail Girl Scout Council's 1989 Girl Scout Cookie Sale. These volunteers are responsible for coordinating the entire Cookie Sale within their individual towns, from the order-taking (January 12-29) through the delivery (March 6-10). Shown front row (l. to r.) Janet Shea of Charlestown and Jean Morris of South Boston. Standing (l. to r.) Mary Morgan and Janie Guion, both of Roxbury. For information on the Cookie Sale, call 482-1078 or 1-800-882-1662.

Children's Films

The Film Program for Children will be presented at the Charlestown Branch Library, 179 Main Street on Tuesday, January 10 at 10:30 a.m. and 3:30 p.m.

The features will be "Jonah & The Great Fish," in which viewers find out if Jonah can escape the whale; "The Mole As A Painter," the story of how a colorful forest results from Mole's mix-up with a paint can; and "Three For Breakfast," in which Chip-n-Dale cause a flap over Donald Duck's flapjacks.

"Frog And Toad Are Friends," five stories of Frog and Toad's famous friendship, will be shown at 3:30 p.m.

The suggested readings in conjunction with these films are: **Jonah and the Great Fish** retold by Warwick Hutton, **Days with Frog and Toad** by Arnold Lobel and **Let's Paint a Rainbow** by Eric Carle.

CEDC Annual Meeting And Elections

The Annual Meeting of the Charlestown Economic Development Corporation (CEDC) will be held at 7:30 p.m. on Wednesday, January 11 in the Community Room of the Mary Colbert Apartments, 20 Devens Street, Charlestown.

The election for three openings on the CEDC board will be held on Saturday, January 28 from 10 a.m. to 2 p.m. in the Community Room of the Mary Colbert Apartments.

Representation for a three-year term for precincts 6 and 7 and for one

at-large seat is sought. Tom Cunha, current board president, is running for reelection from precinct 7 and Peter Looney is a candidate for reelection from precinct 6. The at-large seat is currently held by Joseph Foley.

Any Charlestown resident over 18 who is interested in entering this election should contact the CEDC office at 241-5762 for nomination papers. Papers must be returned, with 25 signatures of support to the CEDC office by Monday, January 23.

Neighborhood Council Meeting — Still "The Best Show In Town"

(continued from page one)

be brought into the Master Plan that the council voted on months ago. Tempers were also high when the future development of City Square was discussed, with council members expressing that they felt they were being left out of the process.

Chairman Dennis McLaughlin spoke on the "quality of life" issue that has been referred to in past development discussions. He reminded the council and the audience that when referring to the quality of life in Charlestown, that not only should traffic and parking be addressed, but the basic needs of the community as well. Being a strong advocate of affordable housing, McLaughlin left no doubt that this is the subject to which he was referring.

The meeting had a full agenda that carried it to a late hour. Many who came to address one particular issue had to wait their turn to be heard.

Like all other council

meetings, it was informative, disruptive, open to community participation and "the best show in town."

Tudor Wharf

Council member Tom Cunha reported on a Development Committee meeting held on December 29 at which time David Keller of Myerson/Allen made a full presentation on their plans to develop Tudor Wharf. Two development scenarios were presented by Keller. One scenario included the use of the land adjacent to the site that is owned by Massport if Myerson/Allen obtains a lease agreement with the authority and the second depicted the project without the additional footage if a lease is not obtained.

According to Charlestown Community Liaison for Massport Dorothy Connolly, Massport plans to publicly advertise a Request for Proposal (RFP) for the site within a week. This RFP will be open to bid for anyone wishing to develop the site, and will stipulate Massport's suggestion that construction on the land be the maximum height of a three-story building.

The \$50 million Myerson/Allen plan, consisting of a total of 285,000 square feet of land, includes two buildings only for commercial usage. A five-story, 65-foot-high structure is proposed to be built on the pier, surrounded by a walkway that would overlook a marina, space for a cruise boat launch and an "historic"

ship birth. A pedestrian plaza would connect a 90-foot-high, six-story building that would front on Water Street. A three-level underground parking garage capable of accommodating up to 300 vehicles, would be constructed under this building. An appropriate street traffic scheme would be worked out as the Central Artery/North Area (CANA) project progresses, according to Keller.

Residents of Constitution Marina voiced their concern on losing parking spaces currently made available to them and their visitors near the site. Keller stated at the December 29 meeting that residential parking will not be heavily impacted due to the commercial use of the complex where vehicles would not be in the area on evenings or weekends.

The ongoing State Environmental Impact Study on the site was a concern of the council. The consensus of members was that the state should be advised of the council's actions pertaining to the development of the area so that it would be aware of the community's feelings before they make future decisions that would impact all residents of Charlestown.

Chairman McLaughlin said that the state should be made aware of the "concept of the community process" and that at all times, the community must come first. "How the community is affected must come before any consideration on actions taken by city, state

or federal agencies," he stated.

City Square

The future development of City Square is unknown to the community of Charlestown. Council members have voiced their concerns on more than one occasion as to what will be built in this area being referred to as "the gateway to Charlestown." They wonder, as do many residents, who will be responsible for setting guidelines for such issues as the height of new buildings and the uses that will be allowed on the land that will become available once the CANA project is completed.

Angry over the lack of information being made available not only to the council but to any interested resident, Cunha stated, "I don't know why the Square is so sacred. Why do we have to wait for all agencies involved to make their decisions? It's our duty as a community council to be involved from the beginning — to find out as early as possible as a community — in the whole process." He also stated, and McLaughlin agreed, that the whole area should be zoned now before any construction starts in the development process.

Council member Bill Galvin stated the importance on setting height requirements and questioned the process as it stands now, suggesting a public hearing to address the issues. Cunha said, "the process must be laid out. It's going to take a long time — dealing with one issue at a time, one step at a time."

Knowing that these parcels of land will be the last available within the community for development, the cry for affordable housing to be placed on every available site has been heard. The mention of the possibility of a hotel being built in the Square has come from both city and state agencies, but no confirmation can be obtained

from those who inquire.

McLaughlin stated, "It has become increasingly apparent that whatever happens in City Square will impact other developments — not the reverse. This must be discussed openly, laying all the cards on the table."

I.P.O.D.

Council member John Lynch stated that the Planning and Zoning Committee would hold the first Interim Planning Overlay District (IPOD) meeting of 1989 on Wednesday, January 11 at 7 p.m. at the Boston Redevelopment Authority (BRA) Office, Parris Building, First Avenue, second floor, in the Charlestown Navy Yard.

Council members stressed the importance of bringing the IPOD process out of the Navy Yard and cover the entire community. David Armanetti, BRA special assistant, stated that "all new zoning requirements must be made before March 16, 1989. If no new zone is in place by that date, it will revert back to the old zone."

MWRA Mitigation

Member Bill Galvin will chair a meeting to discuss the mitigation process between the community and the Massachusetts Water Resources Authority (MWRA) on Tuesday, January 17 at 7 p.m. at the Knights of Columbus Hall, 75 West School Street. The Mitigation Committee consists of the Council As A Whole, and all council members and interested residents are requested to attend.

The agenda will include a review of the process to date and discuss the city's proposed Memorandum of Understanding (MOU) with MWRA.

Vacant Seat On Council To Be Filled

The Election Committee, chaired by Galvin, has set guidelines to fill a vacant seat on the Council in Precinct One. Nomination papers will be available on Tuesday, January 17 at the JobStart Office at One Thompson Square.

(See article on page 12.)

Building Trade Unions And Jobs For Charlestown

A special committee was established at the last council meeting to explore the possibilities of establishing a process between the trade unions in Boston and the residents of Charlestown seeking employment. Moe Gillen, Peter Looney and Bob Wallace head this committee and discussions have

begun and plans to set up a job fair are being made. It was stated that the aim of a job fair would be to introduce residents to the various building trades in an informative but no pressure type of situation. The committee will continue to organize the event and notify the community as soon as a date has been set.

Allston Street

A previous request by residents of Allston Street to reverse the flow of traffic on their street has not been granted by the city Transportation Department, but within the next week signs will be posted at the corner of Medford and Allston Streets informing drivers that no turn onto Allston Street from Medford Street will be allowed during peak hours (9 to 10:30 a.m. and 3 to 5 p.m.). The only exception will be for residents of Allston Street. The discussion of reversing the traffic flow will be taken up again in the spring after a traffic study is completed.

Sub Shop

320 Medford Street

A plan to build a one-story structure, 15-feet by 24-feet, at 320 Medford Street to accommodate a sub shop operated by the Eatherton family has been the topic of meetings with abutters and chaired by member John Lynch. At Tuesday's council meeting, Lynch reported on previous meetings and testimony taken from those in attendance.

Joanne Eatherton stated that this would be a family-run business operated between 10 a.m. and 4-5 p.m.; no alcohol would be served; no seating would be available; no juke box would be installed to encourage hanging out; and that the Eathertons, who own the property, have petitioned the BRA to purchase an adjacent 800 square foot of land to allow for two or three off-street parking spaces. Eatherton said that the area is zoned for commercial use and that she did not anticipate that the sub shop would bring any additional traffic into the area.

Abutter Bob Konuch stated his opposition to the establishing of a business at the site due to its proximity to a residential area, noting that a new housing complex was to be built at the corner of Medford and Pearl Streets. He added that "this portion of Charlestown is the edge of the residential area before the maritime

DSS Commissioner Matava Sworn-In As Member Of Child Abuse Prevention Board

Department of Social Services Commissioner Marie A. Matava of Charlestown was sworn-in as a member of the newly-created Child Abuse Prevention Board at a recent State House ceremony. The Board, chaired by former Secretary of Economic Affairs Joseph D. Alviani, is comprised of 25 key state officials and private sector representatives appointed by Governor Michael Dukakis.

The challenge facing the Board is complex and without simple solutions: to eliminate child abuse in the

Commonwealth through the implementation of a comprehensive approach entitled, "It's Never Too Soon: A Blueprint for Preventing Child Abuse and Strengthening Massachusetts Families."

The Board will administer the Children's Trust Fund, created by state law in January of 1988, and will hold in trust funds to underwrite child abuse prevention efforts for Massachusetts' children. Following the swearing-in ceremony, Commissioner Matava presented a check for \$47,286 to Chairperson Alviani on

behalf of the Department. "I am proud to be able to make this donation and hope it will be only the first of many more to come," said Matava.

CANA Roadway Project Moves Ahead With Opening Of Gray Street Off-Ramp

Another milestone in the Central Artery/North Area (CANA) roadway reconstruction project was reached on Wednesday, January 4 with the opening of the new Gray Street off-ramp from the Tobin Bridge and the subsequent closure of the Henley Street off-ramp.

John McDermott, public relations specialist for the Massachusetts Department of Public Works, stated that the opening of the Gray Street off-ramp took place late afternoon, delayed during the day by the frigid weather which slowed the installation of necessary electrical wiring. The demolition of the off-ramp at Park and Henley Streets is scheduled to begin immediately.

The new Gray Street off-ramp, which is located between Chelsea and Water Streets, will allow traffic to turn left onto Water Street or right across Chelsea Street to Henley or Warren Streets.

To facilitate an easier flow of traffic, the MDPW has made Chelsea Street one way from City Square to the Tobin Bridge entrance. Lowney Way, in the block between Chestnut and Adams Street, has also been made one way going toward Bunker Hill Street. Jersey barriers have been placed at Adams Street and Lowney Way to prevent traffic from traveling from Lowney Way to Chelsea Street. The access to the Tobin Bridge from Lowney Way has thus been eliminated.

Traffic coming from Bunker Hill Street on Lowney Way is not allowed to use Chelsea Street. Vehicles are detoured down Adams Street onto Common Street,

down Park Street to Warren or Henley Streets.

When these changes were originally presented to the community in November, Chestnut Street between Adams and Chelsea Streets was slated to become one way going toward Chelsea Street. McDermott said that this portion of Chestnut Street will be open only to abutters and through traffic will not be allowed. He stated that engineers on the project made this determination, considering the originally stated use of the street as a dangerous traffic condition.

Some confusion arose with drivers on Wednesday morning as they traveled on Adams Street toward the Training Field. There, those unfamiliar with the area, were faced with a dilemma. The split in the roadway, with Common Street to the left and the continuation of Adams

Street to the right, was not posted. Thus, vehicles were stopping mid-street, deciding which roadway to take on the detour. McDermott stated that a large green sign with a left arrow, directing the traffic onto Common Street is on order and it is expected that it will be installed by the end of the week.

With the changes in traffic patterns, access to Chelsea Street can only be made from Water Street via new Gray Street. Once on Chelsea Street, vehicles can only proceed to the Tobin Bridge or onto Lowney Way toward Bunker Hill Street. Access to City Square must be made by way of Main Street or Rutherford Avenue.

McDermott stated that the community will be apprised of any traffic changes prior to their being instituted.

MATT O'NEIL SENIOR HOCKEY LEAGUE

Irish Rebels Over Colonial Boys 5-4 Bullys Blitz Black & Tans 5-2

with a 12-6 victory over the Terriers in the final championship game!

TEAM CAPTAIN'S MEETING CALLED

Stevie "Cargo" Considine of the Colonial Boys has requested a Team Captain's meeting to update league rules governing the "Man-ly Cup" Championship game prior to the semis in March, to set a new agenda for preseason selection of team captains for next year and to have an open discussion to update league rules that ...

1. Allow mid-season trade or player swap;
2. Allow a drawing for team goalie selection;
3. To rate defenseman for equal team drawing;
4. To debate/define the third period time clock rule; and
5. To define official "Man-ly Cup" Championship game rules governing penalties and scoreclock official time-outs only.

League Commissioner Johnson will take the above request under advisement for further league discussion!

POOR "NABBY," NOT GABBY, BUT "KNOBBY'S" A BIT SLOPPY

By the way, Robby "Knobby" McIntosh, the burnt-out goalie from Skate 3 Pits, took it on the chin, like Flynn,

THE LEADERS of the Baron's Bully's Hockey Team are Co-Captain Paul "Amos" Anthony (left) and Captain Eddie "Biff" Considine (right). (photo by Tom Bryson)

by Bernie "New Year Scoop" Kelly ATTENTION ... DEADBEATS ... ATTENTION! LEAGUE COMMISSIONER'S FINAL WARNINGS

While ushering in the New Year and finding time to go over the league's financial books, League Commissioner Eddie, not so Ho, Ho, Ho, "Baron" Johnson was tawdry and tart before becoming absolutely livid. Some senior league players still owe their ice time dues. Despite the fact extra time was allotted the players to fulfill all financial obligations to the senior league so that we can continue our select status as the best organized semipro league in Boston!

Also, another burr that sticks in the "Baron's" craw is the final warning to the "hackers" and the "blockheads" who stupidly attempt to injure — your days are numbered. You will not be tolerated anymore. Therefore, violators beware, we don't want you, scram!

CONGRATULATIONS

Congratulations are in order to the MDC's day/night managers who work hard to keep the lobby and locker rooms in "spiffy" condition, almost to the point of their being sickening, with the broom and shovel you see those sanitary engineers at the local malls use. But in our case at C-Town Rink, we have Bill "Spiffy" Pesce on days and Ed "Nasty Neat" Regal on evenings, both graduates (*cum laude*) from the National School of Nit-Pickers and Neatness, putting our rink among the top-rated, most sought after rink for frolic and fun. We are deeply indebted for such an honor, so, gentlemen, please take your bow. You earned it!

MARK "ACE" LALLY'S REIGN CHALLENGED!

Hallelujah, Mark "Ace" Lally, long live the king. That is unless you can go ahead of him. Right, preacher? That's the way the top scorers' race seems to be tightening up lately since Lally brought his girl, "Sweet Thing," to the rink and got off track on his scoring. He is allowing Paul "Amos" Anthony, the Salem State 1987-88 Captain, to close the gap to within two points, while older brother Mike "Yank" Anthony, Connecticut University 1984-85, is within just eight points of tying the league leaders!

I suppose the hockey buffs predicted the Irish Rebels would emerge as contenders with the Baron's Bully's. The former champions were bound to pull things together and show their form that won them the "Man-ly Cup" in 1987-88

again this week. The former champs, the Irish Rebels, hit paydirt at 3:53 of the final period giving "Knobby" a 5-4 loss. Meanwhile, hidden in the top row of the new stand, behind a steel girder, wearing a ski mask for disguise was, yep, you guessed it, Jerry "Nabby" McIntosh — "Knobby's" dad. There he was ringing wet with sweat, twisting and jerking everytime "Knobby" was making a kick save. "Nabby" was imitating him. So, in fairness, it's another loss for "Nabby" (0-3) while "Knobby" is 3-4-1. I suppose someone should tell his wife Ellie to have a talk with "Nabby." Why, the way he's going, his next stop will be Skate3!

WELCOME ABOARD, JIM

Season's Greetings for the New Year were extended to our new timekeeper, scoreboard analyst and penalty box arbitrator, hockey buff Jimmy "Super" Swales. He volunteered his expertise and sports predictions between periods and games while never surrendering a close play or a moment lost. He wrote up all the details and penalties occurring between the gladiators and wimps at last Monday night's senior league double-header, staying right until the end. A job well done. Yes, Jim, I'll need you next week, too!

All-Boston Hockey A Success

BOSCO WINS SECOND STRAIGHT TITLE MULLEN RECEIVES MVP HONORS

by Bob DeCristoforo, Tournament Director

It's time to pat ourselves on the back! The 1988 All-Boston Hockey Tournament, hosted by Christopher Columbus High School, is history and all the reviews are good, even great.

The young people on the hockey teams of Boston Latin, South Boston High, Don Bosco High School and Christopher Columbus High School were fine representatives of the young people of Boston. These kids were a credit to not only their schools, but to their

neighborhoods, their parents, their friends and to themselves.

Excellent crowds were at Boston University on both nights of the Tournament to root their kids, our kids, on to victory, and Cablevision of Boston brought the action to the entire city.

In the opener, Latin shut-out South Boston 7-0. Ryan Luongo had a Hat-Trick and John Hamilton had two goals and an assist for the winners. In goal for Latin was Jack Koen.

Prior to the opener, the

All-Boston Tournament presented plaques to Coach Tom Apprille of South Boston and to Coach Dave Coleman of Boston Latin for their close to 50 years of service to the young people of Boston through their coaching. The dedication of these two fine men is one of the reasons why the young people of Boston are good.

Game two of the tournament pitted together last year's finalists, Don Bosco and Christopher Columbus High Schools. Bosco jumped off to a quick 4-0 lead, thanks to goals by Kevin Feeney and Chris Gilardi (each had a pair), but Columbus' Jimmy Moccio quickly cut the lead in half as he scored two in the second period. Columbus continued to make some serious scoring threats, but

they were turned back by Bosco goaltender Mike Moran, and the game breaker was Bobby Conannon's Bosco goal with just 55 seconds remaining in the period. Chris Mullen scored two more for Bosco in the third and Bobby Conannon got Bosco's final tally.

In the consolation game, Columbus erupted for five first period goals to coast to a 7-2 win over South Boston. Tommy Carroll led the Columbus scoring parade with two goals and an assist. Other Columbus goal scorers were Jimmy Mahoney, Dan Sullivan, Jim Cotter, Mike Flammini and Dennis Bolstad. South Boston goals were scored by Kevin Yalmokas and Ed Mahoney.

The championship game, pitting defending champion Don Bosco and Boston Latin was a little closer than the final 6-0 score might indicate. Chris Mullen and Eric Vaughn gave Bosco a 2-0 first period lead, but the Latin men kept the game close through most of the second period.

At the 7:56 mark of the second, Bosco erupted. Kevin Feeney got the goal at 7:56. Brian McDonald got a goal at 8:31, and 15 seconds later at 8:46, Feeney got his second goal of the night and the period.

Chris Mullen closed out the scoring for Bosco in the third period and the combined efforts of goaltenders Mark Moran and Jon Bracco gave Bosco a shutout and another All-Boston Hockey Championship.

For his efforts, Chris Mullen of Don Bosco was named Tournament MVP

by Cablevision of Boston and the All-Tournament Team, as selected by the coaches, was Ryan Luongo of Boston Latin, Jim Moccio of Christopher Columbus, Mike Moran of Don Bosco, Jason Elsmore of Don Bosco and Kevin Yalmokas of South Boston High School.

Award plaques were presented to both the champions and the finalists and all players and coaches received hats and T-shirts. All four schools also received team trophies for their schools.

Congratulations to the champions, the young people of Boston!

• COMPUTER CLASSES

There are several openings for members who are interested in computer classes. Classes are offered in programming, animation, adventure games and games that develop skills in reading, writing, math and geography. For more information, drop into the club or call Josh Zaentz between 2 and 8 p.m., Tuesday through Friday.

• VISITORS FROM ARGENTINA

For the past week, a basketball team from Buenos Aires, Argentina has been visiting Boston and staying at the clubhouse. In addition to games at our clubhouse and in Roxbury, they traveled to the Springfield Boys and Girls Club and visited the Basketball Hall of Fame. Gifts were exchanged as they departed. It proved to be a good experience for everyone.

• TOURNAMENT WINNERS

The Teen Center held its full game tournaments last week. Joe Griffin was the winner of the Pool Tournament. Joe had a tough two-out-of-three final against Jamie McLaughlin. Derek O'Brien was the winner in Ping-Pong with several easy wins throughout the tournament.

• FREE-THROW SHOOTING CONTEST

There will be a Free-Throw Shooting Contest sponsored by the Charlestown Knights of Columbus at the clubhouse gymnasium on Sunday, January 15 at noon. All boys and girls ages 10-14 are eligible to participate. Winners will advance through local, district, regional and state competitions. Entry forms are available at the Knights of Columbus Hall or at the Boys and Girls Club.

• BRUINS GAME

Fifteen teens went to the Bruins game on January 2. The clubhouse members cheered the Bruins to victory. There will be another trip coming soon. Check the Patriot for the date!

• WOODWORKING

The Wood Shop will once again be buzzing with activity as the woodworking classes resumed this week. Classes are scheduled for 6-12 year olds on Tuesday nights at 6 p.m. On Thursday nights at 6 p.m., the shop will be open for those 13 years of age and older. If you are interested, please give Eileen a call at the front desk, 242-1775.

• ICE SKATE AROUND

The club will be starting a Saturday Skate Around on Saturday, January 14. The skaters will be taking trips to some of the MDC skating rinks in the Greater Boston area. So whether it is in the North End, Southie, Brighton or elsewhere, come on and sign up and skate around with us. Even if you don't own skates, we will be going to rinks that have them available on a rental basis.

• ARTS AND CRAFTS

Friday afternoons will be full of creative fun as the arts and crafts room swings into gear. If you want to join in and take part in the arts and crafts program, just come on in and sign up at the front desk.

• SKI BLUE HILLS

The clubhouse will be enjoying some Wednesday night skiing at the Blue Hills this year. The trips are free and the slopes are waiting. The skiing will include lessons for all, so don't be shy about signing up. For more details, call the club at 242-1775 or come on in and sign up.

• CLUB CLOSED SATURDAY, JANUARY 7

The clubhouse will be closed all day on Saturday, January 7 as the staff will be in a training session.

GIRLS' BALL HOCKEY

LAST WEEK'S RESULTS

Game 1: Silver Box 5, Charlestown Chiefs 1

Silver Box won its eighth straight game and clinched a bye in the first round of the playoffs with a 5-1 victory over the Chiefs. Silver Box got two goals each from Kim Campbell and Shannon Lawler and one from Tasha Lyman. Shannon McLaughlin was the only Chief to put the ball past Silver Box goalie Elaine Hardy, who had another great game.

Game 2: Parkies 4, N.B.B. 2

In a close, well-played game, the Parkies clinched fifth place with a 4-2 win over N.B.B.

The first half ended in a 2-2 tie, the Parkies getting goals from Mary-Kay Tkachuk and Stephanie Walsh, and Ronnie Sue Deardon answering with two goals for N.B.B.

The second half was controlled by the goalies. Jolie O'Brien for the Parkies and Michelle Macomber for N.B.B. were sensational, stopping many tough shots. But Jody Neff scored for the Parkies to make it 3-2 and Tkachuk clinched it with her second goal of the game for the 4-2 victory.

Game 3: Barbies 3, Main Street 2

The Barbies pulled into a tie for third place with a 3-2 upset of Main Street in one of the closest, most exciting games of the season.

In the first half, Nancy Kane scored for Main Street and Anne Hanson scored for the Barbies, setting up the exciting finish.

The second half was a defensive struggle and the two goalies (Noreen Hegarty for the Barbies and Laura Blaikie for Main Street) made save after save. Anne Hanson finally gave the Barbies a 2-1 lead on her second goal of the night.

Main Street kept the pressure in the Barbies' end, but Hegarty and the Barbies' defense, led by Kim Krupcheck, kept the ball out of the net. Joanne Wallace then scored for the Barbies, making it 3-1. Kane answered for Main Street, and despite heavy pressure, they were unable to score again, making the final score 3-2, Barbies.

zone." He also stated his concern that truck traffic would be backed up, disrupting access to Allston Street and that a one-story structure wouldn't be consistent with existing buildings in the neighborhood.

Ann Considine spoke in favor of the proposed sub shop, noting that this side of Medford has always been commercial, listing at least six shops that had been located there at one time. Considine stated, "The only problem with traffic in that area are the school buses that are parked there at

the high school every afternoon." She further stated that no one spoke in opposition to the sub shop at the November 22 meeting with abutters. According to Considine, "This proposal should not be stopped because of one abutter's opposition."

Galvin spoke on behalf of the Merchants Association, noting that only certain sections of Charlestown are zoned for commercial use, Medford Street being one of them. "There is a need for a food service operation in this area," he stated. "This is an appropriate space for

Neighborhood Council Meeting — Still "The Best Show In Town"

this type of operation. Speaking for the merchants, the business community will support this type of operation, a Mom and Pop operation."

Local Hill Street resident Fran Ferguson, spoke in favor of the location of the sub shop, stating that the proposal was coming from his daughter. He said, "We've lived here all our lives," and requested the council's support. His daughter, Joanne Eatherton, requested the council to support her proposal so that she could bring their decision to the Board of Appeal (BOA) when it hears the request on January 10.

The council voted unanimously to support the Eatherton's proposal to construct the sub shop and will forward a letter to the BOA indicating this approval.

Former Nancy Sales Building

Lynch reported on a meeting that took place November 29 to discuss Jeff Stonberg's proposal to operate a self-storage facility at the former Nancy Sales site at Medford and Terminal Streets. He stated that no one in attendance opposed the use of the building as a self-storage facility, but were very verbal in opposing a sign proposed by the developer that would be 10 feet high and 300 feet long.

Another meeting took place since that time with Stonberg proposing to reduce the size of the sign and move it to the far end of the building away from Medford Street residents. Lynch stated that more meetings

will take place on the proposal. When they are set up, he said that he would announce them in the Patriot.

New England Aquarium

McLaughlin reported on the New England Aquarium public meeting held December 19 at Charlestown High School. He stated that this meeting was the first of many public meetings to discuss the possible move of the aquarium to Dry Dock 2 in the Charlestown Navy Yard.

He said that representatives of the aquarium had conducted many private meetings within the community with local groups, clubs and organizations and had compiled a list of all concerns voiced at these meetings to be used in the preparation of their proposal for Dry Dock 2. McLaughlin stated that only preliminary plans were presented at the public meeting and that now the process would begin. He also noted that sub-committees are being formed to address various aspects of the total development picture. Residents interested in participating in these sub-committees, should notify the council of their interest.

Public Transportation Access

Bill Myers, panel member of the Planning and Zoning Committee, reported to the council on meetings that had taken place by the panel with representatives of the MBTA to discuss additional access to public transportation in Charlestown. It was decid-

ed that all future meetings between the MBTA and representatives of the council should be public hearings and that notification be given to the community and council members of all future meetings. It was also noted that local media be

given access to the meetings.

Next Council Meeting

The next monthly meeting of the council will be held on Tuesday, February 7 at 7 p.m. at the Knights of Columbus Hall, 75 West School Street.

MWRA Mitigation Committee To Meet

The Massachusetts Water Resources Authority (MWRA) Mitigation Committee of the Charlestown Neighborhood Council, under the chairmanship of Bill Galvin, will meet on Tuesday, January 17 at 7 p.m. at the Knights of Columbus Hall,

75 West School Street.

The committee will review the mitigation process and discuss the city-proposed Memorandum of Understanding with the MWRA.

The public is welcome to attend.

Neighborhood Council Seeks To Fill Vacant Seat

The Charlestown Neighborhood Council has announced its plans to fill a seat left vacant by the resignation of Annemarie Vesey who was elected to the council in 1987 to a two-year term. The person selected will complete Vesey's term of office representing Precinct One.

To be eligible, the candidate must be a resident of Precinct One, be at least 18 years of age, but does not have to be a registered voter. Nomination papers can be picked up at the JobStart Office at One Thompson Square starting Tuesday, January 17. Twenty-five

signatures from residents of Precinct One must be obtained by the applicant. All nomination papers must be returned to the JobStart Office no later than 5 p.m., on Monday, February 6.

The Neighborhood Council will review all nomination papers at their February 7 meeting. A vote will be taken by council members to elect the person to fill the vacancy and the successful candidate will be seated at the meeting.

Our Thanks

Dear Gloria,

On behalf of the Staff and Council of the Charlestown Community Schools, I want to thank you for all your help with the Elderly Christmas Party. Without your help, it would be extremely difficult to access all the Seniors to this event.

Your generosity of newspaper space is greatly appreciated by everyone at Community Schools.

Yours truly,
Beverly Gibbons
Elder Service Director

With Sincere Appreciation

Dear "Townie" Friends,

I would like to express my deep, sincere appreciation to those of you who displayed such tremendous kindness and consideration to my friend, Marie, during her final days with us.

As you know, I asked my fellow "Townies" to rally together in true form to help make Marie Van Skiver's last days a little more bearable.

Well, once again, my friends came forward with open hearts and a great deal of love.

I would like to especially thank the seventh and eighth grade students at Saint Francis de Sales School for their heartwarming Thanksgiving, get-well and Christmas cards. These cards were very special indeed.

Also, special thanks goes out to the anonymous friend whose weekly correspondence was sent to a "Sweet Lady." Marie was very sweet, and these cards touched her soul.

Friends, Marie passed away on December 10 and your Mass cards, green scapulars and letters made her last few months on God's earth more joyous.

With love and admiration, I remain,
Mary E. MacInnes

Aquarium Director Encourages Continued Community Participation

Dear Friends,

I want to express my sincere thanks to Charlestown community members for their active participation in the early stages of our outreach process. As you know, this process was designed to inform the community about our proposal to relocate the Aquarium to the Charlestown Navy Yard. Since mid-September we have met with more than 14 civic groups, as well as with the National Park Service and Constitution Museum, residents of apartment houses, condominium complexes, elderly housing, the Navy Yard, schools and social service agencies. We have also met with elected officials and representatives of agencies at the community, city, state and federal levels, including the Charlestown Neighborhood Council, the Boston Redevelopment Authority and the Mayor's Office of Neighborhood Services.

Additionally, Charlestown families had an opportunity to learn about our programs and exhibits at a special event hosted at the aquarium on October 24. Aquarium staff have also brought our educational programs to numerous schools, youth organizations and programs for elderly groups. And we also learned what Charlestown residents thought about the aquarium through a poll conducted in November. Seventy-six percent of those polled responded favorably to the idea of the aquarium relocating to Charlestown. Combined with the 17 percent who were neutral, a full 93 percent of Charlestown residents either want or are indifferent to the aquarium moving to the Navy Yard. Only 7 percent were opposed. The overwhelmingly enthusiastic support expressed by Charlestown residents during the past three months has been gratifying to those of us involved in this process.

Most recently we met with approximately 90 Charlestown residents at the first public neighborhood meeting. This meeting, like those that will follow, presents a forum for sharing ideas, voicing concerns and seeking solutions. During this meeting and the earlier outreach sessions, we identified a number of issues that will benefit from community input.

Clearly, resolving any parking and traffic problems is high on everyone's list of priorities. Preliminary findings from a report commissioned by the aquarium indicate that these problems can be addressed by developing parking lots specifically to accommodate aquarium visitors. Research also indicates that the incremental traffic drawn to Charlestown by the aquarium will not create an unacceptable level of service at the City Square intersection. This finding is based on the fact that aquarium visitation patterns generally do not overlap with traditional commuter "rush hours." Furthermore, it appears quite likely that the goal of encouraging 25 percent of all aquarium visitors to use public transportation, particularly water shuttles, is achievable. The report also recommends that improved public transportation could be achieved by working with the MBTA.

In addition to parking and traffic, public access, community benefits and construction mitigation will be the primary topic of community workshops. These workshops were suggested by the community. They will begin in early January and continue through the end of February and will be coordinated through the Charlestown Neighborhood Council. Everyone interested in participating in these focus groups should watch for a schedule in your local newspaper. If you have questions, please feel free to contact Judy Evers at Neighborhood Services, telephone 725-3485.

We also encourage you to continue to participate in our community outreach process. If you would like to know more about the proposed project, please call 973-6558 and we will be happy to send you information.

My best wishes for a happy, healthy New Year.

Sincerely,
John H. Prescott
Executive Director, New England Aquarium

In order to be eligible and responsible to bid on this project, General Bidders must submit with their bid a current Certificate of Eligibility issued by the Division of Capital Planning and Operations and an Update Statement. The General Bidder must be certified in the category of GENERAL BUILDING CONSTRUCTION OR METAL WINDOWS. The estimated project cost is \$500,000.00. Bid Documents may be obtained at the office of the Director of Engineering of the Authority, together with any addenda or amendments which the Authority may issue. A charge of \$25.00, PAYABLE BY CHECK ONLY, will be made for these Documents, which charge will be refunded upon their return in good condition, within forty-five (45) days after receipt of the General Bids.

Bidding procedures and award of the contract and sub-contracts shall be in accordance with the provisions of Sections 44A through 44H inclusive, Chapter 149 of the General Laws of the Commonwealth of Massachusetts.

A proposal guaranty shall be submitted with each General Bid consisting of a bid deposit for five (5) percent of the value of the bid; when sub-bids are required, each must be accompanied by a deposit equal to five (5) percent of the sub-bid amount, in the form of a bid bond, or cash, or a certified check, or a treasurer's or a cashier's check issued by a responsible bank or trust company, payable to the Massachusetts Port Authority in the name of which the Contract for the work is to be executed.

The bid deposit shall be (a) in a form satisfactory to the Authority, (b) with a surety company qualified to do business in the Commonwealth and satisfactory to the Authority, and (c) conditioned upon the faithful performance by the principal of the agreements contained in the bid.

The successful Bidder will be required to furnish a performance bond and a labor and materials payment bond, each in an amount equal to 100% of the Contract price. The surety shall be a surety company or securities satisfactory to the Authority. Attention is called to the minimum rate of wages to be paid on the work as determined under the provisions of Chapter 149, Massachusetts General Laws, Section 26 to 27G, inclusive, as amended. The Contractor will be required to pay minimum wages in accordance with the schedules listed in Division II, Special Provisions of the Specifications, which wage rates have been predetermined by the U.S. Secretary of Labor and/or the Commissioner of Labor and Industries of Massachusetts, whichever is greater.

The successful Bidder will be required to purchase and maintain Bodily Injury Liability Insurance and Property Damage Liability Insurance for a combined single limit of \$1,000,000.00. Said policy shall be on an occurrence basis and the Authority shall be included as an Additional Insured. See Division I, Article 46 and Division II, Special Provisions for complete details.

Return of bid deposits will be in accordance with the provisions of the above cited General Laws. No filed sub-bids will be required for this project.

The Authority reserves the right to reject any sub-bid of any sub-trade where permitted by Section 44E of the above-referenced General Laws. The right is also reserved to waive any informality in or to reject any or all proposals and General Bids.

This contract is subject to a Disadvantaged Business Enterprise participation provision requiring that not less than 10% of the Contract be performed by disadvantaged business enterprise contractors. With respect to this provision, bidders are urged to familiarize themselves thoroughly with the Bidding Documents. Strict compliance with the pertinent procedures will be required for a bidder to be deemed responsive and eligible.

This Contract is also subject to Affirmative Action requirements of the Massachusetts Port Authority contained in Article 84 of the General Requirements and Covenants, and to the Secretary of Labor's Requirement for Affirmative Action to Ensure Equal Opportunity and the Standard Federal Equal Opportunity Construction Contract Specifications (Executive Order 11246).

The General Contractor is required to submit a Certification of Non-Segregated Facilities prior to award of the Contract, and to notify prospective subcontractors of the requirement for such certification where the subcontract exceeds \$10,000.

A Contractor having 50 or more employees and his subcontractors having 50 or more employees who may be awarded a subcontract of \$50,000 or more will within 120 days from the contract commencement, be required to develop a written affirmative action compliance program for each of its establishments.

Compliance Reports. Within 30 days of the award of this Contract the Contractor shall file a compliance report (Standard Form (SF 100)) it:

- (a) The Contractor has not submitted a complete compliance report within 12 months preceding the date of award, and
- (b) The Contractor is within the definition of "employer" in paragraph 2e (3) of the instructions included in SF 100.

The Contractor shall require the subcontractor on any first tier subcontracts irrespective of the dollar amount, to file SF 100 within 30 days after the award of the subcontracts if the above two conditions apply. SF 100 will be furnished upon request. SF 100 is normally furnished by Contractors annually, based on a mailing list currently maintained by the Joint Reporting Committee. In the event a Contractor has not received the form, he may obtain it by writing to the following address:

MEDICARE IMPROVES COVERAGE by Peter Toland Social Security Manager In Boston

People in the Boston area who dropped their Medicare medical insurance coverage or declined it when they were first eligible, have another chance to sign up for it now. Between now and March 31, is an annual open enrollment period to get coverage, which goes into effect July 1.

Many people who thought Medicare medical insurance was not for them might want to take another look at it this year. More extensive services will be covered, starting January 1990, because of recent legislation.

Among the items of improved coverage are regular mammography screenings and increased days of home health care. A cap is set on the total expenses an individual would have to pay in Medicare-approved charges. In 1990, that cap is \$1,370. Coverage of out-

patient prescription drugs will be phased in over a four-year period, beginning January 1, 1990. In 1990, Medicare will cover home IV therapy and immunosuppressive drugs. Coverage of all other prescription drugs will begin January 1, 1991.

To pay for these services, Medicare medical insurance premiums will also be increasing to \$31.90 per month in 1989. In addition, all people eligible for hospital insurance will pay an annual supplemental premium based on their income tax liability and collected as part of their income tax. For tax year 1989, the rate will be \$22.50 for each \$150 of tax liability, up to a maximum of \$800 per person.

Anyone with questions about coverage can call a special toll-free Medicare telephone number, 1-800-888-1998. Questions about the supplemental premium should be directed to the Internal Revenue Service. For a free IRS publication which explains the Supplemental Medicare Premium, call toll-free, 1-800-424-3676 and ask for Publication 934.

IRS also has a Tele-Tax service which provides toll-free information by dialing 1-800-554-4477 and selecting topic 223 entitled "Social Security, Tier One and Catastrophic Coverage."

Questions about the general enrollment period can be answered at the Boston Social Security office at 10 Causeway Street, telephone 565-8580.

Free Vision Screening For Elderly

Staff from the Mayor's Commission on Affairs of the Elderly and the New England College of Optometry will be in Charlestown to test residents over the age of 60 for visual problems, glaucoma and cataracts. An appointment is necessary.

Remember, there may not be any warning signs and having your eyes exam-

ined regularly is the only sure way to find out about the possibility of glaucoma and cataracts.

This program will take place on Monday, January 9 from 10 a.m. to 3 p.m. at the Charlestown Golden Age Center, 382 Main Street.

To make an appointment, please call Shelia Walsh at 241-7513.

Charlestown Police Line

From the desk of
Deputy Superintendent Ronald X. Conway
Area A, Boston Police Department

Monday, December 26

At approximately 5 p.m., Officers Byrne and Boyle responded to an alarm at 95 Dunstable Street on a report that someone had broken into the building. When the officers arrived at the scene, they searched the premises and found a broken window, climbed into the building and were able to apprehend a 19-year-old resident in the office on the second floor and an accomplice, a 20-year-old resident, hiding on the first floor.

Tuesday, December 27

At approximately 9 p.m., a Somerville resident was assaulted by two teenagers who took his money then knocked him to the ground, kicking him several times. The victim was taken to the hospital for treatment.

Detectives Donahue and Langlois arrested a 29-year-old resident at the Charlestown District Court, 3 City Square, on an outstanding warrant for larceny.

Friday, December 30

A female resident reports that at approximately 5 p.m., while she was walking at Austin and Main Streets, she was approached by a man who grabbed her arm. She pushed him and he fled on foot.

Saturday, December 31

At approximately 2:30 a.m., Officers Hasson and MacPherson responded to Main and Dunstable Street where they observed a 16-year-old resident acting suspiciously. As the officers parked the cruiser and began to approach the suspect, he fled on foot with the officers in pursuit. The suspect attempted to discard a small bag containing 16 white packets, believed to be cocaine, and was apprehended. He was placed under arrest for possession of Class B drugs with intent to distribute.

At approximately 9 p.m., a visitor parked his automobile at First and Thirteenth Street and when he returned to the vehicle at 11 p.m., someone had broken the side window and removed a pair of Strato skis.

A Somerville resident was arrested at Sullivan Square by Officer Bollen for driving without a license.

A resident of 57 Polk Street reported that someone climbed through the living room window between 11 p.m. and 2:30 a.m. and stole assorted jewelry.

Sunday, January 1

At approximately 2 a.m., a resident of Green Street reported that while she was assisting a friend out of an automobile that was parked and was blocking the street, an automobile pulled up in the rear. The occupants of the vehicle, three males and two females, jumped out, assaulted the victims, two males and a female, and then fled. The victims were taken to the Massachusetts General Hospital for treatment.

The window of the Newworld Bank at 20 Austin Street was smashed at approximately 2:30 a.m.

Monday, January 2

An automobile that was parked at 50 Brighton Street was broken into during the evening hours and an attempt was made to steal it.

An automobile that was parked at 67 Old Landing Way was broken into during the evening hours and an attempt was made to steal it.

An automobile that had been stolen in Chelsea was recovered on Decatur Street by Officer Toomey.

These incidents are under investigation by the Detectives and Officers of Area A.

Residents are reminded: If you know of any drug activity in your neighborhood, call the Boston Police Hotline at 247-4697. It is not necessary to give your name and all information will be investigated.

Licensing Board Tables New Restaurant's Wine Request

(continued from page one)

which will feature such gourmet items as wild boar prosciutto with figs, wood-grilled squid and lobster souffle, starting upward of \$9.50 a plate. Both chefs from the Cullinary Institute in New York, the Englishes are known for their talents and have established a reputation in Boston. Their particular hopes for the restaurant's atmosphere depend upon securing the seven-day malt and wine license.

Olivia, who would manage and operate the business while Todd cooks, told board members that they chose Charlestown for their home-style restaurant because they want to attract walk-in customers from the neighborhood. The proposed hours for the 58-seat Olive's are Monday through Thursday from 6 to 10 p.m., and Friday and Saturday from 6 to 10:30 p.m., with the possibility of a limited Sunday brunch.

The hearing room in City Hall was packed with

Charlestown residents, who spoke against and in favor of Olive's for nearly two hours Wednesday afternoon. Todd and Olivia English were commended on their reputation and sensitivity to the neighborhood, but questions about parking, traffic, noise, trash, public need, and pests and rodents were raised. Petitions were presented to the board by both sides.

The Englishes suggested valet parking to ease traffic and parking impacts, but Gargiulo noted that valet service might add to existing congestion woes. The couple said they would continue to work with neighbors in hopes of coming to an agreement as soon as possible.

Support for Olive's coming into the neighborhood came from lifelong Charlestown residents, abutters, business leaders and "wholeheartedly" from City Councillor Robert Travaglini's office. Father Bri-

an Murdoch of Saint John's Episcopal Church spoke out in favor, contingent on working out the parking problem, saying that the new restaurant might "help create hospitality" in the neighborhood.

Judy Evers, Mayor's Office of Neighborhood Services community liaison, said the Main Street location is too dense for the proposed establishment and reflects no public need for another business serving alcohol. A spokesman for Superintendent Ronald X. Conway of the Boston Police Department expressed opposition, and abutters and other residents said they did not welcome the plans either. Tobin said the "physical limitations of the premises can't handle this (restaurant)."

Gargiulo said both sides presented valid arguments, but the board decides on the licensing aspect of a project. "It seems there has been no neighborhood for-

um," she said. "A restaurant is already there, and the only difference will be to serve drinks with a meal." She said the board will hear testimony again in two weeks after the opposing sides have come together to discuss the issues.
