

# New Student Orientation

2017 - 2018

# Expected SchoolWide Student Outcomes

- AcaDemic Achievers
- Critical Thinkers
- Involved Citizens
- Self Directed Lifelong Learners
- Effective Communicators

# Timetable

- Students have 8 subjects each semester
- Each day they have 8 periods; some subjects are double periods
- Students have a different teacher for each subject and move to the teacher's classroom for the lesson
- 15 minute break in the morning and 45 minutes for lunch

# Assessments

- Teachers will assess students in many different ways, formative and summative
- Students will show what they know through quizzes, exams, essays, posters, videos, etc.
- Students are graded using rubrics

# Homework

- Students will have homework but it should not be hours each night
- Teachers DO plan when bigger assignments and projects are due
- Students must complete all homework or they are ZAPPED!

# ECAs and Sports' Teams

- Extra-curricular activities are offered on Monday and Wednesdays from 3:30 - 4:20
- Students can choose which activity they want to be involved in
- There are under 15 volleyball, basketball and soccer teams that students can try out for

# ECAs Offered
