Kit 3D Lace Flowers New

**SOSPESO
TRASPARENTE** **KLB**
di Fiorina Allgeier

Kit 3D White Lace Flowers

CONTIENE: 8x10 cm Foglio plastico atossico altamente termoplastico - 4 Fiori di Pizzo 100% PL.

1 - Stendere abbondante colla specifica sopra al foglio atossico termoplastico, posizionare sopra i fiori di pizzo e comprimere con un pennello.

3 - Spread abundant specific glue over the thermoplastic no toxic sheet, place the lace flowers and compress with a brush.

2 - Lasciare asciugare e tagliare con cura lungo il contorno e separare leggermente i petali tra loro.

4 - Let it dry and then cut with attention, separating the petals cutting between them.

5 - Utilizzare una candela, scaldare a una distanza di pochi centimetri una piccola parte e velocemente modellare con le mani (il busto, secondo il taglio su una superficie morbida. Il materiale rimane modellabile per pochi secondi, poi si può riscaldare nuovamente e ripetere l'azione.

7 - Incollare due fiori tra loro con colla a caldo e rifinire con un tratto centrale di gesso.

6 - Paste the flowers together with hot glue, and decorate with a central stroke or glitter.

Made in Italy

Kit in parte di una linea di prodotti esclusivi distribuiti a una tecnica 3D brevettata. The kit is part of a line of exclusive products combined with a patented 3D technique.

3D Flowers to Model

CONTENUTO:
Fiori in pellicola altamente termoplastica atossica da modellare.

CONTENT:
thermoplastic no-toxic film.

È possibile creare accessori moda e decorare oggetti. Fantasie fiori assortiti, le immagini della spiegazione sono solo illustrative.

It is possible create fashion accessories and decorate objects. Assorted flower fantasies, the images of the explanation are just illustrative.

1 

IT - Ritagliare con cura lungo il contorno e separare leggermente i petali tra loro.

EN - Let it dry and then cut with attention, separating the petals cutting between them.

2 

IT - Utilizzare una candela, scaldare a una distanza di pochi centimetri, una piccola parte e velocemente modellare con le mani o il bulino, ponendo il ritaglio su una superficie morbida. Il materiale rimane modellabile per pochi secondi, poi si può riscaldare nuovamente e ripetere l'azione.

EN - For model: use a small candle shape, a part at a time, heat a few seconds. At a distance of about 2 cm from the flame, model with wooden tools, or raise petals with your hands.

3 

IT - Incollare due fiori tra loro con colla a caldo e rifinire con un strass centrale o glitter o vetrificante in gel.

EN - Paste the flowers together with hot glue, and decorate with a central strass or glitter or vetrificante in gel.

Il Kit fa parte di una linea di prodotti esclusivi abbinati a una tecnica 3D Brevettata.
The kit is part of a line of exclusive products combined with a patented 3D technique.
