

TANK MARŠ!

2016

A Flames of War tournament in a tank museum!

After an amazing 1st tournament held in the “Park of Military History”, we are pleased to announce the 2nd TANK MARŠ! tournament in the same museum situated in Pivka, Slovenia. What has changed since the 1st tournament? The museum has built a new building, tank course and extended their tank and gun collection, with some interesting pieces of history like the Soviet SU-100, British Bofors 40 mm AA gun, American 155 mm Long Tom and the legendary Flak 88. We have a very special surprise for all of the participants this year as well. Each participant will become a **real life tank rider** on one of the museum's working tanks!

The tables are going to be setup between the WW2 exhibits which will give you an even more vivid feeling of being on a “real” battlefield. The museum's WW2 collection includes a M4A3 Sherman, M3A3 Stuart, T-34/85, M36 Jackson, M3A1 Scout Car, M8 Greyhound and many more historical war gems. The museum also has a collection of some more modern and older military pieces, tanks and guns. They also have a Yugoslavian submarine (P-913 Zeta) on display! So grab your minis and uniforms and come to the “Sunny side of the Alps” where the second “Tank Marš!” event will be held.

Our plan is to ensure that everybody will be able to play next to their favorite tank, howitzer, AT or flak gun, ... If you have a specific wish beside which WW2 exhibit you would like to play a game, don't hesitate to let us know in your application e-mail. Please check the website of "Park of Military History" for more information on the museums WW2 exhibits.

PAYMENT

Payment includes: entry fee, lunch between the games on Saturday and Sunday and the tank ride. OPTIONAL: sleeping accommodations + breakfast (the price deviates whether you have one or two overnight stays)

The payment is divided into two categories: Early and Late payment. The difference between these two payments is in the end price. The sooner you apply and pay for the tournament the cheaper it will be for the applicant. **The deadline for the Early payment is until 30th March. The Late payment starts on the 1st April and lasts until the 30th April.** Since the amount of players is limited the spots will be reserved on the principle of "First come, first serve". Your application on the tournament is not a guarantee you will get a spot, however a confirmed payment will give you a green light and a reserved spot.

Early payment:

- Entry fee: 30€
- Entry fee + 1 overnight stay (includes breakfast): 55€
- Entry fee + 2 overnight stays (includes breakfast): 80€

Late payment:

- Entry fee: 35€
- Entry fee + 1 overnight stay (includes breakfast): 65€
- Entry fee + 2 overnight stays (includes breakfast): 95€

The payment procedure will be over **Paypal**. Information about the payment will be given to you when you apply to the tournament via e-mail.

ACCOMODATION

We have carefully picked two places (Restaurant and pizza place "Herman" and Farm house "Na meji") where players will be able to stay. Unfortunately we could not find a place where all of the players could stay at once, but both places are very close to the "Park of Military History" where the tournament will be held. The accommodation price includes a bed and breakfast, wireless internet and a LCD tv. The rooms are mostly double-bedded rooms. In case you would like to have a room all for yourself, let us know and we will contact the guest house for the "new" price. In case you would rather stay in a hotel in Postojna (14 km away from the venue) let us know as well.
