

[STEP BY STEP TUTORIAL] How to make \$100/day with YouTube (Without Creating Your Own Videos) and with \$0 investment?

Are you still trying hard to make your first \$1 online?

Over here, we prefer income methods and systems that fall into our favourite “make money online” category which are:

- **easy (no technical skills required)**
- **fast (15-30mins/day)**
- **without spending any money**
- **autopilot (make money while you sleep)**
- **scalable (able to reach at least \$100-\$300/day)**
- **newbie friendly**
- **no website required**
- **no email list required**

The following method fits all of the above criteria.

If you are ready, let's get started.

Overview of the method

As we guarantee, we won't bore you with the technical or theoretical mambo jumbo stuff. This will be 100% actionable material.

We like to go direct to the point with our method and provide 100% actionable stuff, including screenshots and live examples, so that you can take action right away and hopefully see money coming in very soon.

What we are going to do is promoting affiliate offers by leveraging the third largest website in the world which is YouTube.

At first we started with promoting Clickbank products and it works great. Then we implemented the same method with JVZoo and Warrior plus and it really blew up!! This is mainly due to JVzoo and Warrior Plus have a ton of products choices.

However, those affiliate offers that we are choosing are not simple make money online guides that usually get low conversion rates and lots of refunds.

No. We will promote high value products that actually help people to save their time and make more money. We are talking about the software and WordPress plugins in the “make money online” niche.

Here are some main reasons why we like to promote these type of offers:

1. Customers see instant results
2. Higher conversion rates
3. Less refunds
4. Higher payouts
5. Sell for themselves (you will soon find out why!).

Most YouTube guides will require you to create your own videos, which is where many new marketers give up straight away. Phew, luckily not this time!! With this method you don't need to create any of your own videos.

Your only job is to:

1. Find these type of offers.
2. Download the video (Don't worry, we will show you step by step how and where you can find it).
3. Upload it on YouTube with your affiliate link in the description box.
4. Make money!

Sounds too simple to you? May be. But does it work?? Definitely!! Like a gangbusters!!

These are just a few of many affiliate products we promote on YouTube through Warrior Plus affiliate network.

As mentioned, Clickbank will work just as great as JVZoo or Warrior Plus.

Now. We are NOT showing these stats to brag or anything.

Our main intention here is just want you to see it is possible to achieve for YOU too, using the exact steps we are going to reveal to you in just a second.

STEP 1: Find affiliate offers to promote

There are three main players for “Make Money Online” plugins and software:

- ▶ <http://www.warriorplus.com>
- ▶ <http://www.jvzoo.com>
- ▶ <http://www.clickbank.com>

We will show you how we find offers on all of the three affiliate networks.

Let’s open up the www.warriorplus.com and see what new products have been recently released. To do that, you need to sign up and go to Affiliates > Offers.

TIPS: Use the search function to filter out WordPress plugins and software only.

Let’s type “plugin” and see what happens....

The screenshot shows the Warrior+Plus website interface. The navigation bar includes 'Marketplace', 'Vendors', 'Affiliates', 'Deal of the Day', and 'Support'. The 'Affiliates' section is active, with 'Offers' selected. A search bar contains the word 'plugin'. Below the search bar, a table of offers is displayed. The table has columns for Product / Vendor, Launch Date, Sales, Conv. Rate, Visitor Value, Avg. Sale, Comm. Rate, Refund Rate, and a heart icon. The first offer is 'WpAnalyst Wordpress SEO Plugin & Rank Tracker' by 'abs007' with a commission rate of 5% and a refund rate of 5.68. The second offer is 'vPages: The perfect video page in about 30 seconds!' by 'mrmcd' with a commission rate of 1% and a refund rate of 4.15. The third offer is '10 Wordpress Plugins SuperPack [Master Resale Rights!]' by 'MYDCOM' with a commission rate of 0% and a refund rate of 4.00. The fourth offer is 'FREE WORDPRESS PLUGIN: Wp Swift Page Lite' by 'killerimdeals' with a commission rate of 0% and a refund rate of 3.36.
