## VOTE ON STATE PRIMARY DAY, TUESDAY, SEPT. 20

### YOUR VOTE DOES COUNT

Go to the polls on State Primary Election Day - Tuesday, Sept. 20 - and vote. Your vote really does count!

We are living in a time of change. The challenges of the present and future are awe inspiring. If we, the concerned citizens, are to continue to have an influence on the destiny of our country through our constitutional form of government, we must be able to voice our support for can-

didates and programs that stand for what is right and just and this can only be done at the ballot box.

Does it really matter? A thinking person will immediately and emphatically say, "YES."

Exercise your prerogative -  
vote on

Primary Election Day -  
vote on Tuesday, Sept. 20.

### WHEN AND WHERE TO VOTE

Registered voters will be able to vote between the hours of 7 a.m. and 8 p.m. at the following sites:

### Precinct One

## Celebrate HarborPark Day On Sept. 18

The 10th annual Harborpark Day celebration, sponsored by the Boston Redevelopment Authority will be held on Sunday, Sept. 18, from noon to 6 p.m. at Shipyard Park in the Charlestown Navy Yard.

Mayor Thomas Menino said, "Harborpark Day is our way to welcome residents as well as visitors to our historic waterfront to show them what the waterfront contributes to our city. We look forward once again to making this a day for family entertainment."

As in past years, the Harborpark Day celebration will be held in conjunction with the annual "Chowda"fest, sponsored by Horizons For Youth, a non-profit organization

that provides outdoor education, counseling and camping programs for inner city children in need. Fifteen Boston area restaurants, including the Charlestown 99 Restaurant & Pub, will prepare over 100 gallons of clam chowder to compete for the 1994 "Chowda Champ" title as chowder aficionados travel from booth to booth tasting the various offerings and voting for their favorite chowder.

The admission fee for visitors is \$6 for adults and \$3 for senior citizens and children under 12. All proceeds will be used to support Horizons For Youth.

The Harborpark Day celebration also offers many children's activities including Disney characters, face painting, sea-of-balls, moonwalks, an old fashioned carousel and barn-

yard animals, as well as continuous "live music."

A harbor flotilla consisting of a water and siren display will feature fire and police vessels representing the Boston Fire Department, Boston Harbor Patrol, Massport Fire Department and the Mass. State Police.

Local Charlestown vendors will be available to sell food and specialty items. Vendors interested in participating should contact Arthur Reilly at 722-4333, ext. 4316 for details.

Water shuttle service will be provided by the MBTA and Boston Harbor Cruises from 11:30 a.m. to 6:30 p.m. between Long Wharf and Navy Yard Pier 4 with boats departing every 15 minutes.

All Harborpark Day activities and events, with the exception of the "Chowda"fest, are free.

## Monuments in Charlestown Are Cleaned And Waxed

Massachusetts SOS! (Save Outdoor Sculpture) is a collaborative effort among statewide and municipal preservation and art organizations to inventory over 1500 pieces of sculpture throughout Mass. The principal sponsors are the National Memorial Trust, the Strauss Center for Conservation at the Harvard University Art Museums and the Mass. Historical Commission.

It is designed to establish a thorough information base and to focus attention on preservation of outdoor sculpture. Funding for Save Outdoor Sculpture! is provided by The Pew Charitable Trusts, The Getty Grant Program and the Henry Luce Foundation. Massachusetts SOS! is funded in part by a grant from the Mass. Cultural Council and 21 local arts councils.

The monument to William Prescott, on the grounds of the Bunker Hill Monument was commissioned by the Bunker Hill Monument Association in 1881 to commemorate Prescott's involvement in the Battle of Bunker Hill, that took place on Breed's Hill in

June of 1775. The artist was William Wetmore Story (1819-1895).

The monument is part of the Boston National Historical Park and its maintenance is the responsibility of the National Park Service (NPS).

The clean-up crew included Phillip Hunt and Laura King, a Park Ranger, who used Orvus de-

tergent and water to wash the bronze figure, and then applied "Butcher's Bowling Alley Wax" as a protective coating.

They worked under the supervision of Brooke Childry, a museum technician with the National Park Service, who received her training in the maintenance of outdoor sculpture from Jean Louis Lechevre, sculpture con-

servator at the Museum of Fine Arts, Department of Objects Conservation and Scientific Research.

The cleaning and waxing helps to prevent weathering which creates the green corrosive coloring on bronze. Spending one day a year on preventive maintenance saves thousands of dollars in repair work that results from neglect.

The Prescott monument had last been treated about 10 years ago by Jean Louis Lechevre and has been maintained by the NPS annually over the past six years. The NPA staff also cleaned the marble statue to Joseph Warren Park inside the Park Service buildings, and the carved stone blocks and bronze plaques nearby.

The National Memorial Trust is available to assist communities in strategic planning and fund raising for the repair and future maintenance of outdoor sculpture. With the help of local volunteers, including Gerry Shea of Charlestown, National Monument Trust is completing an inventory of all outdoor sculpture in Mass.

#### OPPORTUNITY CALLING

Any time is a great time to begin a career in real estate if you're bright, motivated and into working hard. It's one of those careers that, no matter what's going on in the local market, there are always people who have to sell and others who have to buy. If you're a crack Realtor, the trick is to be sure that when it's time for a move, they think of you!

If you're considering a job change, real estate may be the possibility waiting to happen for you. Your educational background and work experience are less crucial than the way you go into action once you are licensed and fully trained. If you learn quickly where to find sellers and buyers, and what to do once you are face to face with them, you can become very successful. There's a saying that real estate is just about the lowest paid easy work, and the highest paid hard work that you can find. If you're looking for highly paid work, we should talk about the possibility for your future in this exciting profession.

If there's a move in your future, the real estate professionals at **Monument Properties** are ready to serve you. Call us at **241-5900** or drop by our office at **85 Warren St., Charlestown.**

#### PRAYER TO ST. JUDE

Most holy apostle, St. Jude, faithful servant and friend of Jesus, the Church honors and invokes you universally, as the patron of hopeless cases, of things most despaired of. Pray for me, I am so helpless and alone. Make use I implore you, of that particular privilege given to you to bring visible and speedy help where help is almost despaired of. Come to my assistance in this great need that I may receive the consolation and help of heaven in all my necessities, tribulations and sufferings, particularly - (Here make your request) and that I may praise God with you and all the elect forever. I promise, O blessed St. Jude, to be ever mindful of this great favor, to always honor you as my special and powerful patron, and to gratefully encourage devotion to you. Amen. Thank you for prayers answered. C.M.B.

#### PRAYER TO THE HOLY SPIRIT

Holy Spirit, You who solve all problems, light all roads so that I can attain my goal. You who give me the divine gift to forgive and forget all evil against me and in all instances of my life. You are with me. I want in this short prayer to thank you for all things as You confirm once again that I never want to be separated from You even in spite of all material illusions. I wish to be with You in eternal glory. Thank you for your mercy toward me and mine. (Say for three consecutive days - favor will be granted.) Prayer must be published. C.M.

The CNC meetings are open to the public, and all are welcome to attend.

**★ Medford Street . . .** A melee erupted on Medford Street on Sept. 13 at the end of the Charlestown High school day. Five were arrested, including two Asians and three whites. According to Boston Police Department Capt. Ron Conway of Area A, the five were arraigned on Sept. 14 at Charlestown District Court. All were released on their own recognizance and will appear in court for a hearing on Sept. 29.

Also on Wednesday, police, school, community, youth workers, Boston Housing Authority and city officials met to discuss the previous day's incident and to look at possible resolutions to problems in the area of the school.

**★ Warren Prescott School Yard. . . .** Domenic Amara, principal of the Warren Prescott School, has established regulations relative to parking in the school yard between School and Pearl streets. He stated that a change in policy was necessary because of the number of near accidents which have occurred in the school yard between students and cars exiting and entering the yard when school was in session.

Parking will be allowed in the yard by neighborhood residents from 5 p.m. to 7:30 a.m. Monday through Friday, and all day Saturday and Sunday. All neighborhood vehicles must be out of the yard by 7:30 a.m. Monday through Friday. At that time, the yard gate will be locked and the Municipal Police will be called to tag and tow.

Amara went on to say that by keeping the yard free of vehicles until 5 p.m. each day, a safe play yard for neighborhood children will be provided for several hours after school. He stated that the administration of the school regrets having to take this action, but the only alternative would be to close the yard to neighborhood residents entirely - something they wish to avoid.

**★ Bunker Hill Health Center . . .** The Adult Medicine Unit of the Bunker Hill Health Center has extended its Wednesday evening hours until 8 p.m. in order to better meet the needs of the patients.

Also, as of Monday, Sept. 19, the telephone numbers of the Health Center will be changed. Please refer to the advertisement on page 11 of this week's Patriot, and do stop by the clinic to pick up a handy magnet with the new numbers.

**★ Charlestown Navy Yard Tours . . .** The National Park Service is offering free tours of the Charlestown Navy Yard's Commandant's House on Sunday, Sept. 18. The 45-minute tours will be offered at 1, 2 and 3 p.m., and will be given by a National Park Service Volunteer-in-Parks.

For more information, call 242-5601.

**★ There Is No Excuse . . .** for domestic violence.

For information on how you can help stop domestic violence, call Family Violence Prevention at 1-800-777-1960.

**★ Street Reconstruction Update . . .** Work on the last phase of The Boston Redevelopment Authority's (BRA) Three Streets reconstruction project is proceeding as scheduled. Miscellaneous construction activities continue throughout the neighborhood streets.

Preparations for paving have been completed this week on Monument Square and Pleasant Street. The old pavement surface has been ground, swept and patched and the manhole covers and catch basins have been adjusted to meet the grade of the new pavement surface. Weather permitting, the finish pavement is scheduled for Friday, Sept. 16.

Installation of precast bases for new gas street lights is currently proceeding on Monument Avenue. Boston Gas Company crews are installing service piping to the bases to feed the lamps that will be set at a later date. Crews will shortly begin patching the trenches in the street and sidewalk that result from this work.

Final clean-up and completion of Winthrop, Tremont and Union streets continues. Included is the installation of new street names signs and miscellaneous traffic control signs. Crosswalks will be placed at the street corners to connect the newly constructed sidewalk wheelchair ramps. Tree plantings are now scheduled on Union and Tremont streets for the last week of this month.

Upcoming work on the project includes preparation for and placement of a new pavement surface on Monument Avenue and the installation of additional gas light poles and fixtures on various other streets.

Residents are reminded that weekday parking restrictions remain in effect as posted on those streets where construction work is taking place. Continued cooperation in complying with these restrictions is appreciated.

For questions, concerns or complaints, residents are requested to call 241-9509 or the Middlesex Corporation at 1-508-256-6534.

# Money Matters

## BREAKEVEN ANALYSIS – AN IMPORTANT BUSINESS TOOL

Breakeven analysis can mean the difference between making money in your business or going broke. Breakeven is defined as the sales volume at which your revenue exactly covers the costs of running the business. When you are at breakeven, you are neither making money nor losing money.

Breakeven works like this. Let's say that the only items your business sells are widgets. You buy them for \$2 each and sell them for \$3. Your total operating expenses are \$50 per day. What is the daily sales volume at which you neither make nor lose any money (your breakeven point)?

Sales (50 widgets)	\$150
Cost of Goods Sold (variable costs)	100
Gross Profit	\$ 50
Less: Operating Expenses (fixed costs)	50
Net Profit	- 0 -

Your breakeven point is 50 widgets or \$150 in sales.

Breakeven can be computed with a simple formula. First, compute your gross profit percentage (gross profit divided by sales). In our example, gross profit percentage is 33.3% (\$50 ÷ \$150). Then divide your fixed costs by your gross profit percentage to arrive at breakeven. In our example, that's \$50 divided by 33.3% or \$150, which is the breakeven point in our example.

Our example is oversimplified to illustrate our point, but the breakeven formula can be used in any business. It is necessary to properly identify "variable costs" (those that vary directly with sales volume) and "fixed costs" (those which do not vary with sales volume) to accurately compute your breakeven point.

If your business is losing money, knowing your breakeven point will tell you how much sales must increase to eliminate the losses. If you are making money, the analysis will help you increase profitability. Call me; I would be happy to assist you with calculating your business' breakeven point and evaluating your profit structure.

man's Association said, "John Nucci has a history of leadership and experience in supporting law enforcement. He will make our courts tougher on crime and criminals and is supported by the police officers of our city."

Nucci was also endorsed by many organizations representing working men and women in Charlestown such as the Building and Trades Council and the Boston Car-men's Union of the MBTA.

Nucci, who has stated that he does not plan to seek re-election to the city council if elected clerk of court, is the only candidate with significant management, administrative and leadership experience. "The office of the clerk of court should not be someone's first major job as it would be, for all intents and purposes, for my two opponents," Nucci said.

Nucci represented Charlestown on the school com-

mittee and city council for nearly 10 years. He is a graduate of Boston Latin School, holds an undergraduate degree from Boston College and a master's degree in public administration from Suffolk University. He teaches public administration, part-time, at Suffolk University in the Master's degree program.

Nucci is the father of three young sons, John Francis, 9, Michael Patrick, 7, and Daniel Joseph 5.

## She has not been just "one of the boys" on Beacon Hill!

**"On the Governor's Council, Gay is tough yet sensitive."**

— *Boston Sunday Globe*

When Dorothy Kelly Gay was elected to the Governor's Council two years ago, she promised not to "rubber stamp" Governor Weld's judicial nominations.

During her first term she has kept that promise. And she has not been afraid to vote against the Governor's appointments when they have been based on politics and not on merit.

Dorothy has earned a reputation for asking tough questions of prospective judges, clerk magistrates and other such positions. And she has told every judge that she expects them to visit the prisons to which they will be sending people.

**"Dorothy has done a tremendous job scrutinizing potential judges."**

— *Middlesex County District Attorney Tom Reilly*

**"Dorothy really understands the many complex issues confronting the criminal justice system."**

— *Suffolk County Sheriff Bob Rufo*

Dorothy Kelly Gay speaks out often against domestic violence. And she has urged her male colleagues on the Governor's Council

to recognize that a woman is often the victim of such abuse in her home.

With her strong support, the Council commuted the sentences of two battered women who killed their abusive boyfriends while defending themselves.

And Dorothy has worked to reform the operation of the Governor's Council, opening up the process to the public and the press. Now the Council has open meetings, posted agendas and corrected minutes.

Dorothy Kelly Gay has made a real difference on the Governor's Council during the past two years as a strong, honest, concerned and independent woman. She can do even more during the next two years with your support.

## Walsh Calls For Nucci's Withdrawal From Clerk's Race

Peter J. Walsh, Democratic candidate for Suffolk County's Clerk of Superior Criminal Court has called upon his opponent, Boston City Councillor John

Nucci to withdraw from the Suffolk County Superior Criminal Clerk's race.

"John Nucci's reluctance to resign his council seat and his intention to

hold two full-time jobs if elected Clerk of the Suffolk Superior Criminal Court is a disservice to the voters of the city of Boston and Suffolk County," Walsh stated. "The fact that Councillor Nucci would have four jobs with a personal income over \$125,000, and a part-time approach to the clerk's job, must be addressed," Walsh continued.

Walsh, a 13 year employee of the Superior Criminal Court, has repeatedly criticized Nucci for refusing to resign from the Boston City Council if elected as Clerk of the Suffolk Superior Criminal Court. Citing recent newspaper accounts in the Boston Globe, the Boston Herald, and the Tab, depicting Nucci's refusal to resign his at-large Boston City Council seat and Nucci's perception that the

Clerk of the Suffolk Superior Criminal Court is less than a full-time job, Walsh emphasized the importance of the clerk's position in the Mass. Judicial system.

"The Clerk of the Suffolk Superior Court is too important a job to become a political stepping stone for someone who ran for Mayor of the city of Boston, then speculated about running for State Senate and now is running for the Clerk of Court of the Superior Criminal Court," Walsh stated. "The time has come for John Nucci to be honest with the voters of Suffolk County as to what job John Nucci really wants," declared Walsh. "Does John Nucci want to be a full-time Boston City Councillor or the full-time Clerk of the Suffolk Superior Criminal Court?"

# PETER J. WALSH

Clerk of the Suffolk Superior Criminal Court

*"It's too important a job to be part-time."*

Sept. 1994

Voters of Suffolk County:

For the first time in twelve years, you will elect a new Clerk of the Suffolk Superior Criminal Court. This is an elected full-time position within the Massachusetts judicial system representing all twenty-two wards in Boston, the Town of Winthrop, and the cities of Chelsea and Revere.

I am a lifelong resident of Boston, currently residing in the Neponset section of Dorchester with my wife MaryAnn, and our two daughters Meghan, age 5, and Nora, age 4. I was born and raised in South Boston and graduated from Don Bosco Technical High School in 1978. In 1986, I received a Bachelor of Liberal Arts degree from Harvard University's Extension School.

I began my professional career upon graduation from Don Bosco as a file clerk in the Suffolk Superior Criminal Court. During my tenure at the Suffolk Superior Criminal Court, I have served as a courtroom assistant, working in various criminal sessions throughout the Superior Criminal Court, as a bail administrator responsible for receiving and returning bails set by the Court to sureties in criminal cases, and as a Criminal Procedures Clerk (1989-1991), the culmination of my professional experience at the Superior Criminal Court. In over thirteen years in the Superior Court Criminal Clerk's Office, I can confidently state that I have performed many, if not all of the duties, of the office of which I seek election.

The voters of Suffolk County elect a full-time Clerk of the Suffolk Superior Criminal Court and deserve a qualified, experienced professional. It is not a job for someone who has never been exposed to the responsibilities the job entails, nor should it be approached on less than a full-time basis. Furthermore, the voters of Suffolk County should not be concerned whether or not their Clerk of the Criminal Court is properly trained or able to do the job.

I believe my professional experience at the Suffolk Superior Criminal Court, gives me the ability to provide the necessary leadership, **leadership built from "hands on" experience, not politics**, that will be required of the new Clerk of the Suffolk County Superior Criminal Court.

On Tuesday, September 20, 1994 I hope you will consider casting your vote for Peter J. Walsh, Clerk of the Suffolk Superior Criminal Court.

Thank You!

The Walsh Family - Nora, Peter, MaryAnn and Meghan

This year's party is be-

ing held on Tuesday, Sept. 27 from 6 to 10 p.m. at the Top of the Hub Skywalk, the 50th floor of the Prudential Tower. A limited number of tickets have been made available through the Boys & Girls Clubs at \$25 each. (Regular price is \$60 in advance, \$65 at the door). ### Big Brother

Two years have passed, but my grief has not,  
I miss you even more and I feel lost.  
The grief within lets me mourn and pray for you,  
But it does not ease my sorrow.  
I know I'm one of God's exceptional children  
and that is why  
You were always there to help and protect me, Paddy.  
You were my hero then and now.  
I know you're still watching over me and that  
You have now become my guardian angel.  
I hope my tears don't disturb you  
For they are the tears of love for you,  
who will live in my heart forever.

Love . . . Sharon

# CYO & ST. CATHERINE'S NEWS BY FATHER RON COYNE

**▲ Boys Ball Hockey League** - Every fall we sponsor a boys ball hockey league for boys 10-14 years of age. The games are played weekday afternoons at 3:30 p.m. in the old and new cages. We usually have between four and six teams. The league runs from mid-September to mid-November. Each team plays two games a week.

The 14-year-olds are team captains and will choose their teams today, Thursday, Sept. 15 at 4 p.m. in the lower rectory at St. Catherine's. All boys who wish to play in this league should be at the sign-ups this afternoon in order to be selected for a team. The cost is \$5 per person. Older teenagers who would like to volunteer as referees should contact Father Coyne at 242-1750.

**▲ CCD Classes Resume** - We invite all public school children in grades one through eight to register for religious education classes for the school year. Our classes begin this Sunday, Sept. 18 following the 9 a.m. Children's Mass. Our program coordinator is Julie Quinn and our teaching staff is growing. We are grateful and proud of these adults who choose to share their faith with our children as CCD teachers.

We strongly encourage every parent to make sure their children are present each week for Mass and class beginning with grade one and continuing through grade 8. Letters were sent out to all families that have been involved in our program in the past and to new families as well.

Our teaching staff includes: Judy Burton, Nancy Flynn, Jane McFarland, Fran Taylor, Natalie Rizzo, Kathleen Colucci, Connie Calvert, Michele Cannizzaro, Cathy Boucher, Anne Joyce, Matt Stillman, Mary Featherston, Nicole DeRoeve, Helen Garofano, Maureen Condon and Beth Burton.

We thank Julie Quinn for her dedication, faith and inspiration. Her leadership is a gift to the church, the parish, the teachers and the children.

**▲ Children's Mass** - During the school year, the 9 a.m. Mass each Sunday at St. Catherine's is a special Mass focusing on our children. All public and parochial school students and their families are encouraged to attend this Mass. Our CCD classes for public school children follows

this Mass. All the readings, prayers, music and homilies (sermons) are prepared for the benefit of our children.

The Children's Mass will begin again on Sunday, Sept. 18 and be celebrated each Sunday.

**▲ Altar Servers** - St. Catherine's Parish invites all boys and girls (public and parochial schools) who would like to serve Mass to come to our training sessions beginning on Tuesday, Sept. 20 at 4 p.m. in the lower church. Any boy or girl entering grades 5, 6, 7 and 8 are welcome. We will practice once a week and they will begin serving Mass in November. This is a privilege and we ask parents to encourage their children to volunteer their services.

**▲ Youth Lectors For Children's Mass** - St. Catherine's Children's Mass begins Sunday, Sept. 18. Youth in grades five through eight are invited to be lectors at the Masses. (Lectors are those who read the readings during Mass.) A meeting for all who are interested in being lectors will be held Tuesday, Sept. 27 at 5 p.m. in the lower church. There will be plenty of opportunities to practice for those who might be a little nervous about reading. Practices will be held every Tuesday at 5 p.m.

**▲ Annual Interparish Track Meet** - St. Catherine's Parish will host the annual Interparish Track Meet at St. John's Seminary in Brighton on Monday, Oct. 10 (the holiday).

Each year, 15 to 20 parishes compete throughout the day in various events: 50-yard dash, softball throw, relay race, sack race, 100-yard dash and wheelbarrow race.

Each parish can bring 24 children, ages 7-14, to compete. There will be 12 girls and 12 boys.

Charlestown will be represented by a team that will be selected at tryouts. All children from our town, public and parochial school, are welcome to tryout on Wednesday, Sept. 21 at 4 p.m. at the Oilies.

We will select children in three age divisions, 7-9, 10-12 and 13-14. Those chosen will travel with us to the track meet on Oct. 10. Each child will receive a t-shirt.

We encourage parents to accompany their children to the tryouts and the meet itself. It is a wonderful day full of excitement.

**▲ Special Thank You** - The people of Charlestown had the privilege of enjoying an eight-day vacation at Disney World in Orlando in August, thanks to the dedication and sacrifice of a wonderful woman named Sheila Brown. She is very involved in the town and St. Catherine's parish, and was willing to arrange, organize, negotiate, plan, oversee, listen and manipulate, as she prepared for 88 children, teenagers and adults to fly to Florida and fulfill a dream. We had an eight-day pass that included unlimited entrance to the Magic Kingdom, Epcot, MGM, Typhoon Lagoon, River Country, Discovery Island, Pleasure Island and more. We were privileged to stay at the newly opened (June 1994) All Star Resorts for seven nights.

The vacation is the one that we all dream about and it became a reality due to Sheila's untiring efforts.

We are appreciative of the families who travelled with us and the parents who entrusted their children to our care. The only complaint heard was that we could not stay another week. There is a rumor that there is already a trip in the works for the summer of 1995, but far be it from us to spread a rumor.

**▲ Charlestown Catholic Elementary School Parents Meeting** - All parents with children in grades K through 8 enrolled at Charlestown Catholic for the school year 1994-95 are invited to the first parents meeting of the year. This meeting will be held in St. Catherine's parish hall on Wednesday, Sept. 21 at 7 p.m. This will be an opportunity to welcome and hear from our new principal, Sister Maryellen O'Connell, and to meet with our faculty. We look forward to the best year possible and encourage our parents to support the school efforts in very way possible.

**▲ Adult All-Nighter** - The Adult All-Nighter is coming soon!! It promises to be as much fun as the Scavenger Hunt. An all-nighter is a night filled with activities. We will take a bus to various fun spots around the city. Yes, an all-nighter means all night. We will leave around 7 p.m. and return around 6 a.m. the next morning. Yes, you'll be a little tired the next day, but you'll love it! Details will be in next week's Patriot.

## News From Charlestown Catholic

Welcome back! Children filled the schoolyard at 13 Tufts St. on Sept. 8, to begin another school year. This year brings 300 children to the doors of Charlestown Catholic where the faculty and staff strive to provide each child with a quality education in an atmosphere of concern and care. New windows gave the building a bright and cheery look. But the smiling faces of the children made the building come alive.

On Friday morning, a large group of parents and friends joined the students and teachers to ask God's blessing on a happy and successful school year. It was truly a Charlestown celebration as Fathers Ma-

honey and Higgins of St. Francis de Sales, and Fathers Canniff and Casey of St. Mary's concelebrated the opening Liturgy with Father Coyne of St. Catherine's. Father Coyne asked everyone involved in the school to work together as a family to support one another, to care for one another and to provide an exciting, happy and colorful school in which to learn.

Both Father Coyne and Sister Mary Ellen, the new principal, stressed the theme for the year: Treat others as you want to be treated - with respect, understanding, patience, kindness, peace, faith and gentleness. Sister Mary Ellen also challenged

priests, teachers, children and parents to "Be the best that you can be." If both of these mottos remain at the heart of each day, the children will be filled with the religious and academic education that is taught.

Charlestown Catholic endeavors to provide the children of Charlestown with the educational and religious foundation that they will need to grow as mature and responsible teenagers and adults in the society of today and tomorrow. We encourage the interest and support of all Charlestown residents in this work. If you would like to learn more about Charlestown Catholic, drop in at 13 Tufts St. or call 242-0169.

THE BOYS are ready and eager for school to start after a very busy and hot summer. Shown (l. to r.) Tony Resendes, Ray Ortiz, Ryan Getchell, Chris Schievink and Sean Lewis.

IT'S A GREAT DAY for school says (l. to r.) Sara Rolinson, Shannon O'Donnell and Christine Copithorn as they await for the doors to open at Charlestown Catholic Elementary School.

SMILING FACES begin the year at Charlestown Catholic Elementary School. Shown (l. to r.) Danielle Lacey, Brittany Wilkins, Courtney Considine and Erica Greene.

#### YOU ARE AT PEACE

*You are at peace, I see it in your face  
You've gone to that mystical, magical place.  
But I'll always feel those blue twinkling eyes  
Flying high and free with the birds in the skies.  
You deserve this joy within  
How you've joined the group of the "knowing."  
You are in the sun I see  
That keeps shining and glowing.  
You've been so much of a mortal being,  
It's not easy to explain.  
Yet I'm forever grateful  
You have no more room for pain.  
You fought and struggled for freedom  
You suffered long enough.  
I learned from you to grab hold of my struggles  
I've got to hold on tough.  
You helped me in so many ways  
Through countless crazy years.  
You've showed me through your courage  
I must face by dreadful fears.  
I ask of one more thing  
Grab hold of a star at night  
Fly by the moon, and I will look  
For those twinkling blue eyes crystalline bright.*

### Kelly Gay Receives Endorsements From Labor Unions, Women's Groups

Sixth District Governor's Councillor Dorothy Kelly Gay has been endorsed by 11 Boston area labor unions, three women's groups and two gay/lesbian organizations.

Kelly Gay has achieved significant recognition during her first term as the only woman on the council and for her efforts to have that body live up to the spirit of the Open Meeting Law. She has, also gained notoriety for her support of the commutations of sentences for two battered women inmates who were victims of Battered Woman's Syndrome, and for asking tough questions of prospective judges and clerk magistrates.

The Building and Construction Trades Council of the Metropolitan District unanimously endorsed Kelly Gay's candidacy for re-election. Joseph W. Nigro Jr., secretary/treasurer, said "The 35,000 men and wo-

men of this organization recognize your outstanding qualifications and dedication to the working men and women of Mass."

Kelly Gay also received the endorsement of the International Brotherhood of Police Officers. Raymond McGrath, legislative agent, declared, "Your support of those who are called upon to protect and serve is appreciated. We really appreciate when elected officials such as yourself stand with us when it counts, with a vote to enable us to get our job done in a safe, professional manner."

Other unions supporting Kelly Gay's candidacy are the International Brotherhood of Electrical Workers Local 2222, the Boston Joint Board of the International Ladies' Garment Workers Union, the United Auto Workers Central Northern Area Community Action Program, the International Brotherhood of

Firemen and Oilers Local 3, NursePLAN, the political action arm of the Mass. Nurses Association, the National Association of Government Employees, the Ironworkers Local 7 and the Bricklayers and Allied Craftsmen Local 3.

Kelly Gay received a hearty "re-endorsement" from the political action committee of the Mass. Women's Political Caucus, "Dorothy brings a perspective on concerns and issues not adequately addressed in the past," said Dolores Mitchell, chairperson.

"Dorothy Kelly Gay is a committed advocate for issues important to women and the citizens of her district," continued Mitchell. "The M.W.P.C. is proud to re-endorse a candidate with not only a commitment to many important concerns such as reproductive freedom, equal rights for all citizens, and access to afford-

able child care for all, but with a history and record of taking action to promote those worthy causes."

The Mass. National Organization of Women Political Action Committee has, for the first time, chosen to endorse a candidate running for the Governor's Council. NOWPAC endorsed Kelly Gay based on her support for the commutations of the "Framingham Eight," her asking tough questions of judicial nominees, and her opposition to appointments such as former State Sen. Edward Kirby, who lacked appropriate experience and temperament.

Kelly Gay received the endorsement of the Greater Boston Lesbian/Gay Political Alliance by acclamation based on her stand on the Kirby nomination and against discrimination. The Mass. Gay and Lesbian Political Caucus also endorsed her re-election.

## Thank You, Everyone!

Dear Gloria,

You never expect something like this to happen to you. But, at approximately 2 a.m. on Wednesday, Sept. 7, one of the worst things that could possibly happen to someone, happened to us. Our home was on fire and we were in bed asleep. Thank God we got out alive and no one was hurt.

Through you and the Patriot, I would like to take this opportunity to thank everyone that helped us during those early morning hours. There was a lot of fear and confusion, so if I forget to mention someone, I apologize.

To the person or persons who pounded on our front door, "Thank you," you probably saved our lives. It looks like if the house had been allowed to continue to burn, in a few more minutes, the whole house would have gone, with us in it. We were able to get out safely and with a house we can repair.

To the Boston Fire Department, "Thank you." You guys were quick. To me, it seemed like I no sooner had gotten off of the telephone with 911 and went outside when Ladder 9 was there outside the house, Engine 32 was coming down the hill and Engine 50 was coming around the corner. You'll never know how good it felt to see you guys. I knew as soon as I saw you, everything was going to be OK. It was. There was a lot of equipment that responded that morning. I'm sorry I didn't think to write down all of your numbers. If you came and

### Storytimes For Day Care Groups

Day care centers, nursery schools, primary and elementary schools and other groups are invited for free fun and stories in the Children's Room of the Boston Public Library in Copley Square on Thursday mornings from Sept. 22 through Dec. 8.

The free programs, which are scheduled by appointment only, are designed to improve listening skills and to share the ex-

citing world of juvenile literature with children.

The following storytime themes are available: animals, colors, sound and motion, multi-cultural, general, nature, and, for elementary school classes, science magic.

Caregivers should contact the BPL Children's Room at 536-5400, ext. 328 at least three weeks in advance to schedule a storytime and select a theme.

helped, thank you.

To the fire chief on the scene, Chief Lorenza, "Thank you," for making sure everything was done right and done quickly.

To the Arson Squad and Lt. Henry Hickey, "Thank you" for explaining to us what happened and what to expect over the next few days. (It was explained to us that someone probably carelessly flicked their cigarette butt onto our trash). Your explanation of what we would be going through was very helpful to us, thanks for the advice.

To our families and neighbors, sorry for the scare you went through and "Thank you" for your offers of help and support.

## St. Catherine's Choir Begins Season

St. Catherine of Siena Church has begun its 1994-95 September to June choir season. All Charlestown residents and their friends are invited to join the junior or senior church choirs.

The junior choir is open to any school-age child, with rehearsals held every Tuesday from 6 to 7 p.m. Members learn music reading, vocal techniques and musical terminology, all while having fun and making friends. The junior choir performs weekly at the 9 a.m. Sunday morning Mass and special times throughout the year.

The senior choir rehearses every Tuesday evening from 7 to 9 p.m.,

and performs weekly at the 11 a.m. Sunday morning Mass. Sopranos, altos, tenors and basses are invited to join. The repertoire is composed of sacred four-part anthems, classical to contemporary, as well as hymns, psalms, spirituals and service music for the Mass.

All rehearsals are held in the lower church. For more information, call Bobby at 394-0728.

A meat raffle to raise funds to restore the 1868 Moritz Baumgarten Organ at St. Catherine's will be held on Saturday, Sept. 17 at 1 p.m. at the Knights of Columbus lower hall, 75 West School St.

To my union brothers and sisters of I.L.A. #809, "Thank you." Local President Bill Killoran came to the hotel that same night to see Jo-Anne and I. We appreciate what you did for us.

Thanks everyone,

### Once-In-A-Lifetime Housing Exclusion

Taxpayers 55-years-old or older may be entitled to special tax treatment when it comes to the sale of their principal residence. "Those that meet the necessary age, ownership, and use tests can exclude up to \$125,000 of any gain on the sale of their principal residence," said Francine Crowley, Boston IRS district director.

The residence in this case may be a house, a condominium, a cooperative, a houseboat or a mobile home.

In general terms, the requirements necessary before the gain can be excluded are:

1. the property owner is

55-years-old or older on the date of sale;

2. during the five-year period prior to the date of the sale, the property owner owned and lived in his or her principal residence for at least three years, and;

3. the property owner, or his or her spouse, has never excluded gain on the sale of a home after July 26, 1978.

Specific qualifiers apply to all of these requirements. More detailed information is available in the IRS Publication 523, "Selling Your Home." To obtain this publication, free of charge, call 1-800-829-3676.

The government has endorsed the use of chiropractors by including their treatment in Workmen's Compensation.

If you've been hesitant about seeing a chiropractor and this hasn't answered your questions, feel free to ask us directly. Call today.

**Thank You**

Dear Gloria:

On behalf of the National Park Service and Boston National Historical Park, I would like to thank you for the excellent publicity your paper has given our Charlestown Navy Yard and Bunker Hill interpretive programs over the last year. Your coverage of our D-Day 50th Anniversary and on our new living history program on USS Cassin Young, "Tin Can Blue Jacket," was especially thorough.

Your continuing coverage each week of our Navy Yard Walking Tours and Commandant's House programs is also much appreciated and has repeatedly had a positive impact on our program attendance.

Again, thank you for all that you have done for our Charlestown District. I look forward to continuing our close relationship in the future, which will continue to benefit the citizens of Charlestown.

Sincerely,  
John J. Burchill, Superintendent  
Boston National Historical Park Service

## Baril And Bunker Hill Health Center Teams To 'Make Strides Against Breast Cancer'

More than 10,000 people from around the state will gather in Boston to Make Strides Against Breast Cancer on Sunday, Sept. 25. The walkers are expected to raise \$1 million to fight breast cancer at the American Cancer Society's Making Strides Against Breast Cancer five-mile walk.

Part of that money will be raised by Christine Baril of Charlestown, an employee of Computer Associates in Dedham, who is heading up a group at work in honor of her mother, who died of breast cancer last year.

The walk will start and end at the Hatch Shell on the Charles River Esplanade. Registration begins at 10 a.m. along with a breast cancer information fair, exhibits and demonstrations. Walkers will get underway at 11 a.m.

"The tragedy is that today everyone knows someone who has been touched by breast cancer," said Mary E. Costanza M.D., chairperson of the American Cancer Society's Breast Cancer Task Force. "Making Strides Against Breast Cancer

gives everyone - young, old, men as well as women - an opportunity to raise money to fight this disease. Best of all, it's a walk that is easy and fun to participate in."

Costanza noted that every dollar raised by the walk will support local American Cancer Society programs of breast cancer research and education, outreach programs to bring free mammograms to low income and uninsured women, patient advocacy and the society's toll-free telephone information service.

Dozens of local groups from around the state, including this area, are scheduled to participate in the event including schools, companies, churches, hospitals and other organizations. Several groups will be participating in honor of breast cancer survivors such as the team from the MGH Bunker Hill Health

Center. Last year the team was comprised of 50 staff members and community residents, with 242 sponsors. They raised \$2,600 for the cause last year, and this year hope to double it. To join or sponsor the Health Center team, contact Karen Murphy-Lind, R.N. at 242-5704.

This year, approximately 5,000 Mass. women will learn that they have breast cancer and 1,300 will die from the disease, according to the American Cancer Society. "There can never be too much written about this disease," Costanza said. Each time someone learns more about breast cancer, could be the time a life is saved." Just by walking on Sept. 25, people can help.

Further information and walking papers can also be obtained by calling the American Cancer Society at 1-800-952-7430.
