

Rather than making a one-time gift, consider a smaller amount through your employer utilizing the United Way Contributor Choice Program. The typical influx of donations to Habitat is seasonal, but the organization benefits immensely when you choose to support us year-round. The consistent support provided through Monthly Giving allows Habitat to plan ahead and pour more foundations, raise more walls, and welcome more families home throughout the year! *That means your contribution will go farther to help more Allegheny Valley families!*

United Way Southwestern Pennsylvania Contributor Choice Program

Organization: Allegheny Valley Habitat for Humanity

Code number: 1319144

Location: New Kensington PA
