

TEAM AND PLAYER ELIGIBILITY

TEAM ELIGIBILITY: All teams must be registered with Travel Sports for the current season. Seasons run from September 1st to August 31st of the following year. Teams must notify Travel Sports Baseball directly within 24hrs if their classification has changed in ANY organization.

AA teams: NO MAJORS PLAYERS ALLOWED, no more than 4 AAA players allowed.

AAA teams: No more than 4 Majors players allowed.

Travel Sports Baseball will make the final determination of a teams or player's eligibility, definition of player classes and team/player eligibility.

TEAM RECLASSIFICATION: Occasionally we will change a team's classification if they have proven to us that they are not competitive in their current classification. When you look at their team page, the team info header will show pale yellow and the affected players will also show in pale yellow. The decision to re-class the team is based off of those players in pale yellow. Teams that have been re-classed and add players to their roster after the fact, will need to get those new players approved or risk having their classification raised again.

PLAYER ELIGIBILITY: All players must be added to the team's roster. Players added the same calendar date as the first tournament pool play game of each event are ineligible. (Example: The event starts on Saturday; all players must be added by Friday at 11:59 pm.)

ILLEGAL PLAYER: Using an illegal player will result in an immediate forfeit from the event. Beginning 06/20/2017 all players must have parental permission to participate. Parents can create an online account to manage their players.
