

# ΑΠΟΘΗΚΕΥΣΗ / ΦΟΡΤΩΣΗ συστήματος (formation) στο pes6

1) Βρισκόμαστε μέσα στο pes6, στην φάση πριν από έναν αγώνα (offline/online). Αν είμαστε offline πατάμε Manual Settings

2) Έστω ότι έχουμε φτιάξει ένα σύστημα 4-4-2, το οποίο θέλουμε να χρησιμοποιήσουμε ξανά στο μέλλον. Πατάμε Data Management

### 3) Μετά πατάμε το Copy Formation

The screenshot shows the 'Data Management' menu with the following options:

- Copy Formation
- Dlt All Stk Data
- Save Stock Data
- Load Stock Data
- Copy Opp Stk Data
- Exch Stock Data

The interface is split into three panels:

- FCB FC Barcelona (Left Panel):** Shows a 4-4-2 formation on a pitch. Below the pitch, it lists 'Now in use' (FCB FC Barcelona, FCB Strategy Plan A, FCB Strategy Plan B), 'Default Data' (FCB FC Barcelona), and 'Saving Data' (a grid of 10 slots, with the first slot containing 'FC Barcelona').
- ATM Atlético Madrid (Right Panel):** Shows a 4-4-2 formation on a pitch. Below the pitch, it lists a player roster:

Position	Number	Name
GK	13	J. Oblak
CB	26	L. Piszczek
CB	4	T. Alderweireld
RB	28	C. Azpilicueta
LB	2	K. Walker
DMF	3	A. Grimaldo
CMF	6	L. Cattermole
RMF	8	L. Goretzka
LMF	5	G. Bonaventura
CF	19	M. Rashford
CF	21	K. Gameiro

At the bottom left, there is a 'SELECT Help' button.

4) Μετά πάμε και επιλέγουμε το πρώτο εικονίδιο κάτω από το Now in Use, που στην περίπτωση μας είναι το εικονίδιο FCB (το οποίο αντιπροσωπεύει το τρέχον/τρωρινό μας σύστημα)

The screenshot shows a football management game interface with three main panels:

- FCB FC Barcelona Panel:**
  - Formation: 4-4-2
  - Strategy: Strat.MA
  - Now in use section:

CMF	6	L. Cattermole
RMF	8	L. Goretzka
LMF	5	G. Bonaventura
CF	19	M. Rashford
CF	21	K. Gameiro

At the bottom left, there is a "SELECT Help" button.

5) Αφού έχουμε επιλέξει το πρώτο εικονίδιο FCB, πάμε με τα βελιάκια στον κενό χώρο που λέγεται Saving Data και επιλέγουμε ένα από τα διαθέσιμα slots, έστω τον αριθμό 1

The screenshot shows a football management game interface with three main panels:

- FCB FC Barcelona (Left Panel):**
  - Formation: 4-2-1-3
  - Strat: MA
  - Now in use:
    - FCB FC Barcelona

CF	21	K. Gameiro

At the bottom left, there is a "SELECT Help" button.

6) Μόλις επιλεγεί ο αριθμός 1 μας βγάζει το μήνυμα Copied (στην ουσία αντιγράψαμε το τρέχον σύστημα στο 1)

## 7) Μετά πατάμε το κουμπί Save Stock Data

The screenshot shows the 'Data Management' menu for FC Barcelona. The menu options are:

- Copy Formation
- Dlt All Stk Data
- Save Stock Data (highlighted)
- Load Stock Data
- Copy Opp Stk Data
- Exch Stock Data

The interface also shows the current formation (4-4-2) and the strategy (Strat.MA) for FC Barcelona. Below the menu, there are sections for 'Now in use', 'Default Data', and 'Saving Data'.
