5 March 2022 (fully written, edited, revised, and [was going to be] published, Memorial Day, this day of our Lord and Saviour Jesus Christ, 30 May 2022...(Last Revision 7 June 2022)

The wounding of my mind is, perhaps, mortal. As the following might indicate, I might be mentally and spiritually deficient. If the world is a vampire, or a snake, I have been non-con-sensually bitten.

In a manner of speaking. I am compelled to exercise my free speech. I am obliged to bear witness and give testimony to the truth to the best of my ability. I trust in the mercy of God Almighty. The Lord Jesus Christ is our only hope. He is the only Way to Eternal Life. Thru Him all things are possible. He is the only one who keeps His Promise and does not disappoint. The Son is Perfect Man and Perfectly God, One with the Father and the Holy Ghost. One Supreme Living God, in Three Divine Persons in Unity. May He forgive us all of our sins, save our souls, now and at the hour of our death, deliver us from everlasting damnation, lead us into aeonian life, and grant unto us eternal rest. Amen.

O' Lord God, provide the souls of the faithful departed permanent rest, let unending Light shine upon them, grant that they may Rest in unceasing Peace. Amen.

By amen, I mean to say, let it be so, or allow it to be done. I do not wish to invoke some sort of Sumerian, Babylonian, or Egyptian conjuration.

Ever since I was a child of seven or eight years of age, I have, on numerous occasions, whilst alone in a quasi-meditative state, had a specific symbol appear before me in my mind. With eyes closed, I would concentrate on one spot, and after a series of moments a small image would appear on the canvass of darkness. The small object would appear into view, moving, from the void, towards me before stopping at the focal point. It was a perfect circle, dark green in color with a thin yellow-greenish out ring. Yellow-greenish pinpoint (spikes?) were precisely located and evenly spaced apart from one another, within the circle. Decades later, while pushing 40 years of age, I still can recall this same picture or symbol, and it appears to be the picture of a (super)virus.

I believe this to be the virus that satanic deep state humanity is working on developing. I do not think this is covid-19 or any supposed variant thereof. I do not think they have achieved completion of the generation of this virus, yet. This virus is a weapon that could result in many, many deaths, and the collapse of civilization. And most assuredly, they will include this virus in the inevitable injection that they will roll out, and mandate that everyone throughout the world take. Of course it will all be under the guise of offering protection from the virus itself, the virus they made and deliberately unleashed. And yet, the injection(s) will contain the virus, assuring that all who take the shot will be infected, or doubly or triply infected. Again, I think the whole 2-3 years of the planned covid-19 was, is, a trail run, a dress rehearsal if

you will. The whole covid-19 pyramidal scheme and new world order scam, and the accumulative crimes against mankind, might have been a drill, an exercise, a simulation, a stepping stone towards even more tyranny and totalitarianism. It has caused untold suffering and loss of life, yet it failed in many ways. Perhaps it was an earnest attempt on the part of the devil's own, yet it did not succeed to the point of complete liberal-socialist-communist takedown and takeover. Supreme Divine Intervention has a way of disrupting schemes and thwarting the plans of the nefarious enemies of our race, souls, and salvation. Where there is no other, earthly, answer, prayer might just be the final solution. And always are enemies prey like the marauders they are. In terms of the negative extraterrestrial component to all this, insofar as there might be or is one, a super virus would be a very grave danger to mankind and all of humanity. And it seems that most people would be dependent upon the conglomerated, universal, government, and obediently, in lock-step, do as they are told.

For the love of the Lord Jesus Christ, please do not agree to take or get any more shots, injections, or so-called vaccinations. God did not make any junk: when He created the immune system, that you and I take for granted whilst it operates continuously on autopilot, do you think He left any room for "improvement" on the part of "woke" scientists, doctors, technocrats, bureaucrats, and communists, who REJECT Him!?

Sorry and sad to say, the medical establishment has lost all credibility and lawfulness. The governmental and political establishment has lost all credibility and lawfulness. The mainstream media has lost all credibility and lawfulness. Why are so many people more afraid of a virus, reportedly produced and unleashed from a virology weapons laboratory in China, in conjunction with the U.S.-U.K.-Israel, U.N.-WHO, and so forth, then they are of the punishments, wrath, and judgement of God Almighty? Is it not written that no weapon formed against us shall prevail? Or are we merely and uselessly superstitious for believing the Word of God? Does God not have the power to prevent us from contracting a deadly virus? People trust more in a mask, a face diaper, to keep them from getting a flu-like sickness, then in the Supreme Living God?

Wearing a face mask in a sterile environment, such as an operating room, while the doctor is performing a surgery, to prevent the contamination and thus infection of the patient, is really the only reasonable situation that a mask should be worn, in order to prevent or reduce the spread of bacteria and viral substance, within that very diminutive annexed section of the overall hospital complex. Wearing a face mask while mowing the lawn, to prevent the inhalation of large allergens such as pollen, is another reasonable situation where a mask is sanely worn. Although, it should be noted, that having virtually all illegal aliens doing such yard work is not at all reasonable, and is part of the total problem. And in these cases of sane mask wearing, and the few others, the mask is worn for up to one hour or, in the case of extensive and serious surgery, over the course of several hours, and that's it. To expect the general public to be protected from infection from any virus, and coerce and force them to wear a mask for 6 for 8 hours a day, is criminal and insane. What is the equivalent? Imagine if teachers in the 1960s during the Cold War with the communist Soviet Union, instructed and directed the children, continuously, for six hours a day, every day of the school year, for two years, to "duck and cover", because that would keep them safe from the blast and destruction of a nuclear bomb.

How criminal and insane would that be? Especially because the whole “duck and cover” drill, would literally be nothing more than a psychological cope or crutch in the event of an actual atomic attack. And even then, insofar as the children had time, that physical action would not in the least protect them from such massive destruction.

If people really wanted to prevent being infected by a virus that “went viral” worldwide, then they better suit up in full biological hazmat suits like they wear in the D.U.M.B.s and highly restricted and top secret biological weapons laboratories, such as the U.S. Army’s Fort Detrick in Maryland. My guess is that it would be impossible to perform virtually any job if such extreme measures were even impossible, which obviously they are not. I imagine it would be quite the sight for a liberal teacher geared out in full bio-hazard suit, to “teach” her children, that is to pervert and corrupt and abuse children in the factory-assembly-line public indoctrination school system, about her disgusting, abnormal, and immoral sex life. Such criminals should be immediately stopped and brought to justice. Not even the keys to the future to do what they wilt.

Why trust the purveyors and merchants of death when they, and their whole world system, are infinitely inferior to the Grand Master Creator of all of life? Are there not alternative remedies and homeopathic medicines, that are immeasurably more safe and more effective than the experimental and harmful and even deadly genetic altering injections and pharmaceutical and pharmacological drugs administered and prescribed by the conglomerated Big Medicine, Big Pharma, Big Government, Big Tech industries? And why do these colluding giants proscribe alternative medicines, remedies, and cures, and insist that their injections and drugs must be prescribed and taken by everyone? Is not such a way of being tyrannical and thus antithetical and anathema to the very foundation of the, of *our*, constitutional American republic?

One of my Great Uncles served in the United States Marine Corps, fought and died, in combat?, fighting the Japanese on Guadalcanal, in the Pacific theater, during World War II. Today, the atheistic communist Chinese regime is one of the biggest threats to America and the American people, and all of Europe and the western world. The powers that be of China work as one, like a cyborg-collective or an ant colony. A weaponized virus originating from Wuhan province in mainland China, was unleashed upon the world. This virus was never found to have occurred spontaneously in, or derived from, nature or the natural world. The second, and much more harmful biological weapon was the so-called “vaccine”, and subsequent “boosters”, that was forced upon mankind. In my opinion, the so-called covid-19 was a trial run, for a far more serious, far more deadlier planned viral outbreak, as perpetrated by the satanic deep state. There are reports that another, far deadlier virus will be unleashed upon mankind. Apparently this will prompt the unveiling of yet another injection, which will be the equivalent to the mark of the beast of the Book of Armageddon. I suppose this vicious cycle could repeat indefinitely until the illuminati dynasty elites achieve their objective. At least in theory. This microchip will irrevocably alter the genetics of mankind. If it is possible to put genetic sequences, and even entire genomes, into technological, cybernetic, and unified enslavement, such a nightmare scenario would eliminate the individual man and turn the remaining aggregate mankind into hive-minded robotic entities that were routinely programmed and updated by artificial intelligence. Such automatons would follow the script they are given obediently and without question. In short,

they would be slaves of their tyrannical masters, and spiritually, they would be less animated than a dog. Most people would have been killed off, or genocided by that point. Is it possible to capture, hold, occupy, coopt, and destroy life, at the subatomic levels and dimensions? With nanotechnology, (administered thru injections, chemtrails, gmos, etc.), and quantum scalar wave and particle beam weapons, it seems possible that our one bodies, at subatomic levels and dimensions, could be weaponized and used against us. A deadly brain aneurysm or heart attack that is remotely induced by our multitudinous enemies, is not only possible, it has been reportedly as possibly already having happened as early as the 1970s.

I am shadow banned from my innate cognitive facility and censored from my own cerebral function and mental faculty. The world lays siege to my mind. My agonizing soul begs to differ. The Central Intelligence Agency, the Federal Bureau of Investigation, those unlawful and criminal agencies, as well as all the unlawful and criminal alphabet soup agencies, including, for instance, the Jewish Mossad, the Israeli intelligence, and other foreign adversarial inter-extra-conglomerated agencies, have perpetually engaged in mind control and behavioral conditioning and modification, psychological and spiritual warfare, spatial quantum entanglement, "counter-intelligence programming", signals interception, signals counterfeiting, the utilization of voice to skull weaponry, non-consensual remote neuronal monitoring and brain-interfacing, medical, scientific, and technological experimentation and procedures against the knowledge, consent and will of the targeted individual, targeted abductions, drugging's, gassing's, time corruption and time theft, timeline discontinuation, timeline activation, bodily hijacking, mind hacking, sleep deprivations, cloning, communal harassment, cybernetic and neuronal stalking and assault--remotely, technically, technologically, invisibly upon lawful and law abiding targeted Americans, and many other members of mankind and humanity throughout the world, who are forcibly tyrannized, cruelly isolated, and evilly excluded from God-given life and the holy supports thereof.

The election of Führer Adolf Hitler in Germany in 1933 was immeasurably more valid and lawful than the coup of Obama-Biden-Clinton and the anti-Christ, anti-White one-world order democrats of 2020 and their traitorous accomplices in the republican party. The American Revolution was declared and waged for far, far less than the evils, crimes, and insanities foisted and forced upon the remnant American folk today. And yet the American people are two busy slaving for the Jews, idolizing the blacks, and chaining themselves and their children to the perfidious synagogue of Satan matrix of technology to live their supposed political and religious convictions. The Jews have bought, or in many cases stolen, the sovereignty, and the racial birthright, of the remnant White race for rock bottom prices, gleefully with no fear of being stopped and brought to justice, and most White people appear to prefer worshipping the upper echelon snakes and goats that occupy the conglomerated, and monopolistic, multi-racial, multi-cultural, anti-Christ, anti-White, one world tyrannical government, military, corporation, media, and entertainment empire.

Preface: Everything I write, I write under duress. In a manner of speaking, I am a routinely tortured and abused prisoner in the enemy's communistic collective-hive mind, cybernetic concentration gulag digital death camp. So, dear good-willed reader, you will have to forgive my embittered eccentricities, my unlearned declarations, my factual mistakes, my truthful errors, my lashing out, and forgo damning me as irredeemable. Ongoing trauma does not, unhealed wounds do not,

lend me much, if any, credence beyond the spiritual darkness of the solitary confinement, beyond the hole I am incarcerated in. Spiritual, sensory, and social deprivation for years on end has injured me in ways that the best minds of science would not dare to investigate, if they would even care to contemplate. Psychological attacks, spiritual assaults, are constant. I do my best to witness for the truth, to articulate the truth, and to impress the truth on any would be, good-willed racial and ethnically, and hence spiritually, kindred folks out there. From my unique, individual, distressed, perspective. I am extremely troubled, about everything, as is evidenced by my writings. Perhaps, sometimes, I am too harsh or out of line with my words. I am a man, and am prone to being wrong, a lot. I am always sorry when I am, and when I do wrong.

Yet I am in a ceaseless struggle, suffering, and battle for my heart, mind, and soul. I live alone, *I am* alone. My whole life, and I use the term *my* apprehensively, I've been lied to and targeted by the world, its government, its conglomerated corporation, its organized religion(s), its system, its media, its culture, its technology, its hive-mind collective, its cybernetic matrix. Everything is all wrong. I am merely laboring to correct the record and set a few things right, even if only in theory, with my miserable, unlearned, and unsolicited authorship. If only for my personal ephemeral edification. And hopefully, validate someone else' piteous soul, not because they need my validation, yet because I am intimately familiar with the precise moment of reading something that eviscerates the enemy, however so, and in whatever form, our enemy is designated and manifested, and smitten to enslave, maim, and destroy us. Whilst seemingly written only for you, there is certain literary work that resonates, as though the author were tuned into the same frequency of truth, of revelation, as you are. There is a tacit comprehension and understanding that transcends the whole damn rotten world and all our enemies. If only for a fleeting moment, this enlightenment is a major morale boost. I do not expect to live up to such elegance and grace: though I give reason for my intellectual labor in the hope that it will resonate with my folk. Insofar as I am not forever estranged from the same.

If I offend, it is not to push people over the edge like when some late-night Jew celebrity comedian talk-show host deliberately offends and openly jokes about psychologically terrorizing an individual into mental illness, or psychically and psychotically driving him into further mental illness. Gas-lighting is a particularly egregious evil and crime, all the perpetrators of which will ultimately be brought to justice and judged accordingly. There is a special place reserved in eternal damnation for psychopaths who target the mentally ill. And children? Harming children is the worst. Well, we know what our Lord Jesus Christ declared about such devils disguising themselves as human beings. That Jews would joke about and take delight in such evil is indicative of the demonic psychoneurosis that is pervasive in their race. And like an infectious disease, they spread all manner of evil, and the effects, and consequences thereof, on all of us, with our Lord Jesus Christ being the only immunization against such a planned, and deliberately unleashed, accumulative virus. The Jews, and their multiracial anti-Christ coalition, own the world, and so it is *their* world. The Jews have preferred the liar and the murderer, since, no less than 2,000 years ago when they rejected the Lord Jesus Christ in favor of the liar and murderer. The earth is separate. The earth, the plant, animal, and marine kingdoms thereof, and the governing body of Nature Herself and of Natural Law, God created and sustains as He sees fit.

My aim is to shine the light of the truth, however faint a light I am. Liars will say there is no such thing as good and evil. The stupid idiot fool who says such nonsensical rubbish might as well say there is no such thing as truth. What these Jews, and black communists, and goat-snake white liberals, and all the others in the Antichrist, anti-White coalition are in effect stating, is that good and evil, truth and lies, are tyrannically determined and unlawfully (re)defined by *them*, the one worlders, and their idols, and then imposed on all and sundry. The dictatorship of imperial "relativism" demands that the government, the corporations, the military, the conglomerated cabal thereof, determines what is good and what is evil, who is good and who is evil. Hypocrites who compromise themselves by selling out to, and being, evil, do not merit praise. I used to say that our consciousness informs us of good and evil. I can no longer in good conscious say that to be the truth for all of us all of the time. We know. And yet, there are many human beings who pretend they do not know, or that they know better. Openly calling for bullying, and taking delight in the prospect, to "trigger" someone into a state of anger, for instance, is a mark of sickened, and I might say, Judaical, mind. Active stalkers and harassers, online and in the sinister reality we are forced to endure, being paid to be world gang stalkers perpetrating myriad crimes against an individual that the world has targeted, is essentially the mainstreaming of evil. Witchcraft is mainstream. Abortion, the murder of unborn babies, the murder of babies after they are born is mainstream. These aforementioned crimes, are evil, and yet they are mainstream in the Jewish-black-nonwhite dominant culture of America and the West.

Bad laws that violate the Law are passed thru state and national legislatures, in and of themselves unlawful assemblies if ever there was, without so much as the pretense of debate or the symbolic act of informing the public and soliciting the peoples consent, including the outsourcing of abortions on demand, the murdering of unborn babies throughout the nine months of pregnancy, by murderers who are not physicians. Physicians who murder babies are nonetheless murderers, and yet their license to practice "medicine" is not rescinded and revoked, they are not brought to justice for their murdering of untold numbers of babies in the womb. Yet a doctor who administers alternative forms of treatment, or who questions the evil Jewish science and scientism behind the so-called vaccines and vaccination program, which has caused and resulted in the serious injuries and in the deaths of tens of thousands, hundreds of thousands, millions of people, is lambasted as a crackpot and is stripped of his professional credentials and prestige. In other words the physician who does not murder his patients, or at least some of them, is deemed, by the world, to be "corrupt." The world is the word.

My mother, God rest her soul, was a nurse for over 50 years. She told me how the bodies of patients would have to be marked, so that the doctor did not perform the wrong operation. For instance, if someone was to have an operation on their right arm, a very visible *x* would be scrawled on the patients right arm so that the doctor would know that that was the arm he was performing the operation on. And still, every year, God knows how many thousands of people undergo the wrong surgery or needless surgeries, and medical procedures, and God knows how many people die as a result of such "medical malpractice"—of such murder. Are these doctors Jews, secret society Freemasons, or otherwise members of Lucifer's cabal? Why are they not stopped and brought to justice for their crimes? Who are their victims? Moreover, it has been reported, that many, many tens of thousands and hundreds of thousands of people become horribly sick, *after* visiting a hospital, even though the

hospital is supposed to be one of the cleanest and sterilized environments there is. Somehow, countless people are infected while they are in the hospitals seeking treatment, in many cases, for minor ailments.

At the risk of sounding superstitious, in my family, there was a very adamant distrust and dislike for hospitals and for doctors in general. To always "get a second opinion" used to be the proverb that concerned the diagnosis of any doctor, or even dentist. But that was before the age of the internet, and smart phones, before everything, and virtually everyone, went cybernetic and digital. Now, to get a second opinion would most likely be meaningless. All the doctors are in the same club, they would probably want to know what the previous doctor determined before even proceeding, and then they will simply agree with him. Even if they did not know, because you the patient acted prudently, and engaged in a bit of operational security, everything is in the system now. All the information from your previous visit, this second doctor will most likely have access to. So he can read it all for himself, within seconds, and give you the same diagnosis, within minutes. That is not freedom. That is communism. And it is horribly, criminally, wrong. The sharing of our personal information, the selling of it, by administrators and systems operators, and data analysts, gives the matrix, and those controllers of, and conformists to, the satanic one world order, an extreme advantage over us. We have no government of our own. We have no representation. We have no nation of our own. We have no homeland. And that is absolutely evil, criminal, and wrong.

For me, it was almost intuitive: for my family, I believe there must have been a familial memory of past abuses and transgressions on the part of medical doctors and the staff that occupied hospitals. Such horror stories have been both validated and verified in the age of SARS1-SARS2-COVID-19, the planned pandemic, and the universal biological weapons scam of the same. These viruses, laboratory manufactured biological weapons, and their medical and genetic experimental MRNA "antidote" equivalents, were apparently developed in China, in conjunction with the funding and brainpower and trust of the United Kingdom, United States, Israel, other Western powers, the World Health Organization, the United Nations, the Jew Anthony Fauci, the Jew Bill Gates, the Jews Rothschild, and so forth, and deliberately released as part of the "global" government United Nations Agenda 21 and United Nations Agenda 30 depopulation and genocidal conspiracy. It has been reported that many people go into these conglomerated one world order system hospitals, and are either given a false positive test for COVID-19 for instance, and then told they must be put on remdesivir, or other such harmful pharmaceutical and pharmacological drugs, and put on a ventilator---in other words they are drugged and put into an induced coma, never to wake again, but to die at the hands of doctors and hospital staff that receives monies for every COVID case and for every COVID death. Of course, the person could have died from any number of things, such as "complications of the heart", or other such designations as the murderers deem, and yet the cause of death will still read "COVID-19" or some other such qualifier, for "legal" purposes. The universal dictate that hospitals issued, and enforced, that prevented folks from visiting their own immediate family members while in the hospital, indicates that the entire hospital system is in the hands of explicit Jews and communists---insofar as there is a difference between the two. Such was, and always will be, tyrannical, criminal, and unlawful.

Because the West has thrown its moral compass overboard and has replaced it with human secularism, that all encompassing vessel of doctoring evil into good, and good into evil, we are forced to endure in a sinister reality where, and when, evil routinely, and even religiously, triumphs over good. Socially and politically "correct" euphemisms abound. If there was a particularly evil historical figure, he might be said to have been merely "incompetent" or "misunderstood". Of course there is a spectrum. Terrorists and brigands are now touted and celebrated as heroes and saints. Nelson Mandela was a black communist terrorist who was responsible for many deaths of White people. He was not the first evildoer to be given an identity and legacy makeover to make him out to be something he never was. Martin Luther King, whose name is thieved from the crypts of the White past, namely that of the German priest Martin Luther, who was vehemently anti-Jewish. And so the Jews gave a black communist who was their servant, who was the spearhead of the Jewish-black civil rights revolution that was, and still is, so destructive to America and to American values, the name of a pro-White German priest from the 16<sup>th</sup> century. The profile of the murderer rears his ugly head once again. The black MLK was a communist, a plagiarist, and a puppet for the Jews. Obama is the latest Jewish rendition of unlawfully putting despicable, anti-Christ, anti-White, and anti-American, nonwhites in positions of power over us. Yet, so goes the so-called Mandela Effect. These criminals are beyond reproach, because the Jews and the Jewish world media says so. Which is really nothing more than the memory-holing of the truth, and the fabricated version of history and reality that the powers of this world of darkness put forward and perpetrate, along with the gas-lighting of the good-willed folks in the world.

Everything in this fallen world is reducible to money, to a point of sale purchase or transaction, to the exchange of fiat currency, paper or digital, to the buying and selling of labor, parts, resources, for material possessions, for experiences, for virtual entertainments, for amusements, for the movement of peoples, the operations of services, the consolidation of debt and so forth. Every action, or inaction, is predicated on money. Money is debt. He who has all the money, is in an advantageous position to predict and dictate the future. Perhaps because he owns all the debt. Republicans send robotic text messages and emails, that one never agreed to or signed up for, that decry how their political campaign is losing because it is being outspent by the socialist liberal democrats. There is something fundamentally wrong, and inherently evil, about a system of government and commerce, whereby your political opponent need only spend more money in order to win, and thus gain, or in most cases, retain, power, and thus subject you to its political persuasion and ideological dictates, leaving you no recourse for redress of grievances. Of course the Jews own the republicans in a similar, if not the same, way they own the democrats.

As if that was not the worst. It is far worse. Everything, and thus everyone, is reducible to money, within the stranglehold of the multi-international bankers, namely the Jews, and their nonwhite coalition of anti-whites, and the financial system, monetary infrastructure, and economic establishment of the world. Life has been reduced, and to an extreme degree, negated, by, and to, the buying and selling, the spending of money, in imposition of perpetual debt, and the indentured usurious slavery thereof. There is a class and a caste system, that upstages, or fuses and thus nullifies, race and religion, in that the equalizing force has become the best technology money can buy. The biological rhythmic pulse of the race, of the ethnic tribe, and of the individual person, is lost in the droning of the beast system. There

cannot be beauty *and* the beast, for the beast will forever tarnish, degrade, degenerate, and denude beauty, lowering her down to its inferior status, making it ugly like itself, making it produce an ugly hybrid monstrosity that nature, by the very Law that defines and sustains Her, cannot tolerate let alone celebrate, for such a union between beauty and the beast is a terrible dishonor of Nature and a grave injustice to beauty's unparalleled peer and equal. The beast dishonors nature by ruining beauty, wherever beauty is found, and whenever the opportunity to take her appears. The frequencies of spiritual light are intercepted, and attenuated by the forces of darkness that run this world. What nature did not, does not, and will never abide, technology will synthetically propagate. Those who have money, and those who do not have money. The dualism reigns. And yet my people are not free. In fact, I have no people, for most, if not all, are lost to avaricious hyper-individualism within a matrix of multi-racial, anti-White, universal communitarianism. What must one sell in order to obtain this thing called money? His morality, his conscious, his soul? His nation, his race, his children, their future? And then what? What is he allowed to purchase then?

Does money buy, or generate, freedom, security, safety, privacy, happiness, and the meaning of life? White children in the United Kingdom, that is the real, and only, British, particularly young girls, are terrified everyday by Asian, Muslim, Islamist gangs, by nonwhite, anti-white, criminal invaders, who sexually assault and groom White children for sexual servitude and slavery, while the teachers, administrators, and police look on and do worse than nothing about it--they enable it and protect the perpetrators. Britain is supposed to be a first world, first rate nation. The so-called gross domestic product of Britain is sufficient enough that crime rates should be at rock bottom levels, in fact, crime should practically not exist at all. Oh, but it does. Crime is thru the roof. The concentration of wealth, and thus political power, has seen to it that it is manufactured so that racial aliens, hordes of criminals from the third world, invade, occupy, pillage, stalk, harass, terrorize, assault, and murder Whites, with immunity and impunity, with no fear of any repercussions, with no fear of being brought to justice. In fact, they are awarded, they are paid, by the state, and backed by the conglomerated corporation apparatus, that includes the telecommunications, broadcast, and online media networks and platforms, to target the native White British population, especially the children.

Remember the left's lie that "poverty causes crime." None of these nonwhite invaders into the UK or America knows poverty--they are given everything without working for anything. No expense is spared in providing all for them, whilst denying all, or as much as all as it is possible to get away with, to actual Britons, and Americans. The criminal Jewish Zionist occupied governments, pay these nonwhite invaders to literally be criminals to target the English race, and they fleece the English race for the money that the corrupt, criminal, and evil government gives to the nonwhite invaders to target the British and American folk. Keep in mind also the left's lie, the Jewish lie, that most racial aliens "migrate" to the UK or America, or the west generally, that is, that most racial aliens invade our fatherlands, our homes, for "economic opportunity" because only money can afford a "better life", so, the evil anti-white propaganda goes, we can hardly blame them. What a load of absolute rubbish. White men must do their duty, and defend their children against the hostile, predatory, parasitical, racial aliens that target them. Failing in this, the White race will have no future, and their children, if they are still among the living, will know neither freedom nor safety, naught privacy, nor the way to verily the way life should be. God owes the devil many souls, and ultimately, the devil will be paid.

And what of the blacks in nursing homes and assisted living facilities that psychologically accost, verbally abuse, and physically assault White elderly folks who live there? That is the worst. But it is worse. These vile, racist, and murderously violent blacks, who have no right, let alone any business, even being in our countries, let alone in a position of power over our vulnerable, feeble, ailing, infirm, and defenseless mothers and grandmothers, video and audio record their myriad crimes against the White elders, and post it online. Attention whores that they are, apparently they take their cues from the Jews, whose saying "no publicity is bad publicity" aptly fits their predatory and evil psycho-pathology. These blacks should be arrested and swiftly brought to justice. White men must defend their mothers and grandmothers from such savages. This example, one of a plethora, proves, beyond any reasonable doubt, that there are irreconcilable differences between the White and black races, and that might in this case equals absolute wrong, and that Whites have every inalienable right to be completely separate from blacks, and should be free from any fear of being attacked or molested by them, or any other racial stranger, foreigner, or alien. Incidentally, this is not an isolated instance: a pattern has emerged and the black criminals have themselves provided audio and video-graphic evidence of their crimes. What are the assisted care and nursing facilities, what is law enforcement, what are the families of the victims doing about this plague on our nation, on our folk, and on our society? Enabling it? Or putting an end to it? There is no middle ground here. All black on White violence must be stopped and put to an end.

The price of gasoline is \$4.59 per gallon. Now, as of 5 June, the price is \$4.79 per gallon. *Now*, as of 6 June, the price is \$4.89. This is the highest price in history. Inflation is at the highest level in history. Wages are stagnate. Food prices are up. It has been reported that some two dozen food distribution facilities have been destroyed, under suspicious circumstances, in the past year or so. Farmers have been given orders to destroy their food crop, in order to be paid, or else face the negative consequences of reaping the harvest they have worked to bring about to fruition. When farmers are being paid to destroy all their work of growing food, and that is the only way they are going to be paid: there is something devilishly wrong. Where is the autonomy of the farmer? Is the Frankenstein "life sciences" corporation Monsanto their lord and master? Taxation, without lawful and legitimate representation, is at all time high levels. Crime, especially targeted violent crime against Whites, by nonwhites is epidemic. The only solution to that is absolute segregation and separation. Most mass shootings and terrorist atrocities are perpetrated by nonwhites, and most victims are White.

If a White man gets a half hour break at an industrial bakery, the black employees get an hour break. The same Jewish owned industrial bakery, that bakes virtually *all* the bread on store shelves from Virginia to New York state, was willing to pay more money to *not* pay out workman compensation to a White man who was injured on the job, for a week's loss of work and thus pay, by working with the local democrat city and county government and having a hearing, then to award the White man the miserly \$550 for the week he did not work because of the injury he sustained on the job. He was forced to join the union in order to get the job, yet his direct supervisors, the bosses, including the one who interviewed and hired him, and the administrators, including human resources staff, are not members of the union, and are of course paid more. Those who literally do the most work are paid the least, and those who do the least work are paid the most, receive preferential treatment, and are in charge.

After taking some three hundred dollars in "initiation fees", the union takes \$50-\$100 per month in dues so that nonwhites can have a job and push pencils behind a desk all day. If it were not for the union dues, the White man would be able to spend that money on dental and health care. There is no effort to hide the nepotism and freemasonry, which are flaunted in the open.

If a White man has a productivity rate of  $y$  at an Amazon warehouse, the black employees productivity rate is artificially inflated. In fact, the White man's productivity rate is fraudulently lowered, and the differential is *added* to the black worker's demonstrably lower productivity rate. This is all done digitally, all in real time. For example, if the White worker has "picked" 427 units, as indicated on the screen, it might be, in the blink of an eye, that that 427 units will be reduced to 417 or 407 units, as indicated on the screen. This flipping of numbers was the same satanic game played to steal the 2020 presidential elections. Votes were flipped from Trump to Biden, all digitally, in real time, on live television. Solving for  $y$  becomes proprietary. The very same media who was directly complicit in stealing the election, lied, yet again, and said that there was no evidence of voter fraud, or a stolen election. If the White worker were to go to the supervisors or bosses, they would say the same thing, that there was no evidence of productivity rates being deliberately altered, especially to diminish that of the White worker, and artificially inflate that of the black and other nonwhite worker. It would be one man's word against the current digital and surface forensics of the artificial-intelligence-computer-machine, and the entire cybernetic network, and human operators and functionaries thereof. Technology can generate a fake reality, where a fake "equality" is induced and imposed and enforced. Whatever the computer says is right, is the truth, is the reality. Any criticism against the system, levied against the matrix, is tantamount to thought crime. Punitive measures are taken against those, very few, who engage in such insubordination.

More employees than are necessary are hired to keep wages artificially low. The turnover rate is absurd. The cost of living is way too high, and completely disproportionate to the working man's earnings. In other words, there is a glut of workers, many of whom come and go within the span of a few weeks or months, so that wages are deliberately kept down, yet the cost of living, everything from fuel, food, energy, to rent, is at record high levels, and keeps increasing. A White man might work three weeks out of four merely to pay his bills and the cost of living, and still have no prospect of saving enough money to move elsewhere to a much nicer, and far less diverse, that is to say, mostly White, region, area, and enclave. That leaves him with about \$500 a month to spend or save, some of which will go toward food. Keep in mind, that is because he does not drive a car, and so does not have to throw all that money down the black-hole money pit of the fuel energy sector, is not married and has no children. And if he has any sort of dental or medical problem, he has no insurance, he is not covered. Also bearing in mind, that is, he has no social life, works a job he hates and that is unfulfilling, and has no friends whatsoever. The Holy Bible says it is not good for man to be alone.

But the pagans, who never seem to be alone incidentally, like the poor Jews and blacks, are the perpetual victims. I will take my chances being a soldier of Christ. Incidentally, the ancient Greeks and Romans would not approve of neo-pagans in 2022: the reason they did not ascribe to Christianity was because it literally did not exist yet, and Judaism was strictly for Jews, and Islam, which was a Jewish construct

and a Christian heresy, only arrived on the world stage in the 7<sup>th</sup> century A.D., several hundred years after the fact: today, there are Jews who profess themselves as pagans. What is the connection and correlation between the Jews and paganism and pagans? What is the history of the past 2,000 years, as relates to and regards the Jews and the pagans? The commonality that unites them, in spirit and ideology, if not in practice, is their rejection of Christ. Why is such Judeo-paganism taboo, and yet Judeo-Christianity is a target that anyone can aim, shoot at, and eviscerate? Is that why in the so-called controlled opposition "pro white" movement, or is it quid pro quo "white nationalist movement" that is almost exclusively online, Jews, and white pagans, take a prominent role, even priority of place, in leading it, in being the thought foremen and popular thinkers, and make for themselves entire careers as being the self-ascribed spokesmen for the remnant White race, all whilst denying Christ, and all whilst playing into the perfidious hands of deceit and degeneracy that has destroyed so many White folks and ruined so many White lives?

These same people, Jew and white pagan alike, will disavow "purity spiraling", whilst denouncing Christians, and insisting on a multi-cultural "movement" that is supposedly pro-white. These people have some strange ideas of what it means to be pro-White. If one hates Christianity one is inherently anti-White. If one props up a Jew as a leader over Whites, one is denying a White to lead: how is such pro-white? How shall a true Christian invite Jews or pagans into his campfire mess, when he is a soldier of Christ, and they are not? It matters not that Jews and pagans, or Jews and Jews, or pagans and pagans, are, or might be, at enmity with each other, none of them are soldiers of, and for, Christ.

Catholic? In Stonewall's Brigade, all the men were universally under the command of one leader, namely Stonewall Jackson. Yes, Christianity demands organization, leadership, and disciple and that we do our duty as men, under God. Universalism brings up a chain of command, a hierarchy, a patriarchy. That is all well and good. Universalism is not inherently bad, wrong, or evil. The Lord' Prayer is universal, and is perfectly good. An ethnic tribe of a nation-state of the Aryan race, is universal in many regards, which does not imply an elimination of true freedom or diversity. It depends on the truth, and from whose perspective the truth is articulated and lived. Personally, I cannot take pagans seriously. Two thousand years ago, I would have taken them very seriously. Aristotle and Plato were serious. These pagans today are not serious. If they were serious, they would stop playing the devil's advocate and accept the Lord Jesus Christ, or at the very least, not attack, undermine, ridicule and otherwise embitter those folks who embrace the Lord Jesus Christ. But, like the Jews, they think they know better, and can do no wrong, and are the perpetual non-consenting victims of God Almighty. If your success is measured in money, in how much money you can make, or take from other people, and spend, then you are doing it absolutely wrong. Their polytheism is wrong, their mannerisms are wrong, their ideology is wrong, their perspective is wrong.

Pagans could speak the truth about everything else: but on the one most vital point, on the most crucial reality, namely that of our Lord and Saviour Jesus Christ, they reject the truth. I would take one man who speaks the truth on Christ and is wrong about everything else, over 10,000 Jews or white pagans who reject the truth of Christ and are right about everything else. The pagans are merely the antichrist alternative to liberal political correctness. Neo-pagans today have far, far, far more bond and commonality to the Janissaries of the Islamic North African Barbary Pirate Slaver

States then to ancient Greece or Rome. They offer no legitimate, meaningful, or acceptable alternative to the thinking White man, to the loving White man, to the White man of faith, to the White man of God, to the White man who fights for the truth and freedom every moment he is not struggling and suffering, whilst he finds himself alone in an Antichrist, anti-white, Jewish owned world dominated by majority hostile nonwhites, and treasonous white liberals. No more than the Freemasons or Hollywood celebrities have an alternative to offer to lost souls and White men alienated, enslaved, and genocid(ed) by the entire damnable world. Pagans, left or right, are as self-centered, egotistical, prideful, arrogant, narcissistic, and repulsive as mainstream Hollywood celebrity witches, as Jewish bankers, or as free-masonic executive moguls. Prove me wrong.

Many nonwhite workers do the absolute minimum amount of work, and yet receive pay above and beyond that of Whites. In fact, it is documented that some, if not many, if not most, nonwhite workers receive multiple salaries, in addition to their hourly or weekly pay. These additional salaries are not reported. A mark of the beast of communism is to pay workers one wage, while awarding them another salary or two, for instance, a monthly allowance, or bi-weekly stipend. This "under-the-table" pay is only given to nonwhites, or if it is given to whites, those whites are anti-Whites. I was informed by one black worker who worked at an industrial painting company, that paints low-income apartments, that no matter how many jobs he completed, no matter how much work he did, he was guaranteed \$750.00 per week. And that was presumably after taxes, which are probably far lower for nonwhites than they are for Whites, if even they pay them at all. The white liberal bosses and owners denied that this was the case, and feigned that they had no idea why the black employee would say such a thing. I think they must have looked pretty foolish and so decided to lie to save face about it. After-all, lying for the multi-racial universal bestial humanity is mainstream. Meanwhile, the White worker was told that *his* pay was strictly based on commission: his weekly earnings depended on how many jobs he completed during the week. Such a ponzi-scheme, such a hustle, demeans the White man, and puts the greedy corporation on a pedestal of inflated power and control, favoring nonwhites, solely preferring them because of their race, while squeezing all the profit out of the White worker as they can, whilst paying him a crap pittance for a wage. This legalized anti-White racism is par for the course in anti-White, nonwhite, Jewish owned, dominated, and occupied America. Super affirmative action and diversity hire quotas, and all the other egregious results of forced desegregation and Jewish-black civil rights, unlimited nonwhite illegal and "legal" invasion of nonwhites from all over the third world, culminating in the so-called Great Replacement, has really done a number on the White working and middle class. And where is the Church, that bastion of our Lord Jesus Christ, the beacon of our only hope?

Is consciousness the bridge between the mind and the soul? Doth the enemies of the same seek to destroy that bridge? Is not all warfare, is not all combat, is not all--because of the fusion between technology, media, machine, computers, cybernetics, industry, witchcraft, science, medicine, and man---spiritual assault and physical genocide?

It matters not one's race, so long as they give their life to the Lord Jesus Christ. Is that so? Repent for the Kingdom of Heaven is nigh! We are all sinners, all have fallen short of the glory of God, there is not one that is good, no not one, as it is written.

The Lord Jesus Christ is the only answer to all of our questions, the only solution to all of our problems, the only hope of life here on earth and of eternal life in the hereafter. White people who deny the Lord Jesus Christ are in the same boat as anyone from any other race that denies the Lord Jesus Christ. White people who accept the Lord Jesus Christ in their hearts, and acknowledge the fact that He died for our sins on the Cross, and rose again from the dead, and ascended to Heaven, are in the same ark, as it were, with everyone from all other races who accept the Lord Jesus Christ as their Lord and Savior. Is that so? Separate but equal under and in the eyes of God?

That being said, each nation, under God, should not be forced to be immersed with one another, should not be forced to mix with one another, should not be forced to all live in and under the same imperial Jewish cultural Marxist communist rule. Murder is wrong. There is never an instance of justifiable murder. Murder is not the same as using lethal force, as an absolutely last resort, and never lightly, in the instance of self-defense. The Law is very clear on this. Anyone who espouses a racial ideology, and murders people from another race, blacks or Jews for instance, deny the Lord Jesus Christ, and prove by their works that they are a traitor to their own race, because they give the enemies of the same, ammunition for more stringent persecution and punitive measures against us. I disavow, and empathically condemn in the strongest language possible, so-called pro-whites who murder other people for any reason, including solely because of their race. In absolute truth and point of fact, *all* murder is wrong, no matter who the perpetrator is, no matter who the victims are. Murder does not advance our cause of freedom, anymore than lies would advance our cause of truth, anymore than tyranny advances the cause of justice.

Any individual, or group of individuals, who engage in acts of murder against unarmed civilians, no matter what their race, ideology, or political persuasion, should be swiftly brought to justice. There is no tolerance for such evildoers. Murdering Jewish people or black or Arab Muslim people is not the mark of an advocate for the remnant White race: it is the mark of a lost soul who is part of the problem of the world, not part of the solution. From a racialist identity perspective, such perpetrators do immeasurably more harm to our people and our cause, than even the enemy could do. In fact, they do the bidding of the anti-Christ, anti-White ruling elites and powers that be by feeding right into their hands, by giving them exactly what they want. Namely, psychopathic White persons, who conform themselves to mass media and mass antisocial media, murdering people in politically motivated and racially targeted acts of terror and mass death.

All that being said, it is possible that such instances, or at least some of these instances, are generated as a result of the government. The Zionist occupied government, or Jewish occupied government, is capable of many evils. Including murdering children in a satanic ritual false flag mass shooting: including allowing a patsy to murder children in a satanic ritual false flag mass shooting: including staging a simulation of the same: including perpetrating some form of hybrid of the aforementioned. Crisis actors are hired and involved, the mainstream and alternative media is involved and complicit, which does not take away from the possibility that there are real victims. Those who claim that there were no deaths, and that there are no deaths in these terrorist atrocities are most likely agents of the very same murderous government responsible, spreading disinformation.

The Jews, and or, nonwhites, had a role, or a leading role, and were behind the terrorist attacks of the USS Liberty (June 1967), Ruby Ridge siege (August 1992), the Waco siege and holocaust (February-April 1993), 9/11 (September 2001), Virginia Tech Shooting (April 2007), the Aurora Colorado movie theater terrorist act (July 2012), Sandy Hook Elementary school massacre (December 2012), the Boston Marathon Bombing (April 2013), San Bernardino attack (December 2015), Orlando nightclub slaughter (June 2016: it occurred on 06-12-2016 which added together = 6.....66), the Las Vegas Shooting (October 2017), Waukesha Christmas parade attack (November 2021), and so forth. In ALL these attacks, most of the victims, that is to say, most of those men, women, and children murdered, were White. In most, if not all of these terrorist attacks, the perpetrators were nonwhites, they were Jews, blacks, Arab Muslims, or otherwise nonwhites, with whatever white perpetrators or accomplices there were, working for the government. Recurring themes, pattern recognition in most, if not all these government sponsored or induced or perpetrated terrorist attacks include:

ΔA drill had recently occurred or concurrently occurred, simulating the very terrorist attack that happened.

ΔAbject failure/incompetence/acquiescence of law and order, of law enforcement and the very people whose sole job is to serve and protect the people, or the overriding of the same, i.e., stand down orders, lengthy delays that cost lives, moving assets (policemen) away to another location where they will be useless, etc.. (No, they are not to serve and protect the tyrannical government or rich property. They took an oath.)

ΔInitial reports from the media are very inconsistent and chaotic, with many contradictions that are never quite satisfactorily resolved. As time goes on, the official version of events is cemented. I.e., "the cover up".

ΔCrisis actors are used, and the media is involved in the actual atrocity and the cover-up of the same.

ΔVictim funds are setup, presumably the money goes to the Jews, etc..

ΔThe democrats and the left immediately go to the political talking point of gun control, as if a tyrannical gun grab will solve the problem of a tyrannical government that would perpetrate mass shootings and bombings against the American people.

Δ Investigation that is riddled with conflicts of interests, omission of facts, like some Masonic judge throwing out evidence in a corrupt courtroom because it would thwart him from getting his way, which so happens to be the obstruction of justice and the perpetration of grave injustice. The crimes and atrocities are covered-up.

ΔAn entire sub-niche industry is setup, the "alternative" media, with people making entire lucrative and celebrity careers for themselves "debunking" the government and the official narrative of events, thru books, movies, streaming, and other media.

ΔThe whole vicious cycle repeats.

The government is notorious for grooming so-called Manchurian candidates, and for fomenting false flags. The intelligentsia and spy agencies keep tabs on suspected, and even known, violent murderers and terrorists, or proactively recruit and groom the would-be same, and having them under round the clock total-surveillance, and doing absolutely nothing while they watch these perpetrators plan and prepare and carry out acts of political murder and terror, make themselves guilty as hell. As if that was not the worst. Even worse, the government has been known to entrap or supply these perpetrators, these psychotic lone wolfs as it were, with enough pressure and stress from psychological operations against these individuals, that

essentially, they have psychically driven these mentally ill personalities to commit extreme acts of murderous violence on an unsuspecting and vulnerable public. If these people accepted the Lord Jesus Christ, there is no way they would engage in acts of murder, nor would their handlers illicit the same from such susceptible dupes.

Witchcraft will bring you closer to the devil and eternal damnation. Many Synagogue of Satan Hollywood celebrities do not *practice* witchcraft. No. Like abominable corporation Nike, they "just do it". With such demonic spirits operating them, none of their works will benefit our lives, let alone our minds or our souls. And obviously, these people, like the corporations and brands they own and foist upon all of us, are entirely untrustworthy, disgraceful, and despicable. For they deny the Living Almighty God, all whilst falsely ascribing the moral high ground to themselves and their satanic hive-mind collective cabal. Witchcraft, which is the feminine, and its masculine counterpart, warlockry, or wizardry, although the two are blurred and bleed into an androgynous one, seeks to circumvent nature, to destroy nature, to run contrary to nature, to abuse, assault, and molest nature. To dominate nature, to have nature yield to it, and to wield nature as a weapon against the creatures and souls of God. Finally, ultimately, to replace nature. Incidentally, in many cases paganism, so-called, is merely a cover for satanists. That is to say, some full-blown satanists hide themselves in the identity of paganism. In other words, these people are crypto-satanists: they pretend to legitimize themselves, by professing to be harmless "woke" pagans, to labor to lead Christians astray from the truth and from our Lord and Saviour Jesus Christ.

Witchcraft derives power from the evil overlord, or the fallen one: thus such is a far inferior, and wicked power, that lacks the authority of the Lord Jesus Christ. Lacking the authority of God, the power-base of all those of the occult, or deep state, or Illuminati, or new world order, or breakaway civilization, or synagogue of Satan, is inherently corrupted, and hence their influence is corrupting. Nature does not corrupt. She might be unforgivable be times, yet She does not corrupt us. In fact, nature is wont to provide man with what he needs, without demanding of man that She be worshiped, as if She were the Creator, when She is merely the creation. No, the devil operates on the directive of quid quo pro. "What have you done for me lately?" Never giving without expecting something in return. Nature gives without expecting anything in return, save perhaps, the solemn respect and stewardship due to Her. Even when She is denied this fundamental hallmark of man, She does not hold grudges and Nature does not demand that man be indebted to Her.

To poison the air, to poison the water, to poison the land, all for commercial gain and for human control, a major component of control being depopulation, the rulers of the world prove themselves unfit to be good stewards of the earth, the natural world, the animal kingdoms thereof, and the natural laws that God has created to govern the same. They are unfit to govern. Nature was created by God. Fallen nature is the state that results from the prideful offenses against God, and the absence of God. When we sin, we go against our own nature, we go against God. The leftists, the liberals, the democrats and the like, will falsify reality by producing a synthetic version that dictates that when we sin, that is, when we violate nature and God, when we fall from our primary place, from our priority of being, we are actually merely acting out our nature. That is a dangerous lie and a deadly deception. The violation of nature is not nature. The breaking of the law is not the law.

Disguised as "art" and "entertainment" these nefarious and weaponized, technological, psychological, and spiritual propaganda and total warfare and genocidal assaults, thru targeted advertisements that promote race-mixing, for instance, do nothing but take the viewer or spectator or audience away from God, the Way, the Truth, and the Life.

Patriots of the truth, that is to say faithful Christians, including, of course, Catholics, must know and understand, that the Lord Jesus Christ is God Himself. He is God made flesh. God humbled Himself to save mankind. The Lord Jesus Christ is the focal point of all of creation and of the entire universe. Without Him, our life would be devoid of all meaning and purpose, from inception to beyond death. In essence, it is *all* about the Lord Jesus Christ. God is three divine persons in one unity. We do not believe in three gods: no, Three Divine Persons in One Supreme Living God. The mystery, or I should say, the mysteries of God transcend the literalness, linguists, semantics, translations, and interpretations of the Holy Bible. At any rate, a man is a son to his father, a husband to his wife, and a father to his son. Technically speaking, he and the father are one in fatherhood, for they are both fathers, the man is one with his wife for the two are married, and the man is one with his son in that his son is his heir. Obviously, the man is not his father, he is not his wife, nor is he his son, nor vice versa. Yet to anthropomorphize such mysteries of faith and religion is to diminish them anyway. To try to speak in plain logic, to try to rationalize the wonders and genius of God, and His plan, will, and esthétique, would be a fould errand, with a fool's reward. What man might convince a human being of *the* truth that the Lord Jesus Christ is God, if God Himself cannot convince him?

Pagans deny Christ, similar to the Jews who deny Christ. Insofar as these pagans are not themselves Jewish or part Jewish, does their denial of Christ make them in league with the Jews? Not necessarily. Some might be, some might not be, or none might be. Yet, it does make them sons of the devil. For the father of lies, and of murder, is the devil. And those who deny Christ, who do they turn to, to whom do they go and serve? If one does not serve the living truth, then one is the server of lies, and thus himself a liar. The Jews lie, for they deny Christ, and therefore, the pagans lie, for they too deny Christ. Their biggest lie is that the Supreme Divine King of all of creation and the universe, namely His Holy Majesty the Lord Jesus Christ, is a construct, a ploy, of the perfidious Jews, of the synagogue of Satan. Why do pagans give the Jews "free advertising" as it were by peddling such filthy lies? The Jews love to claim ownership of and over all. There is a saying, they have a saying, "there is no bad publicity." In other words, no matter if the attention is negative or positive, as long as they are getting attention, it is "good" for them. So we see how pagans benefit the Jews, be they direct accomplices to and agents of the synagogue of Satan or not. Are all liars in league together in a grand conspiracy to oust the patriots and champions of the truth? Of course not. Liars compete against each other all of the time. In organized criminal networks, lies abound. Liars oust each other, vie for power, and will do anything to elevate themselves to higher levels in the pyramid scheme of the world.

The Lord Jesus Christ is *The Truth*. To deny God is to deny the truth. The Jews deny the truth, and so, by denying the truth, pagans put themselves in the camps of the Jews. The Jews have proven themselves to be an enemy of God and an enemy of the White race. If non-Jewish white pagans deny God, deny Christ, hate Christianity, they deny the truth and hate the pre-ancient-Greece-Roman European ancestry and

cultural and religious heritage that is the genetic, bio-rhythmic and spiritual endowment of the White race. Then such neo-pagans are not exactly the ideal candidates to defend the remnant White race from the ongoing genocide being waged against and inflicted upon us. Lastly, such pagans appear to embrace witchcraft, which is mainstream. In fact, paganism and neo-paganism is mainstream. The subversive and destructive world order has fraudulently, under the guise of a cybernetic and synthetic egalitarianism and equality, and imposed multi-cultural and multi-racial anti-Christ, anti-White empire, made all schools of thought and ideologies, no matter how heretical, blasphemous, or sacrilegious, mainstream, and fomented and fermented into a monolithic witches brew in a witches melting pot. That is part of so-called global-homo. That is part and parcel of the rainbow coalition, and their perfidious *pride*. That is part of team Satan. The devil and the demons know the truth, namely that the Lord Jesus Christ is God. They found that out the precise moment when He died on the Cross at Calvary 2,000 years ago. And yet personnel today deny the truth of Christ and act as if they are more enlightened than the devil and demons that animate them and give them a run for their money.

Child sexual assault is epidemic in the American school system precisely because of witchcraft and satanism. The bible and prayer were taken out of the schools in 1962 and 1963. Today, now two, or three, generations or 60 years later, some 130 school teachers, aides, administrators, have been charged with child sex crimes so far this year alone. There might be ten times that number who are criminal perpetrators yet they have not been arrested and publicized. The whole Antichrist, satanic LGBTQ+pedophile mob and politically "correct" mafia are possessed of an evil that has them falsely convinced, that there is nothing wrong with their mortally sinful behaviors and lives. They literally believe that they are doing nothing wrong when, and as, they harm children as young as 4. In fact, they believe that anyone, let alone any legitimate and authoritative organization, that dares to impede them from harming children, including sexualizing them years before puberty, pimping their minds with sexual degeneracy, obscene liberal propaganda, and pornography of the same, is victimizing them. It used to be that anyone who talked about sex, and made lewd commentary, and offered unsolicited innuendos, in the workplace for instance, was guilty of sexual harassment. Now, there are psychotic leftists, cultural Marxist teachers who crocodile cry that they are the victims if they cannot talk to 5,6,7,8,9,10,11,12 year old children, about their perverse sexuality, about their degenerate identity, and about their anti-Christ ideology. Worse still. These freaks of nature and mutants of mankind, actually believe that they should be protected while they perpetrate myriad crimes against children, destroying the innocence of the children in the process, in their efforts to remake the children in their own insidious likeness and diabolic image. Namely, they seek to turn children into transgender monsters, and sexually deviant minions. All of which, again, like witchcraft, has been made mainstream. These people are literally sexually harassing children, in government, that is tax-payer funded public schools, in the classroom, and even as part of the official curriculum. And they are doing far worse. They are sexually assaulting and abusing children. American children. *Our* children. They are grooming children. Such is not American freedom or the American way. Such is the slavery of the devil. Such is anti-Christ and anti-American.

There is a direct correlation between sexual degeneracy, including sodomy, lesbianism, bisexuality, and pedophilia, that is the sex crimes against children, both sexes. It is all interconnected. Sexual degeneracy, deviancy, and perversion, for

instance sodomy, and pedophilia, sex crimes and assaults against children, pornography, sex trafficking and sexual slavery, servitude, and harassment, witchcraft, and the mainstream corporate and political establishment. And why, and how, have the churches, especially the Roman Catholic Church and Protestant Churches been disarmed, and who disarmed them, and in turn do disarm us, from defending ourselves, and our children, from combating against the myriad of enemies that besiege our faith, our folk, our nation, our state, our community, our soul, our salvation, and seek the ruination of all?

The Chinese communist Biden administration, with Chinese communist Obama and Chinese communist Clinton, puppeteering in the background, who stole the American presidential election of 2020 from President Donald Trump, rather from the American people, have put a black woman on the supreme court who said she could not define what a woman was, and who is a pedophile apologist and protector, and quite possibly either a witch or a groomer herself. It seems her only qualifications for sitting as a judge on the Supreme Court is that she is black, a woman, and is a paedophile/sexual predator apologist and defender, and insists on the minimum sentencing of those few sex offenders who are actually arrested, tried, convicted, and sentenced. Most sexual offenders, and there are countless of them, are never even investigated. Why? Because, like witchcraft, sexual offenses have gone mainstream: they are like a virus that spreads throughout the civilization, nation, state, culture, society, overwhelming the immune system and thus the natural response to such a horrible and unbearable assault. This same fake, counterfeit, and absolutely criminal administration, selected another black woman to be the press secretary for the anti-American, democrat occupied white house. Apparently this woman is a sexual deviant, namely she is a proud, that is unrepentant lesbian. Again, her only qualifications for the position seem to be that she is a black woman, and is an open, unashamed sexual degenerate. I suppose with the latter qualifications we might assign both women as being vehemently anti-American. If the one cannot define what a woman is, I suppose she would need to leave it up to a political scientist, or a communist committee of them, to define what an American is. I trust I am do not run too far afield when I state that such would most likely be a hardcore leftist, and thus extremely anti-America, if American at all, in their ideology and in their works.

By Jove, brother-friend, jog my memory, and I shall ask for naught more than to remember my folk, my love, and my racial, and hence spiritual, agency to heroically die for you, that you might truly live, with and for, only yours, to the exclusion of all others.

There is death in peace and life in war. There is slavery in riches and freedom in poverty. There is misery in comfort and joy in suffering. There is madness in crowds and there is sanity in solitude. There is a slivering moment of communion with birds and yet there is a month, a year gone by without a single meaningful, profound, life-affirming word of congress with humanity.

The position of *our* leaders exist so as to provide *our* people with freedom. The truly noble man need not have been borne of noble rank, for oft it be that a mere commoner risks all on the battlefield, (and is eternally more honorable than the nobleman who rapaciously clings to his treasure, lands, and titles), not for the perfidious interests of greedy and blood-lust-drunk tyrants, yet for the security of *his*

folk, and for the dedication of the future of the same, in inalienable, constitutional, confederated, freedom. Those rulers yet of the White race, *our* race, remnant though we are, who think, believe, and act in such a manner, as to fraudulently evince that their position exists for our people to serve them, and to be the slaves to the evil system they have sold themselves and their position out to, are malefactors. They would do well, in the Name of The Lord Jesus Christ, and of the Precious Living Blood of the same, to repent and do penance. In the old country, in the old world, the penalty for such a mortal sin, was always capital, namely, Death.

The business of execution was never taken lightly by the forces of Good Will and Light. And yet, in the past 100 or so years alone, the Jewish-Bolshevik-Communists-Freemasons-Liberals have fabricated mass execution into a precise science. Millions, tens of millions, yea, even hundreds of millions of our people, have been summarily and systematically slaughtered in the name and vested interests of the Synagogue of Satan Antichrist world order and the evil draconian-reptilian alien establishment, system, infrastructure, and cybernetic matrix, thereof. Our myriad spiritual, racial, political, social, and cultural enemies have hijacked, co-opted, inverted, and weaponized everything, including sentencing to death those that are innocent, and rewarding and promoting those that are guilty. How come them into the power of life and death? For they have not the authority of life, and yet they now kill and maim through mass injections, hundreds of thousands, millions, tens of millions in the past 100 years. The medical tyranny is universal, around the world, and yet how come them into such power, that they enact such Stalinism on and over the peoples of the earth, that they decide who should live and who should die?

The Democrats, and Republicans, have invited the hordes of Third World into the West, all of Europe, America, and have weaponized these "legal" and illegal aliens, though none of them are lawful and lawfully here, and God knows how many of our folk have been killed, maimed, and enslaved due to these racial strangers, foreigners, and aliens. These power elites will wage war and death overseas, imposing their synagogue of Satan will all across the world, and yet they will ensure that our borders remain unsecured and wide open. The systems, the establishment's definition of "racism", is too many White people living, learning, working, and worshipping clustered or grouped or in proximity together. If blacks or other nonwhites are prevented from imposing their will, or fail in the imposition of their will, upon White people, then the Jewish mainstream media, the Jewish tech giant social media, the federalist political, business and academic establishment, decries that such is racism and such people are racists. The new world order's definition of "antisemitism" is when Whites *try* to try to live, in peace, apart from, and not under the tyrannical rule of, the Jews and the Jewish supremacy that dominates the world. For a White man to not subject himself and his family to Jewish subversion, perfidy, and domination, is the apex of antisemitism. Any criticism of Jewish politics, as an organized racial and religious order, is antisemitic. The more invasive and damaging Jewish policies are to us Whites, the more antisemitic we are if we refuse to submit, if we resist, if we protest, if we criticize the Jews and their tyranny over us. Our Christian religion, our Faith, our inalienable rights, values, morals, our identity, our history, our family, our community, our state, our nation, our race, apparently be damned.

A true leader, leads by valorous example. If he is in the position of both legitimate power and authority, to order the men, under his command, to risk their lives for the

cause, that is never lost, yet is always found in our souls, in our hearts, and in our blood, then he himself must be willing to lead the charge. It has been said that "necessity is the mother of all invention." Perhaps. Yet, Faith is the Father of all courage. If *our* cause is just, which it is, if our cause is worth fighting and dying for, which it is, if our cause is out of necessity demanding of the impossible of us, from literally impossible odds, which it does, then why shall our leaders not be willing to be the first into the fray? And, at the end of the contest, the last out of it, or, barring that all were, or are, obliged to give the ultimate sacrifice and to pay in acts of valor that which could never have been paid in acts of diplomacy, negotiation, compromise, appeasement, submission, servitude, and betrayal, why shall our leaders not be willing to die both for us and with us? That *our* folk might still live freely, and that they might be secure in the knowledge that not only is there the existence for our children preserved, our children being the future of our people, yet there is that existence built on the solid foundation of freedom. To be, and free, to the exclusion of all others, and in the security, safety, and privacy of our homes and persons in our fatherland, and not worrisome anywhere, at any time, of ever being targeted, abducted, or molested by any others. Are our leaders more important than the *cause* of our folk? If my wish is for myself, for my family, my friends, my neighbors, my folk, our friendly confederations, to never again be the victims of any targeting, abduction, or molestation whatsoever, is my cause lost, is my perspective antiquated, my morality---shared with that of my folk, preserved by our heroic braves' deeds---which never fails me, yet I always fail to achieve, archaic?

What White man in America represents me, that is to say, serves me, that is to say, leads me? A man, a post-World War II, Vatican II local parish monsignor or priest, who apparently follows Christ, is much less than the ideal candidate, at least in terms of spiritual, and thus moral, direction, for he is too effeminate, grossly liberal, and not at all masculine enough. To inwardly cringe, at the lukewarm-edness of it all, is to send a spiritual sigh heavenward. There is no foundation of community, there is no bond of brotherhood or fellowship where he rules. Therefore I do not belong. Such a religion, such a sect, such a denomination, which submits itself to the edicts and dictates of anti-White worldly leaders, whose race and culture are as alien and foreign to us as they are predatory and parasitic and hostile to us, how am I able to not be estranged from such an institution? Everyone is welcomed there, yet I do not belong. It is supposed to be my religion, my church, my faith, my people, (it was the religion, church, and faith of my father, grandfather and great grandfather), and yet I am aloof, I am alienated, there is a coldness of feeling, there is a stoicism of heart, there is a captivity of mind, there is an unspoken irreconcilable difference. I cannot qualify it, I cannot rationalize it away, I cannot dismiss it. For to submit to such a church would be to consent to the subversion of my agonized soul to visible and invisible forces arrayed against it.

Such congregations are politically "correct" for they are conformists and initiates into the one world order. And yet, whilst they go thru the motions of morality, and pay lip-service to the same, and even do good works, they are morally incorrect, for they have settled for a morality inferiority, a moral mediocrity, that is, at least for the time being, acceptable, for it is beneficial, to the world writ large. The Holy Bible says that all of Heaven rejoices when just one sinner repents. And yet, one local catholic parish is so universally invested in the world, and benefits so much from it, that it cannot help but snarl its teeth, hiss its disapproval, and voice its contempt for one man, of good will, lost in mind, heart, body, soul, and love, set adrift in treacherous waters,

alone, and with only an interior prayer to suffice. A homeless man who bows his head whilst sitting in the pews is scolded by an usher. There will be none of that. I cry out to the Lord Jesus Christ, though I hear no answer. I thank God, and cling to Him all the more. Like a child who vies for the attention, and acceptance, of his father whom is too preoccupied with his great work, and the rigors thereof, to pay his little one much piece, or is it peace?, of mind. If it is not good that man should be alone, then what good results from man being alone? And yet, I am beset on all sides by hostile strangers, foreigners, and aliens, their collective predation and universal parasitism misting my consciousness and clouding my judgement.

The tyranny of mediocrity, relativism, humanism, socialism, liberalism, and egalitarianism, and the various assortment of other conglomerated "isms", leaves no place or room for the free spirit and creative mind to be, and yea, compete, in the race of life. For the draconian peoples of the world, with their collective hive-mind, and dystopian technological trans-human aspirations, wrongly produce a sinister reality that demands they have a "right" to access us White folks, everywhere, at all times, without complaint, without question, without dissidence, no exceptions. We are so criminalized, that even on the rare instances when we muster up the strength to defend ourselves against the world, our defense is misconstrued and falsely equated with the most serious criminal offense. We do not live in a White man's world. As a White man, I cannot help but witness that White power, and consequently the greatness of our nation(s), is a pathetic fragment of what it once was, or of what it once could have become. It is only the miracle and transcendent power of the His Holy Majesty, the King of all of creation, that prevails us to march thru this valley of death, shadows, and tears, with our Christian faith intact. The humiliations afflicting us, the depredations we experience, the persecutions we suffer, we do so with a superman humility and long-suffering that echoes that of (prayerfully and hopefully) our Lord Jesus Christ. Though He is hidden and silent.

A leader serves his people, for he represents his people, organizing them against the arrayed enemies besieging us about. The leader is tasked with the responsibility of the organization. He does not deny, let alone violate, the divine sovereignty of the individual men under his charge, and the inalienable God-given rights of men. No, he recognizes, each member of the formed body, as irreplaceable, thus integral to the overall command, primary objectives, and mission, or cause if you will. Men obey him, because he fights, and is willing to die, for them, on their behalf, at the behest of them. In other words, he is a man, free in Christ, and he commands his men, who are free in Christ, in theory if not in ideology, in will if not in practice, in spirit if not in flesh, to defend freedom. Freedom does not suggest a lapse, or lack of discipline. Quite the contrary: true freedom claims adherents that are the most disciplined, and expectorates the rabble that are the most lawless. In fact, the most free people on earth are obligated with the most responsibility. Another way of saying this: the level of legitimate power and authority that a leader has, is proportional to the level of his responsibility to his men. He is answerable to them, and more and most important of all, to God. Trust is the nonbreakable bond forged by blood, that gives the morale to the men, so that they know their leader shall not spend their lives needlessly, or too cheaply, or in a way unbefitting their honor and vocation, or faithfulness to their folk, and the Grace of God Almighty Himself.

To obey an unlawful order that might cause the deaths of your men, or worse, the deaths of civilians, is to promote oneself to maximal wrongdoing. A tyrant makes a

slave out of his own people, and sells them to their enemies, thru whichever means, the media, technologies, politics, diplomacy, the medicine industry, the scientific establishment, and so forth. A traitor disarms his own men, leaving them defenseless in the face of adversarial encroachments, and thus are our people all the more vulnerable and threatened with tribulations and abandoned to fend for ourselves.

Are our leaders not serving us, and our best interests? Do our leaders not represent us? How is it possible that nonwhite leaders, including Jews and mixed-raced hybrids of all stripes, and aliens writ large, should serve, lead, and represent us, without being in a total contrarian, hypocritical, and tyrannical position over us? That is to say, without forcing us to serve them, without leading us to ruin, and representing all that is antithetical and anathema and destructive to us? No nonwhite, no Jew, no mixed-race hybrid, no nonwhite, has any legitimate authority, right, or enterprise, to rule or reign over, or govern any White person or group. No other man has a right, let alone any business, presiding in the patriarchal role over my wife and children. I alone, and being answerable to God, have not only the right, yet the sacred duty, to steer the helm of the ship that is my wife and children's lives. And so it is, or should be, with regards to race. Would I as a husband declare that my inviolable marriage is inclusive? Of course not. Such is a damnable offense! Why then, shall American personalities declare that racially inclusive nationalism, which is no nationalism, yet multi-nationalism, and multi-internationalism, is our answer to the left, or new world order, and is our rallying cry? A union of races, blacks, hispanics, asians, jews, Whites, all included in the republican, or populist party. And yet the American is left out in the wet and cold, to dry and warm, all alone.

Naysayers will charge us with heresy: they will falsely equate, or rather, conflate, our racial consciousness and awareness, with worshiping ourselves, our people, our race, as though to idolize jews or nonwhites, and to surrender to their power and whims, is the higher moral road or high-ground. As if to love our own folk, our own kith and kin, our own like-minded and good-willed kindred, is a horrible thing. Or an antiquated ideology that has no place in the world of the Rockefellers, Rothschilds, Oppenheims, Bill Gates, George Soros, Charles Schwab, Zuckerberg, the World Economic Forum, the World Bank, the World Health Organization, the Communist Chinese Party, the International Monetary Fund, the United States Federal Technocratic Regime, the Trilateral Commission, the Bilderberg Group, the Council on Foreign Relations, the Committee of 300, Democratic Party, the Deep State, the New World Order, the Illuminati, Blackrock, State Street, Vanguard, Clinton-Obama-Biden, and so forth and so on.

There is much to be said of masculine (non-homosexual) brotherly love. To love our people is no sin. Even when, and especially when, our own people are our own worst enemies, or are enslaved by our enemies. Yet our measure of love is given in proportion to heroic deeds. Even those of long ago ancestors, whose glory reverberates still, stilling the temptation of cowardice in times of greatest need, in the unassuming young man who defends himself against negro youths for instance. That is why monuments are important and vitally meaningful. To honor the dead would become corrupted, were we to damn the living. Many there are that charge us as idolaters, and blasphemers, and other such negative terms, in efforts to intimidate us, to demoralize us, to deracinate us, to demonize us, to destitute us of our native, natural, inalienable birthright, and our both predestined and willful fate, even if only rhetorically, or symbolically. *Our history, our folk's history, is a treasure trove, worth*

more than all the gold of 10,000 worlds. Even only a perfunctory glance at the record, and it is evident to us, that even in defeat, the greatness of our people was, more often than not, greater than the lesser enemies that were, in many instances, victorious over us. There are inferior victors and superiors whom are defeated. There is honor in defeat and there is dishonor in victory.

The Battle of Thermopylae, 480 B.C., with King Leonidas's 300 and his fellow Greeks, Charles Martel and his Franks at Tours in 732 A.D., Remember the Texans at the Alamo of 1836, Custer's Land Stand of 1876, the Battle of Rorke's Drift of 1879, are merely five examples of a plethora, of our racial collective inheritance and legacy, in the struggle, suffering, and survival, of our diverse folk and the lifeblood, freedom, and spiritual salvation of the same.

21 May 2022. It is one month before the first day of summer, and yet it is hot as blazes. It is 91-93 degrees Fahrenheit. This is so unseasonably scorching. It is still supposed to be spring, for another month yet. And yet, a stifling heatwave is our portion. Is such an act of God? Or is such geoengineering or weather manipulation and warfare? On a personal note, my quasi-autism aside...

Firstly, a career republican senator, with a feminine girls first name, and with a seeming propensity for lizard-like features, does not, in my estimation, imbue the gentry and genius of the South and their honorable heritage. In other words, such is not a representative of America, the constitution, and the American people, so much as he, Lindsey, represents the worldwide imperial interests of the Jews and their multiracial, antichrist, antiwhite empire and plans of total domination, enslavement, and genocide. That is to say, he might be considered a republican-in-name-only. Although, even that is a snare. For the republican party *is*, at this late hour, part and parcel of the occupied, and extremely anti-American establishment, and anti-White world order. Incidentally, the flip-flop of the original democrats to the republican party, and the northern abolitionist liberals, and rainbow "minority" coalition, to the democrat party, is a part of the important history of reconstruction after the War of Northern Aggression.

It appears the turncoat is a northern liberal trapped in the accent of a southerner. Whilst I might humble myself--having, of Providence Divine, been born a northerner, and having been whisked away from the state of my birth when I was one, and having been plopped down in the state of Maryland, below the Mason-Dixon line, a transplant southerner if you will, at least by geographical standards, given my particular, and unique, sympathies with the true White American South (and every other direction of the compass for one and all White Lives Matter, and infinitely more I might add, then we are lead to believe)--and recognize that Copperhead is a far more endearing term, from the White racialist perspective, when applied to White patriot nationalists and otherwise patriots, and were it assigned to me, and were I to have the audacity of ancient honor, and the courage it demands, to plainly state, that, from the perspective of a White man, the only political solution, to all the evils, crimes, insanity, dangers, and woes that we are forced to endure and struggle against, is the absolute separation of Whites from all other races, including Jews, including mixed-raced hybrids. Furthermore, all other political solutions are dependent on, and flow from, this one quintessential and all-imperative solution, namely total separation of the races, without exception. Without exception, notwithstanding there are some, few and far between, however notable, exceptions

to the rule. Miscegenation cannot be tolerated, nor can the aftereffects. To further deny and defy nature in this regard and manner, would be to undermine the very foundations upon which a nation is based, namely, on her race, as pure blooded as Divinity and Mother Nature provided and provides.

Those others, who are nonwhites, mixed-raced, or even whites who have committed miscegenation, or who fancy themselves as superior in that they are members of the multi-racial imperial world order, and the draconian system and establishment thereof, unless guilty of capital crimes, and thus having earned themselves the wages of capital punishment, shall be free to live their own lives in their own nations and territories, free from the White man, for the White man shall live separate, and have no need to discriminate against any other in his own, exclusive and homogeneous nation. Will the liberal decry such as supremacy? Will the Jew bitterly complain that such is unequal? Will the accumulated anti-White, mostly nonwhite forces arrayed against us, remnant of a remnant of a remnant that we are, insist that such is impossible for they forbid it and will murderously, and genocidally, prevent such an ideal idea and natural model from being brought about into fruition and succeeding? What then is our response? To cower in fear and acquiesce to the demands of those who have made their entire existence a perpetual violation of nature and offense against us? What devil coerced them into such a way of being, that was not registered in their biology and genetics, throughout the annals of the history of mankind on this earth?

From separation of the races stems all other political solutions. Once separation of the races is achieved, segregation of the sexes, and there are only two of them, man and woman, will be accomplished without hindrance. If it is criminalized to even discuss such, as the U.S. Government and the rest has murderously assured, generating through tyranny and persecution the sinister reality we are forced to endure, because Whiteness has been criminalized, that is to say, our very identity, the essence of our beings, every fiber of our souls, each filament of our inherited ancestry and legacy, then what recourse is left to us, yet to fight, and if need be, die, for freedom. Not for our own freedom. Yet for the freedom of our children, and hence, for the future of our people, that the existence of the same, will know freedom, and freedom secured. Not the fake-counterfeit, conditional freedom that the Jewish-Zionist Occupied United States and conglomerated world governments dictate, authorize, and enforce. Such is not freedom. Such is slavery under anti-White, nonwhite, multiracial, totalitarianism. Freedom begets security, security begets safety, safety begets privacy, privacy begets serenity.

It takes no courage for a senator, rich as the devil, to call for the murder of the ruler of Russia. Then, to say that a years-on-end career, so-called conservative republican senator, is wrong to publicly call for or suggest the assassination of the ruler of Russia, notwithstanding the apprehension we might have about Putin, whilst accurate and true, is rather a moot point.

While it would have been prudent, perhaps, 150 years ago, to enact term limits on the positions of American senators and congressmen, it would have also, been prudent, to not have waged a war of aggression against the South and her people. Moreover, it certainly would have been Godly, as opposed to snakelike, to not give the reigns, or the control thereof, either partially or wholly, of American political power, both domestic and foreign, over to women. America was founded by White

men, most of whom identified themselves as Christians, and meant, for posterity, to be one nation of exclusively Whites, of exclusively confederated White states, White being non-Jewish and non-race-mixed hybrid, under God. The only lawful, legal immigration to America, is White immigration. Because only other Whites are able to lawfully, legally, legitimately assimilate, which of necessity implies, fraternize and intermarry with, the founding American stock. Segregation would be viable and reasonable first along ethnic lines, and then of course among the two sexes. Total racial separation having been accomplished, there would be very little crime. Whilst some White intermarrying could occur, within the White race, within the various, and quite diverse, ethnic tribes or nationalities of Whites, most would stay within their own groups. To the marginalized extent this is still possible, or preferable, perhaps that boat sailed after World War II.

What is worse, America has been hijacked, and since the northern liberal's aggression against the South, has turned the Confederation of America into an antichrist, anti-White, imperial world order.

The deplorable, degenerate, disgusting, detestable, despicable behavior and words of many of those on internet anti-social, psychotic, sociopathic, psychopathic media forums, chat-rooms, comment sections, and websites, indicates the depravity of the minds of the majority. While there are many bots, shills, trolls, agent provocateurs, gate keepers, disinformation agents, two-bit bullies, brain-dead government-sponsored stalkers, deranged lunatics, race-baiting hucksters, alien impostors, opportunistic grifters, and all manner of the wicked in all their perverse criminal perpetrator diversity, they are nothing but disposable products and byproducts of Jewish democracy, capitalism, and liberalism. In the end, it will be as though they never were. One who stupidly and wrongly states that Italians are not White, is probably a Jew, or has been so Judaized as to internalize the psychosis of the Jewish mindset. If he is a Jew, he might, in his spiritual and mental illness, consider himself more white than the Italian who is not a Jew and who is in fact and in truth, White. When it suits the Jew, he is white: when it suits him not, he is a Jew. When it suits the pagan, he is christian: when it suits him not he is pagan. Italians are not White: is a lie in the same way that the so-called Great Replacement of Whites is not happening, is not real, is a lie. The Great Replacement of Whites, that is, the genocide of Whites, is occurring. And Italians, are, quite obviously, White. It is tiresome toil debunking the entire world.

The individual, natural man, created in the image and in the likeness of God Almighty, is sovereign under God. The Lord Jesus Christ is the Sovereign of all of creation. He is the King of kings, the Lord of lords, the Host of hosts. Therefore, the individual man, that is, I am, natural, I am free, I am sovereign under, and in, and with, and belonging to, and purchased and owned by, the Supreme Sovereign, and Sovereignty, of our Lord, and Savior, and Giver of Eternal Life, Jesus Christ. Even when we are not free, and the world has countless ways and means by which to enslave us, we are truly free, and only truly free, in the Truth, the Way, and the Faith of the Lord Jesus Christ. He is Sovereign over all. He alone has the keys and power over Life and death, Light and dark, Heaven and hell. The Most Precious Blood of Jesus Christ, covers all of mankind, that man might be saved from his sin, by exercising his God-given inalienable right to the truth, legitimate sovereignty, and real freedom. We are all sinners, and I am the worst. And yet, the Lord Jesus Christ died for our sins. He paid the debt of our sins. He paid the wages we owed, and the

wages of sin is death, and death to God is everlasting damnation. Hell is the real eternal place of fiery torments and damnation that exists in the absolute absence of God and His Holy Majesty's Grace. God forbid we should be cut and cast off from God forever.

Oh Lord Jesus Christ, forgive us miserable sinners, of all of our sins, save us from eternal damnation, lead all souls to Heaven, grant us Eternal Life with You, The Father, The Son, and the Holy Ghost, One God in Three Supreme Divine Persons, have mercy on us Oh Lord, now and at the hour of our death, wash us clean of all our sins, reward us not according to our iniquities, be not our judge but be our savior, and help especially those most in need of Your Mercy. Amen.
